

The whole world knows Aspirin as an effective antidote for pain. But it's just as important to know that there is only one genuine Aspirin. The name Bayer is on every tablet, and on the box. If the name Bayer appears, it's genuine; and if it doesn't, it is not! Headaches are dispelled by Aspirin. So are colds, and the pain that goes with them; even neuralgia, neuritis, and rheumatism promptly relieved. Get Aspirin—at any drugstore—with proven directions.

**Physicians prescribe Aspirin;
it does NOT affect the heart**

Aspirin is the trade mark (registered in Canada) indicating Bayer Manufacture. While it is well known that Aspirin means Bayer manufacture, to assure the public against imitations, the Tablets will be stamped with their "Bayer Cross" trademark.

MOTHERS ADVISE OTHER MOTHERS

To Take Lydia E. Pinkham's Vegetable Compound

MRS. MCKEE
18 Laurier Ave., Toronto, Ontario

Toronto, Ont.—"I began taking Lydia E. Pinkham's Vegetable Compound for nerves and other troubles and I must say I felt different after the first dose. I have been told this

last six months that I look like twenty-five although the fact is that I am now forty-seven and have seven children. I have taken the Vegetable Compound regularly for some time now and sleep well, rise early and feel young."—MRS. MCKEE, 18 Laurier Ave., Toronto, Ontario.

A healthy mother will have a healthy child. For your baby's sake take Lydia E. Pinkham's Vegetable Compound.

Mother of Six

Vanessa, Ontario.—"I think Lydia E. Pinkham's Vegetable Compound is wonderful. I have had six children of which four are living and the youngest is a bonnie baby boy who weighs 23 pounds. I have taken your medicine before each of them was born and have certainly received great benefit from it. I urgently tell my friends to take it as I am sure they will receive the same help I did."—MRS. MILTON McMILLAN, Vanessa, Ontario.

Of Interest to the Women

WHAT SHE WEARS

A dignified black broadcloth two-piece suit, with broadtail trim gets a frivolous look from a big black velvet bow, on the left shoulder.

One of the season's smartest shoes is a russet calfskin pump intricately stitched with a chic little bow of the calfskin instead of a buckle.

The vogue for brown persists and some very attractive dresses made of brown transparent velvet are to be seen some plain and some lace trimmed.

A tan and brown printed velvet frock has a double collar that points down in the back and at both sides of a square front neck, made of yellow beige georgette over brown faille.

APPLE BUTTER

Wash, pare, quarter and core the apples, put into boiler and to each 1-4 peck of apples add three cups of cider and boil very slowly until the apples are all cooked up. To the above quantity add:

- 1 teaspoon ground cinnamon
- 1-4 teaspoon cloves
- 1 teaspoon salt
- 1-2 cup brown sugar

Boil or simmer very slowly, stirring very often until you have the right thickness. It should be quite thick and can be put in earthenware crock in cold place for later use. The amount of sugar is a matter of taste.

APPLE BUTTER WITHOUT SUGAR

- 1-2 peck apples
- 3 pints sweet cider
- 1 level teaspoon salt
- Cinnamon nutmeg or spice to taste

Wash, pare and core the apples; put into preserving kettle with cider and salt. Boil slowly stirring quite often. The time of boiling depends on the kind of apples used. Any apples can be used but some take longer to soften than others. It must boil slowly until thick and be stirred often. It must not separate. The salt is added when the apples are put on. The spices are a matter of taste and are not put in until the end. The apple butter will be dark in color from long cooking. Put into sterilized jars or crock and seal.

APPLE JELLY

Wash apples, cut in half, remove the stem and blossom, but not the core. Put into preserving kettle add cold water enough just to cover; boil slowly until apples are tender and break apart. Put into jelly bag and let hang over night. To each cup of juice add one cup of sugar which has been heated. Boil 10 to 12 minutes. Pour into glasses and let stand in warm place 24 hours. Put on covers and set in dark place.

Simple Way to Be Rid of Gas

PEOPLE who belch after eating may not realize that the cause is excessive gastric acid. Or may not have been told how easily this may be remedied. Quick and complete relief can be obtained by taking a little "Pape's Diapepsin" after eating or when pain is felt. Remember this for your comfort, and lest that constant gas on the stomach does not drift into gastritis!

"Pape's Diapepsin" instantly neutralizes the excess stomach acid and soothes, heals and strengthens the inflamed stomach lining, thus promoting normal, painless digestion and helping to prevent future trouble.

For many years millions have used and recommended "Pape's Diapepsin" for the speedy and sure relief of indigestion and allied stomach troubles. Follow their example! Get a 60-cent package of "Pape's Diapepsin" from any druggist; no matter how severe your stomach troubles you will get relief.

"Lives of octopi remind us
If we had eight hands and able
We would not get hot box elbows
Passing eats around the table."
—Judd Lewis in Houston Post-Dispatch.

"Lines of columnists in rural
Texas scenes remind us thus:
'Octopi' is not the plural
Number of the octopus."
—Ted Robinson in Cleveland Plain Dealer.

Maybe 'tisn't, but if 'tisn't
Judd, you tell that Cleveland bird
Whether 'tis or if it isn't
Still it's one darn classy word.
