GIANTS IN 18-8 HIT FEST IN CAMP

**Defeated Chattanooga
With 18 Hits For as
Many Score—Jackson
Gets Homer.**

Chattanooga, Tenn., April 2—It only the fifth inning had been left out, Chattanooga of the Southern Association might have handed the New York Giants a trimming to-day.

Exceedingly docile for four innings McGraw's hirelings uncorked a batting spree in the fifth that ended only when 17 runs had crossed the plate. The final score was 18 to 8, darkness halting the contest in the seventh.

Those 17 runs came within one of tying the major league record for most runs scored in an inning. In 1883 the Chicago Cubs of the old National League scored 18 times against Detroit in one frame. The New York Yankees set the modern league record of 14 against Washington in 1920.

The Giants battled around twice as a team in the fifth today, while Art Jahn, a pinch hitter, and Ed Roush came to plate three times. Jahn started the inning by flying out and then waited twice before the frame closed. Roush got a walk, a triple and a single in his three trips.

Three Chattanooga hurlers walked six men in the hectic session and allowed 11 hits, including triples by Roush, Ott and O'Doul and a home run by Travis Jackson.

Jack Levy and Art Johnson pitched for the Giants the former being found for nine hits and a run and rest of the way. The score:

Innings . . . 1 2 3 4 5 6 7—R H E
New York . . . 0 0 0 17 10—13 18 2
Chattanooga . . . 1 0 4 2 0 0 1—8 11 1

ATHLETICS ARE BECOMING MORE CAREFUL OF GAIN

Tommy Luther, a 17 year old boy who didn't have the price of a top a few years ago was given a bonus of \$13,500 for riding Crystal Pennant to first money in the \$90,000 Coffroth handicap.

Instances of wealthy stable owners giving jockeys a big bonus for riding winners in big classics are not so rare that they are interesting news, but an interesting story would be to hear what a boy who had been hardened on straw beds in barns and box cars for years would do with all that money.

Little Luther doesn't have to make a public accounting of his expenditures, but it is a safe bet that he won't go with his dough for the horses like Babe Ruth, Johnny Dundee, others who didn't feel natural with money falling out of every pocket.

It is unlikely that a youngster in his position would try to beat the big Wall street guys as Benny Leonard did—until he found out that the stock business was a lot tougher than the fight racket.

The days when ball players and other athletes getting their first taste of prosperity plunged for big rocks and silk shirts has passed. Instead of buying loud jewelry and hot clothes many of the athletics now help the bond salesmen and the insurance agents make their big commissions.

Owners of baseball clubs and men interested in boxers and other athletics who command important money encourage their men to invest in good, safe bonds and have something for the day when the pay checks are fewer and smaller.

Removes Warts

"ENGLISHMAN" writes to the Montreal Star:
"I read a letter in your paper asking for a remedy for warts, and as I found one that took an ugly one off the side of my forehead I will give it to you. I had a bottle of Minard's Liniment in the house that I use for rheumatism, and casually reading directions I saw it was a good thing for corns and warts, so being so simple I tried it. Just dab it on with the cork two or three times a day letting it dry on. Well it all went away in about two weeks, dried up and came off by degrees."
"Another also appeared on my cheek not so large, but I applied the same remedy and could pick it off like the other."
