Sturbridge, Mass., June 29—With \$8,800 in purse money to shoot at, many of the country's star reinsmen will perform at the second meeting of the Bay State Circuit here Thursday, Friday and Saturday. All the fast horses that took part in the opening festival at Greenfield, Mass. last week will be seen in action.

Lexington, Ky., June 29—The first "new" 2.10 trotter of the 1928 season is the three-year-old Guy Abbe, owned by the Calumet Farm of Lexington. With the veteran Dick McMahon in the sulky, the colt circled the Kentucky Trotting Horse Breeders' Association track in 2.08 1/4 at a record meeting. He was sent to beat 2.17 1/2.

Guy Abbe is entered in all the futurities including the \$70,000 Hambletonian the week of Aug. 27 at Syracuse, N. Y. He is a son of Guy Axworthy, the sire of four two minute trotters.

Goshen, N. Y., June 29—Fireglow 2.04 holder of the world record for two year old trotting colts is showing good progress in preparation for his series of rich engagements in the three year old trotting futurities. The colt, who is favorite for the \$70,000 Hambletonian at Syracuse the week of Aug. 27, has shown a quarter in 31 1/2 seconds at the end of a 2.20 trip.

# LOUGHRAN WON DECISION OVER A. EMANUEL

New York, June 28—To the accompaniment of the booes of six thousand of the faithful, Tommy Loughran, far from his best speed and condition, outpointed Armand Emanuel bronzed young battler from San Francisco in a ten round scrap tonight that left the 175 pound title in the locker of the New York Athletic Commission for safe keeping. The slim crowd scattered through the massive arena not only failed to take kindly to the match itself, the decision and the antics of the boxers, but also showed its displeasure throughout at the idea of the champion forcing the little Jewish youngster into the ring over the class poundage. Emanuel was forced to drink three glasses of water before weighing in order to scale 175 1-4 pounds and make the go a non-title affair. Loughran weighed 174 3-4.

## THE RACE POT

No. 20—Phil O'Neill 2.03 1/4.

Phil O'Neill has displayed considerable speed in Grand Circuit pacing battles, but has lacked that great trait, consistency. Last year, he only started twice and was out of the money both times. As a result, he also must be placed in the long shot parade.

The horse is an eligible to the \$25,000 Page Dairy at Toledo, July 10. He is a son of The Philistine and Vera Marie and is owned by James P. Berry of Hartford, Conn. Will Crozier, also of Hartford, is training the horse.

Jack—Now, I'll show you how to shift gears.

Mae—Maybe it would be best for me to leave them where they are until I can drive better.

# THE TEAROOM MANNERS TABOO FOR ONE MAN

New York Sun

He is a husky man who spends his time wielding a pickax on the streets of New York. When the whistle blew for 12 o'clock one day last week he dropped his axe wiped his forehead off on his arm and started for lunch. The sun was high, so he had to turn into a cross street to find a shady spot to eat in.

As he walked down the street he passed a tearoom crowded with its noontime collection. He looked in the window—became so entranced that he put down his lunch and shaded his eyes to get a better view. Finally he picked up his lunch and walked on slowly. He shook his head as he settled down on a nearby step and remarked, "Can you beat that? They even smoke while they're eating. Can't wait 'til they get through." And chuckling to himself opened his newspaper package and took out a huge rye-bread sandwich and began to eat, then drew from his pocket a quid of tobacco and placed it on the step beside him.

Evidently he always waited until after meals for his portion of nicotine.

# SHE FOUND HER FAGS AND PAID THE PRICE

(New York Sun)

Ladies may smoke in the enlightened age, but many of them pay dearly for the privilege. At the matinee the other day the girl discovered her cigarette case was empty. The prospect of two intermissions was too much. She hunted all over the lobby for a cigar stand, without success. In desperation she turned to an attendant and asked if she knew any place where she could get a cigarette.

The attendant smiled and produced a box of assorted cigarettes. The girl selected and inquired the cost.

The answer was: "Ten cents."

Mental calculation revealed the fact that the attendant made a profit of eighty five cents on every package. The girl knows now why they don't have a cigar stand everywhere within walking distance.

Old Lady—Do you handle gold-fish?

Storekeeper—Yes.

Old Lady—You cruel man! Don't you know it's not good for them?

# DISPERSAL SALE OF FOREST PARK FARM HORSES

Indianapolis, June 29—Miss Harris M., 1.58 1/4, joint holder of the world record for pacing mares, brought the top price of \$5,000 at the dispersal sale of the Forest Park Farm horses at the Indiana State Fair Grounds here. She was purchased by the noted Walnut Hall Farm of Lexington, Ky.

The Harvester 2.01, the 23 year old progenitor, was bought for \$1,000 by William Donohue, superintendent of the Forest Park Farm who announced that the stallion would be placed back in service at Terre Haute, Ind.

W. K. Dickerson, acting for E. Roland Harriman of New York, secured the trotters, Petrena Harvester 2.09 1/4; Lucille Harvester 2.08 1/4 and Eugenia Harvester 2.06 1/4, for \$3,150, \$1,850 and \$700 respectively.

Worthy Harvester 2.05 1/2 fell to Peter Goode, Goshen, N. Y., for \$3,000. He will be exported. The sire, Frisco June, 2.01 1/4, was purchased by M. C. Bennett, Indiana, Pr., for \$2,650. Another progenitor Pat Harvester, 2.09 1/4 was sold for \$900 to I. J. Coffin, Detroit, and will head the latter's breeding establishment at Rochester, Mich.

The young pacer, Lucille June 2.09 1/4, found a buyer in C. R. Alexander of Chattanooga, Tenn. The price was \$3,100. A total of \$2 head went under the hammer and brought \$40,181.

He—Did you wife forgive you for that flirtation last summer?

Hum—Yes on an average of once a week.

## Here and There

(89)

Half a million automobiles from the United States and the provinces of Canada, carrying a million and a half persons, will enter Montreal during the coming tourist season, according to the estimate of the Montreal Tourist and Convention Bureau.

The use of the combine is expected to be more general than ever in the 1928 harvest. In 1926 there were 176 combines in the Prairie Provinces, 148 being in Saskatchewan, 26 in Alberta and 2 in Manitoba. In 1927 there was a total of 530 in Saskatchewan, 221 in Alberta and 23 in Manitoba, 774 in all.

There is considerable tree planting activity along the Medicine Hat division of the Canadian Pacific Railway. At Shackleton alone twenty-five bundles of small trees were received the other day from the Forestry Branch at Indian Head, Saskatchewan, and all are now planted. Cluny and other villages are competing actively.

Equaling the speed across the Atlantic ocean made by passenger liners of medium size, the five 10,000 ton vessels of the "Beaver" class have been achieving records in oceanic freight transportation for the Canadian Pacific Steamships. The speedy quintette of freighters joined the company's fleet this year and have been running on as frequent and rapid a service between Canada and Europe as many passenger boats.

Chicago. — "Smiling Billy Hogan," veteran C.P.R. conductor, took "The Mountaineer," Canadian Pacific flyer from Chicago to Vancouver out in its initial run of the season this year. The train is one of the "Big Five"—C.P.R. trains de Lux operating from Chicago and the east of Canada across the continent during the summer. Conductor Hogan joined the "Soo" line in 1886 as stoker on the old Wisconsin Railway, and is to-day one of the veterans of the company.

Montreal.—A new era in Canadian trans-Atlantic passenger history, has been inaugurated in Montreal, where the fine new liner "Duchess of Bedford" docked recently. The new 20,000 ton vessel, the largest to ascend the St. Lawrence to Montreal, is the first of four cabin class sister ships of the new "Duchess" type, which will supplement the Canadian Pacific's trans-Atlantic and winter cruise services. Speakers at the banquet held on board on arrival in Montreal after her maiden voyage eulogized the occasion as an event of national significance.

The Feast of St. John the Baptist, greatest of French Canadian religious spectacles, will be celebrated throughout the province of Quebec shortly. The Montreal baseball stadium, which will accommodate 25,000 persons, will be crowded by spectators of a French Canadian orator, to be followed by a spectacular fireworks display. On the Sunday afternoon, thirty floats, depicting French Canadian songs, many bands, and over 10,000 singers and minstrels, will come together in a procession several miles long through the streets of Montreal.
