

HOLIDAY PASSED QUIETLY IN THE CAPITAL CITY

No Festivities Held in
Conjunction with La-
bor Day Holiday —
Many Motored to St.
John Exhibition.

Labor Day, the statutory holiday set apart for the special benefit of the working man, was celebrated very quietly in this city. There were no festivities of any kind in the city yesterday and the majority of the citizens owning automobiles utilized them to get out into the country to spend the day. A number of private picnics were held and one church picnic. The St. Margaret's Anglican church of Victoria Mills held their usual picnic on the grounds attached to Mrs. Ketchum's home at the Mills.

The Saint John Exhibition which commenced yesterday attracted many from this city. Numerous cars made the trip during the day, returning later in the evening to this city. The Normal School students arrived in large numbers here yesterday ready for the opening of the school year today. Truckmen were kept busy throughout the entire day transporting trunks and paraphernalia to the various rooming houses of the new students.

Reference was made to the Labor Day holiday and its meaning by the pastors of the various churches of the city on Sunday. Several dwelt on the history of the annual observance of this day, its worth to mankind and the intent of its establishment as a public holiday. Large congregations attended these services.

Although the stores in the city opened for a little while in the morning practically all were closed before the noon hour and remained closed during the rest of the day.

CITY AFFAIRS

Government Meeting.
The monthly meeting of the Provincial Government will be held in this city tomorrow evening and Wednesday. It is said that some matters of considerable importance will engage attention.

Conclude Jubilee.
The final services of the Diamond Jubilee of Christ Church Cathedral were held Sunday. In the morning the speaker was Rev. C. Gordon Lawrence, rector of Trinity Church, Saint John. A large audience listened to the sermon and to specially selected music. Rev. Canon Shatford, M. A., D. C. L., O. B. F., of Montreal, who preached the jubilee sermon last Friday night was the preacher Sunday evening.

Removed to the West.
Ex-Warden M. B. McNally, accompanied by Mrs. McNally and their daughter, Miss Jenny McNally left on Saturday evening for Edmonton, where they will make their future home. Some time ago Mr. McNally disposed of his property on Aberdeen street. His only son, Mr. G. Fred McNally is connected with the Department of Education and resides in Alberta. In the departure of Mr. McNally, Fredericton loses a most worthy citizen, one who is held in high esteem by a large circle of acquaintances.

F. H. S. Practice
The Fredericton High School football aspirants under the direction of Coach Egbert Cass underwent a strenuous practice on the afternoon of the holiday at Queen's Square. Approximately 30 players appeared in uniform and Coach Cass put them through dribbling practice, kicking, tackling, etc. Following this a fifteen minute scrimmage was indulged in the coach picking two teams from the candidates. From their second workout it begins to look as if the Yellow and Black will again turn out a team fit to compete with the best in the Maritimes as has been the case during the past many years. The squad will now get down to real hard work and practice is scheduled for every evening immediately after school hours.

ATTEMPT MADE TO BLOW UP HOMES OF PROV. POLICE

Prov. Constables Peters
and Aubie escaped In-
jury When Verandas
Dynamited Last night
at Edmundston.

A partially unsuccessful attempt was made to blow up the homes of two provincial police constables at Edmundston at an early hour this morning, according to word received from Captain E. C. P. S. I. at the Provincial police headquarters in this city. The attempt was made at one o'clock this morning by parties unknown and considerable damage was done to the homes of both constables as a result. Fortunately the charge of dynamite was not heavy and the damage lighter than at first supposed. The result of the explosion was that the verandas of both homes were blown off and damage done to nearby houses. No one was injured although the casualties might have been real serious but for the time of night. The two constables Peters and Aubie of the Edmundston detachment, immediately investigated but no traces could be found of

MARITIMERS HAD FINE TIME IN TORONTO

Motored to Niagara on
Sunday as the Guests
of the Ontario Govt.—
Entertained at Mon-
treal Yesterday.

After four very delightful days of sight seeing in Toronto during which time they were the guests of the Maritime Provinces Association, Lieutenant Governor Todd, Premier Baxter and other members of the New Brunswick Contingent returned home today. "It was a wonderful trip, the Premier told the Mail and was thoroughly enjoyed by all. "The members of the Maritime Provinces Association living in Toronto, who conceived the plan and carried it out in such an efficient manner are deserving of the highest praise. I am sure that good will result from it and that there will be closer co-operation in future between the Maritimes and the upper provinces."

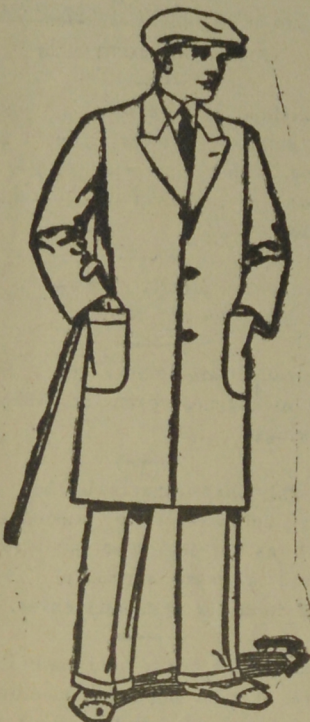

Committee Named
At a meeting of the Maritimers at Hart House on Saturday morning a committee of three members from each maritime province was ap-
