

CONFIDENCE VOTE FOR BRIAND

THE CHAMBER OF DEPUTIES FOR BRIAND

Votes Confidence in Him After All Night Session.

BUDGET IS APPROVED

The Vote Stood 227 For and 130 Against.

(Special cable to the Daily Mail by the British United Press)

Paris, April 1—The Chamber of Deputies today voted confidence in Premier Briand and adopted the long delayed government budget thereby providing the cabinet with means which to check the franc's speculation decent towards insolvency.

An all night session which left the deputies groggy was necessary to get the job done.

Confidence was expressed on the turnover clause of Finance Minister Petrot's programme by a vote of 227 to 130. Then the budget was adopted as a whole by a vote of 236 to 139 although the officials were so wearied by their all night sessions that they repeatedly miscounted the votes, and finally let an incorrect figure represent the opposition ballot, although a subsequent count, established the true number of opposition voters.

MUNICIPALITIES COMMITTEE AGREES TO BILLS

Committee Room, April 1st, 1926. The Municipalities Committee met this morning with Mr. Atkinson in the Chair.

The Moncton Assessment Bill was first taken up. The Chairman said this bill had been considerably torn to pieces and a new one had been drafted.

Hon. Mr. Reilly supported the bill. After consideration all the sections of the bill, with the exception of the clause fixing the time of posting notices by the Assessors being made ten days instead of twenty were passed.

An Act to amend the Acts relating to the town of Woodstock was next taken under consideration. It was decided to report the bill to the House.

An Act to provide for the issue of debentures to retire debentures in the town of Woodstock was considered and it was decided to recommend it as submitted.

The bill relating to the Wilson Box Company in the parish of Lancaster was agreed to.

POOR SPELLERS ARE UP AGAINST THE FOOT-RULE

Philadelphia, April 1—Poor spellers soon may be as rare as Narragansett Indians or fur coats in Miami, if plans outlined by Dr. Arthur I. Gates, professor of education at Columbia, to the schoolmen's conference here, become a reality.

Dr. Gates suggested that errors in spelling might be just as much subject to correction and cure as defects in eyesight. He said:

"A series of tests and instruments has been devised for the measurement of ability and disability in reading and spelling. By the use of these agents it is possible to locate the real cause of difficulties and backwardness.

"Just as we utilize the service of physicians for expert advice, we shall call on educational experts for diagnosis and cure."

INSURANCE MEN TALKED TO COMMITTEE

Submitted Proposals for Assessment by City—Committee Will Consider and Report.

The special committee of the City Council named to hear the presentation of the claims of insurance agents in the matter of civic assessment, received the delegation last night at City Hall and held a lengthy session at which the delegation was given an opportunity to present its case.

Objection was made against the proposals under the proposed bill and counter propositions were advanced by the delegates. A number of the delegates who appeared before the Provincial Government to protest against increased taxation of insurance business also appeared last night before the committee.

The city committee was composed of Ald. Thompson, Ald. Goodspeed and Ald. Ross. The latter expressed the city's views in the matter. The committee will report to the Council.

The proposition of the City of Moncton to be allowed to assess income from real estate was rejected by the Municipalities Committee this morning which reported but one section of the Moncton bill to the House of Assembly. It is expected that a similar provision in the Fredericton Assessment Bill will fare no better.

British and French Parliaments Held All Night Sitzings

Were Engaged in a Discussion of Financial Matters—British M. P.'s Had Breakfast in the Commons Restaurant—Record Number of Members Had Remained on the Job Throughout the Night.

(Special to the Daily Mail by the British United Press)

LONDON, April 1—The House of Commons drowsily convened today after an all night session which established one record at least that both the French and British Parliaments sat through the night simultaneously engaged in debating finances.

Members wearily returned to the Commons a few minutes before 11 a. m. after hasty breakfasts in the Commons restaurant, where the sleepy M. P.'s were served the traditional ham, eggs and devilled marrow bones, always provided to assuage the discomfort of all night sittings.

A battalion of waiters and cooks were hurriedly summoned shortly after dawn, when the Commons commissariat realized that record number of M. P.'s had remained throughout the night. Usually not more than fifty sit through the dark hours but right up to recess at 9.30 a. m. there were never less than 100 members present.

TRAPPER WAS KILLED BY A GRIZZLY BEAR

Prince George, B. C., March 31—Tom Meany, a trapper on the north fork of the McGregor River, 75 miles northwest of here, was killed by a grizzly bear within a mile of his camp last Wednesday, according to information brought here by Jack Yarzeau the dead man's partner.

Yarzeau told the Provincial Police that Meany left camp last Wednesday to go over some traps and cut up the carcass of a moose previously killed. When he did not return Wednesday night, Yarzeau started to look for him. Within half an hour the body of Meany was found a short distance from the moose carcass. The face and top of the head were torn off. All around were tracks of a grizzly bear. Meany had been dead some time but his hand still had a firm grip upon his axe.

EGG DUTY MOTION WAS TALKED OUT

Ottawa, March 31—For over an hour today the House debated a motion by W. K. Esling, Conservative of Kootenay West, that Canada should impose a duty on United States eggs entering Canada equal to the duty imposed on Canadian eggs entering the United States. But the motion was "talked out." It was still under discussion when the House adjourned at 6 p. m. till April 6, and is unlikely to be reached again this season.

Adjourned for Judgment.

BLUE EYES SOMETIMES TURN GREEN

Washington, April 1—Clear blue eyes are the best, for they indicate health, in the opinion of Dr. J. D. Levine.

Babies and most animals are born with blue eyes, and the color changes because of some inherited trouble, he said in a lecture here.

The clear blue eye with a silken finish is an indication of perfect physical condition, he said, pointing out that sailors who live outdoors on meager diets, and the "old country" Irish and the Scandinavian peoples, who live healthy lives, are usually blue-eyed.

EXPLOITING A LEASED N. B. SALMON STREAM

It may be interesting to New Brunswickers in general to know that motion pictures of one of the famous salmon streams in the Dominion, namely the Restigouche, in the northern part of this province, are being featured all this week in the Capitol Theatre in New York City. The film is one sent out from the Motion Picture Bureau of the Dominion Government and is entitled "Where Salmon Leap." The picture is being shown by arrangement of Raymond S. Peck, director of the bureau.

SPUD MARKET IS SLUGGISH

Caribou, Me., March 31—The Aroostook potato market is rather sluggish with the demand light and few who have any potatoes to sell bringing them in, although offered all the way from \$7.50 to \$8.50 a barrel. The rising market is holding back shipments and growers expect much higher prices before the end of the season.

(Special cable to the Daily Mail by the British United Press.)

Tokio, April 1—Approximately 1,550,000 Japanese students between the ages of sixteen and twenty years began a course of military training today.

Each school and college in Japan henceforth will provide military instructions for its students. Starting at sixteen each boy will receive three hundred hours of instructions by the time he is twenty when his regular term with the colors as a conscript begins. These students who have shown a willingness to learn during their school period will then be rewarded by reduction of the conscription term, which is two years.

PORT ARTHUR WINNERS OF THE ALLAN CUP

Toronto, March 31—Port Arthur captured the Allan Cup, emblematic of the Canadian senior amateur hockey championship here tonight when as in the previous game on Toronto ice, they staged a brilliant last period rally to overcome a two-goal lead of the University of Toronto team and ultimately win the coveted trophy after 20 minutes of overtime play.

BOBBED HEADS THREATEN THE MAY FESTIVAL

Knutsford, Eng., April 1—Scarcity of unshorn maidens has threatened the continuity of Knutsford's 60 year old May festivals, the most picturesque in England, for the May Queen must have long hair. All but one of the aspirants for the honor appeared with either bobbed or shingled locks. The throne will go to the girl whose tresses never have been touched by scissors.

POTATOES UP AT SHEDIAC

Shediac, March 31—The Shediac district potato trade took a sharp spurt today, prices rising as high as \$5 a barrel, partly on news of higher prices in Maine and Montreal. Large shipments are being made from local warehouses. Arrivals limited but deliveries are being made from the country districts are still daily this week, better roads and prices favoring sellers. The trade is expected to be fairly active for two weeks as the new Southern States crop will probably reach the Cuban market by May 1 or soon thereafter.
