

## NATIONAL HOCKEY OPENS NOV. 15TH.

Montreal, Que., Nov. 13—The opening of the National Hockey League season on November 15 will see the passing of several of the ancient stand-bys in the major professional circuit as well as the passing of several of the not so old, but yet experienced major leaguers.

Heading the list of the players who have seen much service in the major league of hockey who depart from active service, either to take managerial berths or to play for minor league teams are Sprague Cleghorn and Cy Denneny. Cleghorn has had nearly twenty years of service as a major leaguer, and last season was playing coach for the Boston Bruins, one of the leading teams of the American division of the National League.

Cleghorn often has been dubbed the "iron man of hockey" owing to the fact that he came back to play a star role after having suffered two broken ankles, one in 1916 and the other in 1917. He has played for Ottawa Senators, the old Montreal Wanderers, Toronto, Canadiens and Boston.

## HOOF PRINTS

Indianapolis, Nov. 14—The annual meeting of stewards of the Grand Circuit, America's premier light harness racing body, has been tentatively set for Jan. 14, 1929 here. The usual business of drafting a schedule, discussing rules and electing officers will be taken up. In addition, the Hambletonian three-year old trotting stake, harness racing's premier classic, may be awarded.

Pittsburgh, Nov. 14—Trumpet, 1.03 1/4 a Grand Circuit trotting star has been consigned to the annual Old Glory Sale to be held in New York, Nov. 27-30. He at present is owned by J. D. Callery, well known sportsman of this city. Trumpet was the leading money winning trotter of 1925 when he was raced by Tommy Murphy. Among his successes that year was the \$25,000 American Trotting Derby at Aurora, Ill.

Hartford, Conn., Nov. 14—Will Crozier, the noted reinsman of this city is another trainer who will locate at the Longwood, Fla., mile track this coming winter. He will go with the Wedgewood stable.

Indianapolis, Nov. 14—The Horseman Futurity, including both the three year old trotting and pacing divisions and the F. P. Fox pacing stake, richest event for two year old sidewheelers in the world, again will be contested at the Indiana State Fair Grand Circuit meeting here next year. The session will be staged Aug. 31 to Sept. 7.

## MT. ALLISON AND CALEDONIA CLASH IN SEMI-FINAL FOR TITLE

Maritime Intercollegiate Champs Left Today For Antigonish to Battle With Cape Bretoners—A Win Means Final Game with Halifax Wanderers—Mt. A. Team is Weakened by Loss of Chown and Others.

St. John, Nov. 14—The Mount Allison football team, Maritime intercollegiate champions, will leave this evening for Antigonish, where they will play the Caledonia team, winners of the Cape Breton League, in the Maritime semi-finals. If the Garnet and Gold are successful in taking the husky Cape Bretoners into camp it is probable that the final title game with the Halifax Wanderers will be staged on Saturday as it is desired to get the series completed.

Halifax, Sackville and Truro are all mentioned as possible locations for the final game, if Mount Allison comes through. Rev. Dr. Boyle of St. Francis Xavier, president of the Maritime Rugby Union, will referee. It had been previously believed that the game would be played on Monday next, but this belief was based on a mistaken interpretation of the order governing the play.

The Mounties had a stiff workout this afternoon the first since the holiday, under the watchful eye of Coach Ray Smith. All members of the squad appeared to be in first class condition. It is probable that no football will be undertaken tomorrow.

Team Weakened

The team is expected to be somewhat weakened owing to the withdrawal of Harold Chown from the game. Chown hurt his head in practice here just before the intercollegiate play off with St. F. X. He played in the St. F. X. game, but against orders.

Chown is feeling fine now, but it has been decided that no chance of his sustaining further injury will be taken. Chown has been playing a great game at passing half and his absence will be felt. It is possible that Morris will be moved up from the reserve squad to take his place. If this is not done Captain Eddie Bartlett will step into the vacancy and the backfield will be shifted around to fill his position in the three quarter line.

Otherwise the squad will be unchanged from the last game.

Caledonia is more or less of an unknown quantity to the collegians but they believe that if they can flash the same brand of rugby as they did in the last game at Truro that they will come through winners. The teams met two years ago, Caledonia winning 5 to 0 after overtime had been played.

## BOSTON IS IN FAVOR OF SUNDAY SPORT

Boston, Nov. 13—The voters of Massachusetts have approved professional sports on Sunday and next year there will be Sunday base ball in Boston and other cities of the state.

The referendum on the Sunday sports law was passed in Tuesday's election by a wide margin. In fact, so large was the vote approving the measure that there was no question of the vote failing to comply with the 30 per cent clause, which provides that the total yes vote must be 30 per cent of the total vote cast for any office or act in the same election.

Although the vote on the referendum was tabulated from slightly more than three-fourths of the total number of precincts in the state, there was no question as to the outcome. The vote of 1,213 precincts was: Yes, 577,353; No, 304,738.

This included the vote in Boston which approved the measure by more than 3 to 1, the vote standing: Yes, 172,574; No, 53,990.

The Sunday sports measure sanctions all professional sports except racing and prize fighting.

## SPORT BRIEFS

Detroit, Mich., Nov. 13—Jole Ray won his second victory over El Ouafi, French Algerian who won the Olympic Marathon championship last summer here last night beating the invader over the 20 mile route. The time was one hour and 52 minutes, 11 seconds.

Wanderers Won  
Halifax, N. S., Nov. 13—The Halifax Wanderers Saturday won the championship of the City rugby League when they defeated the United Services 3 to 0. Swartz try in the first period being the only score. The Wanderers will meet the winner of the Mount Allison-Caledonia playoff in the final for the McCurdy cup and the Maritime title.

Annual Meeting  
Saint John, N. B., Nov. 13—The annual meeting of the Amateur Skating Association of Canada will be held in this city on Saturday, November 24. J. A. Taylor of Montreal honorary president, has notified Frank White of Saint John, vice president and that a meeting will be called for November 21 at the Montreal A. A. A. rooms and adjournment made immediately for the holding of an annual meeting in Saint John on November 24.

## WOMEN MAKE RAPID STRIDES IN BUSINESS

New York, Nov. 13—In 1870, the first year for which there are occupational statistics, there were in the United States, 1,800,000 gainfully employed women, of whom nearly a million were engaged in domestic and personal service.

The number had grown to more than 2 1/2 million by 1880; to more than 5 million by 1900, and to more than 8 1/2 million by 1920. The rate of increase has been faster than that of men. For, in the United States from 1880 to 1920, the proportion of males 10 years of age and more engaged in gainful occupations has remained nearly stationary, about 78 per cent of the total masculine population 10 years of age and more; whereas the corresponding proportion of women gainfully employed increased from 14.7 per cent in 1880 to 21.1 per cent in 1920, writes Bessie Bunzel in the Century Magazine.

Although the great majority of the 8 1/2 million employed women are engaged in industrial pursuits because of stringent economic necessity, in 1910 there was 725,000 women in professional pursuits and in 1920 more than a million, an increase of almost 40 per cent in the decade.

## SPUD MARKET RATHER QUIET

Caribou, Me., Nov. 12—The week in the Aroostook potato market opened with but few haulings on account of the holiday, although buyers were willing to take all offerings on a firm market. The price was only \$1 for highest grade fancy stock and 90 to 95 cents for others. Shipments have dropped in the last few days to around 150 carloads a day.

## WILL RACE NEXT YEAR

Peter Manning 1.56 1/4 World's Fastest Trotter Will Be in Harness Again Next Season—Now 12 Year Old—Holds Modern Record.

Hanover, Pa., Nov. 14—Peter Manning 1.56 1/4, the fastest trotter the world has seen, has concluded another season of brilliant achievements and is in quarters at the establishment of his owner, the Hanover Shoe Farms, here.

The son of Azoff, who was bred by W. M. Wright of Chicago and Lexington, Ky., boasts the fastest mile turned in over a half mile course this year 2.03 1/4. This is truly remarkable in view of the fact the horse has reached the age of 12.

Peter Manning undoubtedly again will make his reappearance in exhibitions next year. He seems immune to the ravages of Father Time. Nine world trotting records are held by him, not to mention innumerable state and track marks.

## MONTREAL WON

Montreal English Score Victory Over Vickers and Took Lyman Cup—Score 16-3.

Montreal, Nov. 14—Although the Montreal English Rugby XV were short of three of their stars for their Lyman Cup game with Vickers on Saturday on the Campus, which had been very kindly lent for the occasion by the McGill authorities their victory of 16 points to 3 did not flatter them and might, quite easily, have been even larger had they taken advantage of every opportunity.

The ground was in a slippery condition but despite this fact the handling of the Montreal backs was as sure on Saturday as it has been throughout the season. The issue was never in doubt and Montreal showed their complete superiority over their opponents in every phase of the game. Macaulay, Van Zyl and Ritchie came into the side in place of Bester, Lyle and Saunders.

A man in Philadelphia advertised for sale "a pair of cymbals and an Angora cat thrown in." You can't pay cymbals under those conditions.
