YANKS SIGN TWO MORE KIDS FOR COMING YEAR

Eiseman, Star Receiver of Syracuse and Moore Brother of Famous Wilcy, Added to the List.

New York, Feb. 16—The New York Yankees added two more youngsters to their roster today—for 1928 delivery. The newcomers are Bill Eiseman, star catcher of the Syracuse University team last year, and Nick Moore, right-handed pitcher and brother of the renowned Wilcy Moore. Both will report at St. Petersburg with the first squad.

Signed on the recommendation of his brother, Nick Moore has been twirling semipro ball in Texas and Oklahoma, where he is said to have been performing as sensationally as Wilcy did in the obscurity of the "Sally" League in 1926.

Eisemann has been one of the outstanding college catchers for several years, and nearly every club in both major leagues has been reported as bidding for him. He is the second of last year's Syracuse aggregation to join the Yankee and the third to sign a major league contract.

Vic Hanson, captain and star second baseman of the team, signed with the Yankees some time ago, and will report after the basketball season is over. Jonah Goldman, the shortstop, was also reported to have been sought by the Yankees but signed with Cleveland.

WALYAND DEAN TRADED

Chicago, Feb. 15—Wayland Dean, Chicago Cubs pitcher, has been traded to Louisville of the American Association for Ed Holley, Louisville hurler.

Dean was traded to the Cubs last season by the Philadelphia Nationals, but refused to play, leaving the club during the Eastern tour. He was reinstated recently by Baseball Commissioner Landis.

PIRATES SIGNED

Pittsburg, Feb. 15—All the members of the Pittsburg Pirates, including pitcher Burleigh Grimes, have written their names on dotted line, said an announcement today by the Pirate management. Grimes, who was obtained from the New York Giants last Saturday in a trade for pitcher Vls Aldridge, came to Pittsburg today from his home at Minerva, O., and put his name on one of the documents.

The first squad of the National League champions—the batterymen—will leave Thursday for the Pasco Robles, Calif., training camp.

Devon Cops York County Hockey Championship

Defeated Marysville last Night 4 to 1—U. N. B. Trims Fredericton 4 to 2—Final Games Witnessed Last Evening.

The final games of the York County hockey league were played last evening at the Arctic Rink when the Devon Tigers proved themselves decisive winners by virtue of a 4-1 defeat handed to the Marysville sextet and the University squad set the Fredericton outfit back by the score of 4 to 2 in the other half of the double bill. This ends the league with the Devon Tigers eligible winners of both sections. U. N. B. were barred as winners and merely entered for the practice the league afforded and to balance the schedule.

Tigers Look Best.

The Tigers have shown supremacy throughout the schedule by reason of their superior teamwork, weight and aggressiveness. Commencing with "Tart" Titus in the Tiger cage, Devon has a team of seasoned players, all have seen plenty of action. Nick Neill and Buck Miles as well as Malloy have played on on the Fredericton High School teams, Neil also played with the Capitol team. John and Percy Staples, those burly and aggressive members of the squad have been mainstays on the team for the past several seasons. Gulliver and Love also have been with the team in past seasons; while Titus was playing hockey probably before his fellow mates were able to hold a hockey stick. And strange to say he is still kicking them out in grand style.

A playoff will probably be necessary between Devon and a St. John club for the Intermediate championship.

Last Night's Game.

Buck Miles tricky winger of the Tigers secured two of Devon's counters on his fast corner shots while Staples and Nick Neill copped the other pair in their win over Marysville last night. The Marysville team showed improved form and young Arnold who secured their lone tally looks like a comer.

WET WEATHER 2-YEAR OLD TROT STAKE THIS YEAR

Syracuse, N. Y., Feb. 16—The Wet Weather two-year-old trotting stake again will be a feature event on the Grand Circuit program, at the New York State Fair here, Aug. 27-31. It has a guaranteed value of \$10,000, \$8,000 being set aside for the main division and \$2,000 for the consolation.

Entries close Wednesday, Feb. 22. Last year, the fixture was worth \$17,175 and it is likely to reach \$20,000 this season.

Seattle, Feb. 16—In February, 1914, a first class mink pelt here was worth \$5. This month mink pelts sold on the Seattle Fur Exchange at \$33.25 each, with an average price, which included small and inferiors, of \$16.50. Other furs have shown a tendency to ascend in price, and trappers in the Northwest are reaping small fortunes from their traps. Mink, otter, marten and foxes were attracting buyers from all parts of the world.

At the next auction this spring the local exchange will offer a collection of freshly caught furs worth more than \$1,000,000, at which time the National Fur Convention meets at the new city auditorium, with expert fur buyers from every large city in the world in attendance.

BATHURST WINS NORTHERN FINAL 8-2 LAST NIGHT

Bathurst, Feb. 16—The 1928 championship pennant of the Northern Section of the N. B. Hockey League is still flying over the Bathurst Arena and the handsome cup donated by Mrs. Angus McLean for sectional winners, will remain in the Paper Town for another year because of the locals' victory tonight by a score 8-2 over Chatham places that at the head of this division.

Bathurst easily won the first section but the second section made the fans sit up and take notice when the Chatham squad of youngsters from the Miramichi went into a tie with the locals and caused a play-off for leadership. Chatham took the ice tonight with a one goal lead having won the first of the home series by a 2 to 1 score.

There was a large crowd of Chatham rooters to follow the team into the Bathurst camp and from the face off they urged the team to play with the same fighting spirit that has made them worthy opponents in the second series race.

OLYMPIC GAMES CONTINUE IN SWITZERLAND

Irving Joffie Crossed as Winner of 10,000 Meter Race—Thunberg Captures 1500 Metres.

St. Moritz, Switzerland, Feb. 16—A day of dickering and dispute ended tonight with the crowning of the United States' first champion of the 1928 Olympic games.

The honor fell to Irving Jaffee, of New York, who was officially recognized as 10,000 metres speed skating champion by the executive committee of the international Olympic committee.

The commission's action came after Augustus T. Kirby, official representative of the United States, had protested cancellation of the race because of the soggy condition of the ice at a time when six of the contestants already had completed their heats.

The furore over the 10,000 metres event came after Clas Thunberg, of Finland, had captured the 1,500 metres race, the only other event on the skating program today.

SPORT BRIEFS

Few rushes from the ruck to a contending position in any sport field have ever equalled the spurt in which the once lowly Pirates of the National Hockey League are now engaged. Their work recalls that of the 1914 Braves.

The Pittsburg entry on Jan 16 was next to last in its division, 11 points behind the third place Detroit team, having just shaken off the bewildered and battered Blackhawks. Now the Smoky City boys are right in the fight for a place in the division playoff.

Saranac Lake, N. Y., Feb. 15—More than 100 crack speed skaters of the United States and Canada gathered here last night for the Adirondack Gold Cup amateur outdoor speed skating tournament which starts Wednesday, on the famous Pontiac rink.

A tournament will last through Saturday with the last two days events shifting to Lake Placid.

WALKER AND MONDELL WILL RISK TITLES

To Fight in Chicago this Summer—McLarnin Will Meet Sammy and Walker will Mix with Ace Hudkins.

Chicago, Feb. 15—Two boxing champions—Mickey Walker and Sammy Mandell—facing suspension by National Boxing Association because refusal to fight outstanding challengers, today decided to risk their titles during the summer season.

After signing Mandell to defend his world's lightweight championship title against Jimmy McLarnin, Promoter Jim Mullen announced he had come to terms with Walker, the middleweight titleholder, for a championship contest in July.

Mullen set June 21 as the date for the Mandell-McLarnin fight. It will be 10 rounds at the lightweight limit of 135 pounds. It will be held in the White Sox Ball Park, scene of Mandell's triumph over Rocky Kansas for the title a year ago last July.

Jack Kearns, Walker's manager, agreed to have the middleweight ruler meet Ace Hudkins, Joe Anderson, or any other outstanding challenger in a title contest in the White Sox Park, July 26.

The Illinois State Athletic Commission, meeting today, approved the Mandell-McLarnin battle. The commission also granted a referee's license to Eddie Purdy, a former Chicagoan, who for several years officiated in New York, refereeing more than 20 world championship matches.

WHY IS THIS WRONG?

It is unwise to guess the weight of a letter to determine the amount of postage required. Such guessing often results in "Postage Due," which may cause delay in delivery, and, in the case of business letters, often results in a dissatisfied customer.

Removes Warts

"ENGLISHWOMAN" writes to the Montreal Star:

"I read a letter in your paper asking for a remedy for warts, and as I found one that took an ugly one off the side of my forehead I will give it to you. I had a bottle of Minard's Liniment in the house that I use for rheumatism, and casually reading directions I saw it was a good thing for corns and warts, so being so simple I tried it. Just dab it on with the cork two or three times a day letting it dry on. Well it all went away in about two weeks, dried up and came off by degrees.

"Another also appeared on my cheek not so large, but I applied the same remedy and could pick it off like the other."
