

IMPERIALS
AGAIN DOUBTFUL
WINNERS

Imps Are at Least Tied by 6 to 3 Victory Over Devon Last Night at Queen's Square—Devon's Early Lead Overcome by Timely Hitting.

The Fredericton Imperials evened things up in the York County play-off series by a 6-3 victory over Devon in 5 innings at the Queen's Square diamond last night. Each team has now won 2 and one more game will be played this evening to decide the series and declare a provincial play-off entrant. One of the largest crowds of the season attended last night's game.

Devon opened the scoring in the second and by clean hitting produced two runs. Another in the third gave the visitors the commanding lead of 3 runs to none. But the Imps characteristically, started the ball rolling in their half of the third. Hits by Cain, Thompson and Kierstead and slow fielding by Devon allowed four tallies to tickle over giving the Imps a one run lead. The Imps strengthened their lead in the fourth when they secured two more markers.

Eddie Dinsmore hurled good ball for the locals and was touched for only 5 hits; three of them being bunched in the second. "Johns" Keene experienced difficulty on the slab the local hitters lining out 9 hits. Murray Kierstead and "Snap" Thompson each got a pair; one of latter's was a triple sending in a run.

H. Keene whiffed 5 batters and Dinsmore 1. Bill Rutter, Imp short-stop handled six chances without error. "Kato" Keene made 2 put-outs and three assists without error at the second sack for Devon.

Following is the box score and summary:—

AN IMPORTANT INDUSTRY

The pulp and paper industry is the most important manufacturing industry in Canada; heading the lists in 1926 for gross and net value of manufactured products as well as for distribution of wages and salaries. In total capital invested the industry is second only to electric light and power plants and in total number of employees it is second only to saw-mills.

BANFF AN ALL-YEAR RESORT

Banff, Alberta, is a mecca of holiday seekers in both summer and winter. During the summer months visitors may enjoy practically every outdoor recreation. Each winter a carnival is held which is attracting an increasing number of visitors annually, and it is predicted that Banff will soon be a world-famous winter resort.

CONDENSED MILK.

Within recent years there has been a large increase in the production of condensed milk. The first milk condensing plant was established at Truro Nova Scotia, in 1883, and there are now in Canada 26 plants for the manufacture of condensed and evaporated milk and milk powder.
