

City Will Put a Team in The N. B. Hockey League

Decision Reached Last Night at First Hockey Meeting of Season—Dr. Chas. McKay Elected President of Club—Delegate to St. John on Friday — City Will be Weak in Player Strength—Few Left.

The Fredericton City hockey club held its yearly reorganization meeting last evening at the Arctic Rink with a large attendance of hockey players, fans and officials and considerable business was done. The first step taken was to put at rest all fears of the local club not putting a team in the southern section of the New Brunswick hockey league. To this end, a delegate was nominated, namely Dr. Charles MacKay, to attend the general meeting which is being held at St. John on Friday night and at which delegates from Moncton, Sussex, St. John, the three other teams in the league will be present.

Officers for Year
Officers for the coming hockey season were elected at last night's meeting and are as follows: Honorary president, C. K. Palmer; president, Dr. Charles MacKay; vice-president, William Markey; secretary, Ronald Armstrong; treasurer, C. F. Tilley. "Tart" Titus was elected manager of the team, and it is probably that this veteran goal tender will also be available for the net position also.

Question of Players
The question of player strength came up at the meeting and quite a discussion followed. It was learned that "Si" Keenan and "Kato" Keen, two of last year's mainstays of the forward line do not intend to play senior hockey this winter. They themselves intimated that they will confine all their athletic activities to the U. N. B. team and will not take part in any city hockey this coming winter. This decision if rigidly followed, will cause a severe handicap to the locals' chances in the southern section as the other clubs are composed of seasoned veterans. The majority of these southern clubs have been further strengthened for the coming season by outside players. Hickson and Young, last year's goalers for the city club are not at present residing in the city and this will also be a heavy loss to the defensive play of the team.

May Turn Out
Much optimism was felt by the officials that younger players could be broken in this winter to fill the places of those who will not be in harness this winter. Among those mentioned for the team are: Nick Neill, Buck Miles, Percy Staples, John Neill, Jack Love, Duke Delong, George Clark, Tart Titus and outstanding members of the local commercial loop. Though the prospects

do not look altogether cheering, some of these players may turn out to be good material with plenty of practice. Another player who has been mentioned for the team is Rev. M. H. Mason, pastor of the George Street Baptist church, who has announced his intention of doing everything possible to aid in rounding out a good hockey machine for the N. B. league. Rev. Mr. Mason formerly played with Acadia University, having starred at the centre position. Charlie Wade, last year's defence man is not sure whether he will be able to play this year or not.

COAST LEAGUE BOOMS AGAIN

Vancouver, B. C., Nov. 21—After an absence of two years on the Pacific Coast professional ice hockey has come into its own again when Frank Patrick's newly organized Pacific Coast Hockey League inaugurates an eighteen week playing season. At the Arena here Vancouver Lions and Victoria oppose each other in the initial encounter.

Four games will be played each week until the season ends March 22, Mondays at Vancouver, Tuesday at Victoria, Thursday at Portland and Friday at Seattle. The two clubs standing highest will play off for the league championship. If the club standing third finishes the season within five points of the second club the two teams will play an elimination series.

All four teams are composed largely of players secured for the most part from clubs in Western Canada.

TAYLOR WON

Saskatoon, Nov. 21—Jack Taylor, claimant of the heavyweight wrestling championship of the British Empire, defeated John Katan of Lethbridge, two falls out of three, here Saturday night. Taylor won the first fall in 25 minutes; Katan the second in 15 minutes and Taylor the deciding fall of the match in nine minutes. Only a small crowd witnessed the match.

N. H. L. RESULTS

The following in the N. H. L. hockey results:—
Ottawa 4, Toronto 1.
Montreal 1, Rangers 0.
Canadiens 1, Boston 0.
Pittsburgh 2, Chicago 0.

CARNEGIE SHOW CLASS IN WIN OVER NOTRE DAME

New York, Nov. 21—The paeans of praise today in the college football campaign belongs to the rock ribbed forces of Carnegie undefeated gridiron product of the part time coaching system of a Chicago judge and one time all American quarter back, Walter Steffen.

In trouncing the Notre Dame team that had humbled the Army and doing it on the Hoosier's own field the Tartans from Pittsburgh removed any lingering doubts about their class, power and resourcefulness in one of the greatest victories of this spectacular season.

Carnegie does not occupy the unbeaten spotlight alone. Reading from left to right the picture of those in the ultra select group shows the Tartans lined up with Georgia, Tech, Florida, Tennessee, Detroit, Ohio Wesleyan and Boston College. All have a hand in the debate to some extent.

Carnegie's seventh straight triumph featured a day of gridiron thrills, a series of battles in the rain, snow and balmy sunshine in which other main developments were the clean-cut victory of Princeton's Tiger's over Yale in the big eastern classic the end of West Virginia's seven-game winning streak at the hands of Georgetown and the ousting of Iowa and Southern Methodist from the respective leaderships of the Big Ten and southwestern conference leaderships. There were fresh shocks to the "dope" and the experts but on the whole the pace setters had a pretty good day.

DICK PORTER WILL BE GREAT AID TO INDIANS

Baltimore, Md., Nov. 21—The most important early winter baseball transaction of the year has been announced by Charles H. Knapp, president of the Baltimore Orioles.

Dick Porter, slugging outfielder of the Birds has been sold to the Cleveland Indians of the American League for a total of \$40,000 made up of \$30,000 in cash, and two players yet to be named and rated as worth \$5,000 each.

It is further provided that in case the players turned over by Cleveland next spring are unsatisfactory to the Orioles they can be sent back to the Indians and their cash equivalent obtained.

Makes Good Purchase

Billy Evans, former noted umpire and now executive manager of the Indians, made the trip to Baltimore early in the week and held a conference with Knapp.

Evans declared that his scouts had reported that Porter was ripe for the majors a good outfielder and a batter who should hit well above .300 under the big tent.

Terms were then talked between Evans and Knapp and the transaction closed when Knapp agreed on the figures mentioned above.

In obtaining Porter the Indians not only secure a heavy portside slugger but a colorful player as well.

Porter has one of the most peculiar batting style in baseball "buggy-whipping" the ball, but with splendid success.

INDIANS STRENGTHEN

San Francisco, Cal., Nov. 20—Billy Evans, general manager of the Cleveland American Baseball Club, was here today admittedly sounding out the management of the San Francisco Seals with view to purchasing Snead Jolley and Earl Averill, hard hitting Seal outfielders.

Jolley led the Pacific Coast League in batting and home run hitting during the season just closed and Averill was well up in the hitting column.

Mr. Terhune says: "A dog fills an empty place in the average man's life." But not as a regular diet.

LOTS OF KICK IN BEER UNDER PROHIBITION

Statistics of the brewing industry in Canada for the year 1927, just issued by the Dominion Bureau of Statistics, show two breweries operated in New Brunswick and two in Nova Scotia.

The principal statistics of the brewing industry show that the number of establishments reporting for 1927 was 73 as compared with 63 in 1926 and that the capital invested in the industry in 1927 amounted to \$62,358,117, as compared with \$53,893,942 in 1926, an increase of \$8,464,175 during the year. Further it is shown that \$1,996,084, was paid out in salaries to employees in 1927, and the sum of \$4,440,636 was paid out in wages, while the industry used fuel and electricity costing \$804,111 and utilized materials costing \$17,471,299. The gross value of products was \$51,528,024, an increase of almost \$8,000,000 over the previous year, and the net value of products for 1927 was \$34,056,725, an increase of almost \$5,000,000 over the previous year.

The statistics for 1927 for the Maritime Provinces show that beer "under full strength" was in little demand in the Maritime Provinces, despite the fact that prohibition was then in effect throughout the three provinces. The statistics show that the breweries in the Maritime Provinces in 1927 produced 58,235 gallons of beer and ale, etc in barrels (full strength) valued at \$53,662 and 372,948 gallons of beer and ale, etc. in bottles (full strength), valued at \$587,864. The breweries in the Maritime Provinces produced no beer and ale in barrels of the "under full strength" variety, while the quantity of "under full strength" beer and ale produced in bottles was very limited, being only 18,447 gallons valued at \$21,001.

A Big Investment.

The report shows a total of \$1,025,870 invested in the brewing industry in the Maritime Provinces, and that the total amount paid out by the four brewing industries in the Maritime Provinces in salaries and wages to the 88 male and 5 female employees during 1927 was \$135,771, while the value of materials used by the four brewing industries in the Maritime Provinces in 1927 was \$287,719, the principal amounts being \$134,806 for bottles purchased, and \$89,624 for Canadian malt purchase.

The statistical report further shows that over 99 per cent of the quantity of ale, beer and porter produced in Canada and exported during 1927 had its destination in the United States, the actual quantity of ale, beer and porter exported from Canada to the United States during 1927 being 3,888,815 gallons, valued at \$5,455,841, of the total exports of the Dominion of 3,916,163 gallons valued at \$5,481,707.

HUNTER MADE RECORD DAY BAG IN QUEBEC

Montreal, Nov. 14—What will probably stand for some time as a record day's bag for a hunter and fisherman in Canada was secured by Harry S. Sauer, Philadelphia big game hunter in the Lake Edward district of Quebec. According to a report reaching C. K. Howard Manager of the Tourist and Convention Bureau of the Canadian Railways from G. K. Rowley, who outfitted Mr. Sauer, this gentleman left camp eight o'clock in the morning for a day's hunting and fishing. On his way up the Rat River he shot a fly into one of the pools and landed a 6 3/4 pound speckled trout; about ten o'clock on the same morning he shot one of the largest black bears which had ever been taken in the territory, and continuing his hunt, at about 4.00 o'clock in the afternoon he brought down a fine bull moose with a 56 inch spread of antlers. Mr. Sauer was accompanied by his wife, who also secured a fine bear during her visit to the territory. The bag secured by Mr. Sauer is considered to be a record for one day's hunting and fishing which will stand for some time.

A medical publicist says root beer will disguise the taste of cod liver oil, but the Veteran Rounder says it would be o. k. with him if it were vice versa.
