

# BRITISH MOTOR CARS

**M**MORRIS-OXFORD and MORRIS-COWLEY Cars manufactured at Cowley, England by Morris-Motors Ltd., are the finest motoring value in the world. Economy durability and absolute reliability under all conditions have justly won them the highest reputation. Since last year a large number of these superior cars have been imported into Canada. Giving over thirty miles to a gallon of gasoline; built of the finest materials to last for years, they are able to satisfy all requirements of the most discriminating motorist.

*Buy British and be Proud of it*
