

**Her Baby Wakes up Laughing and Cooing**

"I started using Eagle Brand for my five months old baby two months ago. Now she wakes up laughing and cooing and is more than satisfied. No more getting up nights, as she gets only one bottle, going to bed, and no more till 7 a.m. She won a third prize at a recent baby show and I know Eagle Brand helped her to win. She weighed 6 lbs. at birth but is now over 13 lbs. If any mother would like me to tell her about Eagle Brand I would be pleased to do so. I only wish I had known about it sooner as it cannot be too highly recommended."

## WHAT OF CHRISTMAS?

What does Christmas mean my friend it's the call to give or lend all of self for those we love thus a blessing try to prove.

What does Christmas bring to you? Opportunity to do: Share another's heavy load; Lead the helpless back to God.

What does Christmas give to one? Clearer sky and brighter sun Hearts diffuse a radiant glow If we ease another's woe.

Christmas is the day of joy Do your part in love's employ; Largess of the Father's love Earth attuned with Heaven above.

In the blessed Christ-child's birth Peace and joy were sent to earth What does Christmas mean, my friend?

It's when Earth and Heaven blend. —EDWIN M. ABBOTT in Philadelphia Inquirer.

## CHRISTMAS

Time when all the world seems kinder When to other's faults we're blinder When those dear to us are dearer Bring Heaven closer, nearer; Time for mirth and glee and gladness When all's joy, forgetting sadness When our thoughts are turned to giving, Peace on earth and joyful living; Time for rapturous rejoicing When our tongues their thanks are voicing, When our hearts to God are turning With a love that's deep and burning For the priceless gift He gave Jesus Christ, who came to save. —WILLIAM H. BARTLEMAN in Philadelphia Inquirer.

One thing the average man detests is to have another man's morals forced on him. One man's morals is another man's poison.

## NOWADAYS YOU PRESS A BUTTON

Or perhaps a switch, or some little gadget, and a lot of things happen around home that lighten labor and banish trouble.

A Whirling Fan brings a cooling breeze, and a little copper, dish-like affair throws out a sizzling blast that warms the room in no time.

Another button boils coffee, toasts bread and cooks waffles. Another does a better job than a broom. Another makes a happy laundress out of a dismal washwoman. Another one cools the ice-box. Another—but why go on?

Labor and time saving devices have come and are today within the reach of the humblest home.

And one of the chief reasons why they have come and why they are within the reach of the humblest home is the power of advertising.

Advertising has carried the news of these better ways of doing things to every home. It has created a desire to possess them, and countless thousands have purchased them, and live better because of them.

Reading advertising not only tells you about new, helpful mechanical devices for the home, but it is an unfailing guide to reliable products.

READ ADVERTISING REGULARLY. IT POINTS THE WAY TO BETTER LIVING.
