The Southern Portion of

MOMENTARY
PANIC CAUSED
Bricks Fell From the
Copings in Some
Places.

(Special to the Daily Mail by British
United Press)

Berlin, June 29—Slight earthquakes
shook southern Germany today, caus-
ing momentary panic in many centres.
No damage has been reported. Resi-
dents of Baden ran into the streets
when the shocks were felt in Brest-
lach. The people's fear was increased
by bricks falling from copings. In
neighborhood of Lake Constance pic-
tures were shaken from walls.

FARMER GOVT.
IS SUSTAINED
IN ALBERTA

Calgary, June 28—At 10.30 p. m. the
standing of the various parties in the
provincial election, including those
elected and others leading on first
count, is as follows:

Farmer, 41; Liberal, 10; Conserva-
tive, 5; Labor, 2; Independent, 1; Ind.
Labor, 1. Total, 60.

Calgary, June 28—The United
Farmers of Alberta will form the next
government in the province as a result
of the provincial elections today.

While counts under the preferential
system of voting were far from com-
plete early tonight, the Government
candidates are leading in so many
constituencies by large majorities that
it was conceded that the only doubtful
aspect remaining was the majority by
which the U. F. A. would rule in the
Sixth Legislature of the province.

The U. F. A. Government in an ex-
tremely active election campaign
stood on its record during its term of
office. Liberals and Conservatives con-
tested every constituency in the prov-
ince, three-cornered battles being the
rule in the rural constituencies, while
in Edmonton and Calgary there were
battles royal for the five city seats.

Premier Elected

Premier J. E. Brownlee and all
members of his Cabinet appeared to
have been elected with first counts
not all completed. Leaders of the
other parties also were in the lead.

Premier Brownlee had a good lead
in Ponoka. Hon. George Hoadley, Min-
ister of Agriculture, was elected in
Okotoks by a good majority. Hon. O.
L. McPherson, Speaker of the Legisla-
ture was elected in Little Bow; Hon.
V. M. Smith, Minister of Telephones
and Railways, was leading in Camrose
with his election assured; Hon. Perrin
Baker, Minister of Education, was well
in the lead in Cypress; Hon. R. G.
Reid, Minister of Municipalities, is
ahead in Vermillion, and Hon. Irene
Parlby, Minister without portfolio, and
one of the two women candidates
standing for election, is in the lead in
Lacombe.

A. A. McGillivray, Conservative
leader, was leading the poll in Calgary
on the first count, while J. T. Shaw,
Liberal leader, had a good majority on
the first count in Dow Valley.

There will be a large number of sec-
ond counts necessary under the voting
system and results in the majority of
constituencies will not be available
tonight.

Mrs. Nellie Melung, former Liberal
member for Edmonton was running
well up in the Calgary poll.

TRIED TO LEVY
STIFF TAX ON
BOBBED HEADS

Alderman Would Pro-
tect Ideal of German
Womanhood.

ANGRY DEBATE
IN COUNCIL

It Was Finally Decided
the Tax Was Uncon-
ditional.

(Special cable to the Daily Mail by the
British United Press)

Landau, Bavaria, June 29—Alderman
Siebesberger today sought to levy
a fifty mark tax on every newly bob-
bed head. Thus, explained the aldeman,
he would discourage the practice
of hobbing and "Protect the ideal of
German womanly beauty against the
mutilation of modern fashions."

There was angry debate in the town
council and finally the tax, which
would amount to about \$19 was re-
jected as unconstitutional.

WESTERN MAN

Ottawa, June 28—Daniel D. Reilly,
of High River, Alta. has been ap-
pointed to the Senate. He succeeds
the late Sir James Loughheed in the
Alberta vacancy. It is officially an-
nounced that the appointment al-
though only announced this afternoon
was made last week.

Senator Reilly is a prominent ranch-
er of the High River district. He has
a ranch adjoining the Prince of Wales
and is former president of the West-
ern Canada Stockman's Association.
He has been active in stock raising
for many years, and is a pioneer of
the district.

GRACE AN AID
TO DIGESTION

(Special to the Daily Mail by British
United Press)

Philadelphia, Pa., June 29—In ad-
dition to being an excellent religious
practice, the saying of grace before
meals is an aid to digestion, Dr. Gil-
bert Fitzpatrick, of Chicago, president
of the American Institute of Home
Pathy told the eighty-second annual
convention of the institute.

Family squabbles, business prob-
lems and other frictional distur-
bances tend to disrupt the progress of
digestion, Dr. Fitzpatrick said. In-
stead he advocated laughter and
cheer at meal times.

THE ALBERTA ELECTION.

Calgary, June 29—The latest re-
turns from the Alberta provincial elec-
tions give the standing of parties as
follows: Farmer 42, Liberals 9, Con-
servatives 5, Labor 3, Independents 1.

New York, June 28—"How to keep
the men on the farm is one of the
most serious questions before the
country today" said Miss M. Van
Rensselaer director of the college of
home economics at Cornell University
speaking at the National Farm School
Conference held here. But Miss Van
Rensselaer has a solution. "Find a
way to keep the girls on the farm and
you will have found a way to keep
the men of the farm!" she says.

EXCITEMENT AT THE
CAPITAL IS STILL AT
A VERY HIGH PITCH

Hon. Mr. Meighen to Undertake the Task of
Forming a New Administration—A General
Election Under New Government is Not Far
Distant—Sir Henry Drayton to Act as House
Leader.

OTTAWA, June 29—The hectic condition of
affairs at the Capital has not been greatly lessened
by the resignation of the King Government
and the acceptance of the task of forming a new
administration by Right Hon. Arthur Meighen,
leader of the Conservatives, who compose the
largest group in the House. The consensus of
opinion among the members of all three parties is
that there are stirring times ahead in political
circles with a general election in the offing.

His Excellency Lord Byng had planned to
leave for Toronto to say farewell to the people of
that city but has been compelled to delay his de-
parture because of the political crisis.

It is understood that when the House meets
this afternoon the members of the late Govern-
ment and their Liberal supporters will occupy the
seats to the left of the Speaker, while the Progres-
sive members will retain their present seats.

Sir Henry Drayton, the first lieutenant of the
Conservative Chieftain, will act as Government
leader, and is expected to make a statement set-
ting forth the plans of his party during the pres-
ent crisis.

PROF. CHARLES THOMAS SWAIN
GAVE EXCELLENT ADDRESS TO
N. B. TEACHERS' INSTITUTE

Large Audience Heard Him on the Subject
"Touching the Question of Literary Appreci-
ation"—Addresses of Welcome by Mayor
Clark, P. J. Hughes and Hon. C. D. Richards.

The New Brunswick Teachers' In-
stitute, Monday night heard from
Prof. Charles Swain Thomas of Har-
vard University's Graduate School
of Education, one of the finest ad-
dresses ever delivered in this city.

His subject was "Touching the
Question of Literary Appreciation".
The address was one which had to
be heard to be appreciated and the
audience filled the assembly
hall of the new High School. Prof
Swain is well known to New Brun-
swick teachers and his ability needed
little demonstration but if any were
needed it was received last night.

Welcomed by Mayor.

His Worship Mayor Clark on be-
half of the city welcomed the Insti-
tute. He extended an unlimited wel-
come to its members. Many were
not strangers. Many had memories
of canoeing on the Nashwaaksis,
picnics at Old Government House
and strolls in Lover's Lane. To them
the beauties of Fredericton were
well known. He took the opportunity
of welcoming them in the high pro-
fession to which they belonged. The
fact that the attendance was so
large was particularly pleasing to him.

During the evening there was
music by the Fredericton High
School orchestra also solos by Dr.
H. V. B. Bridges and Mrs. W. S.
Carter and a double ladies quartet.

The ladies in the chorus were:
Mrs. F. A. Good, Mrs. Allison

MacKay, Mrs. Bailey, Mrs. A. P.
Crocket, Mrs. H. Walker, Mrs. W.
A. MacLellan, Mrs. Harold Limer-
ick, Mrs. J. B. Dickson, Mrs. J.
Estey, Mrs. Cedric Cooper.

Welcomed By School Board.

P. J. Hughes delivered the ad-
dress of welcome on behalf of the
School Board. Dr. G. C. VanWart
chairman of the Board is out of
the city. Mr. Hughes eulogized the
teaching profession and remarked
upon the fact that statistics showed
that in the United States half of
the leaders who comprised the per-
cent of the population were college
graduates.

Hon. C. D. Richards.

Hon. C. D. Richards represented
the Premier Hon. J. B. M. Baxter
who was unable to be present. Hon.
Mr. Richards commented upon the
remarkable progress which had
been made in education in New
Brunswick in the past twenty-five
years. The Board of Education ap-
preciated most highly the services
rendered by the teachers.

Address of Prof. Swain.

Prof. Thomas in strikingly beau-
tiful English then dealt with the work
of the literary artist whose difficult
task was bringing the student into
coincident thinking and feeling with
the characters and times of which
he writes. How often did teachers
fail to impart and pupils fail to
receive that thorough understanding.

morning when he noticed a strange
man talking to his wife on a street
corner.

"Who are you, and why are you talk-
ing to my wife?" Johnson asked the
stranger.

"Your wife?" the stranger replied
"This is my wife."

Police interfered with the argu-
ment that followed and took all three
to headquarters, where Mrs. Johnson
admitted she was married to both
men and was held on a charge of big-
amy.

MR. FORKE
MAY ASSIST
WITH SUPPLY

Ottawa, June 28—"I see no reason
why we should not pass supply,"
said Robert Forke, Progressive leader,
today when asked if the Progressive
group would co-operate with a govern-
ment to pass estimates.

"Beyond that I can't say anything.
Our party met this afternoon for a
few minutes, but we want more light
on things before we take any definite
stand."

The Progressive party will hold a
caucus Tuesday morning to discuss
the situation.

Today's caucus mustered every Pro-
gressive member present in Ottawa.
At tomorrow's caucus there will be
one more absentee, however. W. J.
Ward, of Dauphin, will leave for home
tonight because of illness in his fam-
ily. Alfred Speakman, of Red Deer,
and A. R. Carmichael, of Vegreville,
are already in the west.

Unofficially it is stated that a ma-
jority of the Progressives at today's
caucus were opposed to an election
this year.

MR. MEIGHEN

tfolio including W. A. Black of Hal-
fax were also sworn in.

GREECE HAS
REGISTERED
A PROTEST

Objects to Turkish War-
ships Seizing Fish-
ing Boats.

OCCURRED IN
GREEK WATERS

Trouble is Feared Un-
less a Stop is Put
To It.

(Special to The Daily Mail by the
British United Press.)

Athens, June 29—Greece today
vigorously protested to Ankara ag-
ainst alleged seizure of Greek fishing
boats by Turkish warships. The
seizures are alleged to have taken
place in Greek waters of the Aegean
Sea near the Islands of Mictetele
and Chios. If the protest is not
heeded and some action taken to
put a stop to the seizures serious
trouble is threatened.

TIME THE AIR
WAS CLEARED
SAYS PREMIER

Saint John, June 29—New Brun-
swick leaders for Conservatives and
Liberals were asked for their views by
The Telegraph-Journal last evening on
the present political situation at Ot-
tawa. They follow:

Premier Baxter.

"It is obvious," Hon. Dr. Baxter
said, speaking for the Conservatives,
"that five sessions of Parliament have
been practically wasted by the anom-
alous position created by the interven-
tion of the Progressive party. It is
time the air was cleared by the for-
mation of a strong government which
undoubtedly would have a strong Op-
position."

"The late government was not the
choice of the people and the factious
assistance given it by that portion of
the Progressive party which followed
Robert Forke did not render it any
more representative of the people of
Canada as a whole. It was born in a
minority; it lived in a minority; and
it has died in a minority."

Hon. Dr. Foster.

When asked if he cared to com-
ment on the resignation of the King
Government, Hon. Dr. Walter E. Foster,
former Secretary of State in the
King Government, said: "No; I have
nothing to say."

HIGHER PRICES
FOR FOX PELTS
IN LONDON

Moncton, June 28—Prices for fox
pelts in the London market were
about 20 per cent. higher in the June
sale than in that which preceded it.
W. C. S. McClure, of Charlottetown
said here today on his return from
the Old Country where with Colonel
D. A. MacKinnon, ex-M. P. P. also of
Charlottetown they conducted a mar-
ket survey.

The sale had been scheduled origi-
nally for the early part of May but
had been postponed on account of the
strike. It had been thought at that
time that the market would be ruined
but it showed a marked stability and
in the case of good pelts had risen con-
siderably. In some cases furs which
had been marked £20 brought as high
as £30 and there were other advances
just as marked.
