

# ASPIRIN

The whole world knows Aspirin as an effective antidote for pain. But it's just as important to know that there is only one genuine Aspirin. The name Bayer is on every tablet, and on the box. If the name Bayer appears, it's genuine; and if it doesn't, it is not! Headaches are dispelled by Aspirin. So are colds, and the pain that goes with them; even neuralgia, neuritis, and rheumatism promptly relieved. Get Aspirin—at any drugstore—with proven directions.

**Physicians prescribe Aspirin;  
it does NOT affect the heart**

Aspirin is the trade mark (registered in Canada) indicating Bayer Manufacture. While it is well known that Aspirin means Bayer manufacture, to assure the public against imitations, the Tablets will be stamped with their "Bayer Cross" trademark.

### AUTUMN

Here and there a bright leaf flushes  
Woodbine reddens, sumac blushes  
Little flappers of the wood  
They are gay, but they are good  
Ah, Dame Nature in the autumn  
Whispers love words and they've  
caught 'em.

## Give freely

**When your  
Children Cry  
for It**

Mothers, who take one simple precaution, are seldom worried. With a bottle of Fletcher's Castoria in the house they can do what their doctor would tell them to do, when baby is fretful, feverish, colicky, constipated or stuffed-up with cold—give a few doses of this pure vegetable, pleasant-tasting preparation. It comforts baby and soothes him to sleep in a jiffy. It's perfectly safe for the youngest infant. Use it freely—and as often as needed, specialists advise. A more liberal dose is all it takes to comfort and relieve older children, when feverishness, bad breath, no appetite, colds, etc., show they need a good purging. The mark of genuine Castoria is the Fletcher signature on the wrapper. Look for it to avoid imitations.

### New Hair Mode from Broadway

"Everyone admires my hair, now that I'm doing it the new way that nearly every really smart girl I know is using," says Miss Agnes Trane, popular dancer, now appearing in the Broadway hit, "Rio Rita." "My hair doesn't need shampooing more than once a month, now. My scalp feels better than it ever has felt. I have gotten rid of all my dandruff. My hair is much easier to arrange, and it stays that way. All I do to keep it like this is put a few dashes of Danderine on my brush every time I use it. It's wonderful how Danderine adds to the beauty of your hair, makes it look so silky and lustrous."

Danderine is not oily. It removes the oily film from each strand of hair and restores the natural color and lustre. It dissolves dandruff, cleanses and invigorates the scalp. It is delightfully fragrant. The big bottles are just 35c at all drug stores. Beautiful, smooth, gleaming hair and a healthy scalp for a few cents.

Her Father—But you admit that you play often at Monte Carlo.

Her Suitor—Yes sir and I make a good deal of money at it.

"I can hardly believe it. What do you play—roulette?"

"No sir, the saxophone."

Every editor an expert. The departments of the Family Herald and Weekly Star, Montreal, are all headed by men of practical experience and nationwide fame—that's why it's first in public esteem. The subscription price is only \$1 a year or three years for \$2.
