DEMPSEY NOT TO FIGHT IN THE FUTURE

Rickard Says Dempsey Will Never Fight Again — Dempsey is Wealthy and Tired of Game.

New York, Feb. 27—Jack Dempsey will never fight again, Tex Rickard said yesterday upon his return from Florida.

The promoter reiterated the announcement he previously had made at Miami Beach, Fla., that the former heavyweight champion will never be seen in the ring again.

"Don't think it advisable to do any more boxing," Dempsey said in a telegram to Rickard. Although he received the telegram some time ago, Tex made it public for the first time today.

Rickard does not believe eye trouble had anything to do with Dempsey's decision to quit the ring.

"The facts are that Dempsey is now worth around a million and a half dollars," Rickard said. "And he is tired of the game. He does not want to go through another long training grind, and he is pretty well convinced he isn't what he used to be in the ring. He has offered to help me in any way he can to boom the next heavyweight title bout, but not as a principal."

Asked is Gene Tunney would have been willing to meet Dempsey in a third bout, Rickard said he thought the champion would meet any fighter regarded as likely to draw the largest purse.

Plans Unsettled.

With Dempsey eliminated as challenger, Rickard admitted his plans for the first heavyweight championship bout this summer were much in the air.

Rickard said Dempsey was coming east from the coast next week to renew the long-standing litigation with his former manager, Jack Kearns, but he did not expect to confer with Dempsey on fight matters.

Fusiliers Beat P. E. I. Champs 6-3 at Summerside

Hectic Game Witnessed by 1500 Fans — Dizzy Pace Maintained—Clark Gets 3 Counts.

Summerside, P. E. I., Feb. 27—With sheer determination and grit, which punctuated the most desperately fought contest ever seen here, the Saint John Fusiliers emerged victors over the Central League champions tonight, when they nosed out their opponents, the Crystals, by a score of 6 to 5 before a crowd estimated at 1,500 in the first game of the N. B. and P. E. I. playoffs.

Both teams set and maintained a dizzy pace from the initial face off and each period witnessed the forward lines going into the attack with furious.

The soldier rear guard ably proved they were capable of coping with surprises from any and all directions, the majority of goals being scored against them while they were playing under-strength, due to penalties. The Crystals released speed from their forward line which surprised the fast soldier players, Gallant and Silliphant especially starring in solo and combination rushes, the former displayed brilliant stick-handling and proved himself to be an adept at shooting. He was responsible for the first two tallies for his team, during the first period.

Captain Alden Clark, of the visiting team, played a stellar game, counting three goals, one in each period. Keating, Thompson and Bartlett were responsible for the remaining three.

The game was clean throughout despite the fact that 18 penalties were handed out by Referee George Carroll alone. The most of these were for more or less slight infractions of the rules. About three-quarter way through the third period, Wilson was struck by a slashed puck from Silliphant during a face-off in front of the

Fusilier goal. He was knocked unconscious for a minute or so but continued to play, when revived.

It was the last potential threat from the Islanders and the game ended without further coring to read 6-5, thus giving the New Brunswick champions a one-goal margin when play begins in their home town on Wednesday night for the right to meet the winners of the Nova Scotia title. A special train was run from Charlottetown, returning at 12 p. m.

The first period started at 9.15. Following the faceoff Gallant staged a solo rush through the visitors and flashed a shot at Wilson, who saved and cleared before Silliphant could pick up the rebound.

During a melee at the right of the Fusilier net, Ernst was sent to the penalty box for shouldering Silliphant. After five minutes of play Gallant again came down in solo play and beat Wilson out for the first tally. The rafters of the arena shook with the mighty roar that greeted his effort.

Two minutes later Thompson and Clark went into combination and penetrated the local defence, the latter scoring on a pass.

The Lineups.

Crystals—Crockett, goal; Wright and McDowell, defense; Galant, centre; Silliphant and Montgomery, forwards; Schurman, Perry and Chail, substitutes.

Fusiliers—Wilson, goal; Ernst and Bartlett, defense; Keating, centre; Clark and Thompson, forwards; Ferguson and Mountain, substitutes.

Referees—J. H. Drummie and Geo. Carroll.

BREAK RECORDS IN ENTRIES FOR DERBY

Kentucky Derby For 1928 Will Have Keen Competition—120 Owners — Whitney is Again Entered.

Louisville, Ky., Feb. 27—A record of more than a half century was broken by the entry list for the 1928 Kentucky Derby made public today by Colonel Matt J. Winn.

American turfmen and women have nominated 196 three year olds for the 54th renewal of the \$50,000 added stake. That is 17 more than in 1898 the previous record year and 34 more than last year. The entry lists closed February 8.

One hundred and twenty owners are represented including ten women. Almost every name of prominence on the American turf appears.

H. P. Whitney, who was the great American stake last year with Whiskery, apparently is out with a vengeance to make it two straight. He has nominated an even dozen from his extensive stable.

TORONTO U. BEATS M'GILL IN BASKETBALL

Toronto, Feb. 26—Varsity practically regained the senior intercollegiate basketball title, held last season by the University of Western Ontario, when the Blue defeated McGill in a fast and furious contest at the Hart House gymnasium last night by 21 to 17. The Red and White made a determined stand, but the massed defence of the blue, together with their strong offensive play gave them a slight edge throughout.

BEARCATS TRIM DIGBY ROVERS BY 3 TO 1 SCORE

Digby, N. S., Feb. 27—With 1,000 fans cheering them on, the Red Ravens tonight fought the smooth working Bearcat machine through 60 minutes of the fastest hockey ever witnessed on the local ice, holding Truro to an even score in the first period and losing out in the final session by three goals to one.

In the first period the visitors attempted a defense game, playing the entire team at centre ice after an attack on the Digby goal, but the hard-fighting Ravens soon solved that style of play and Jones whipped-in the first count in five minutes.

Digby forced the play after scoring and Truro started an attack that made it very interesting. Eldridge, playing the best game of his career, stopped 20 shots from the fast Bearcats' forwards, calling down round after round of applause. Kuhn, taking a lightning pass from Murdock after a mixup, slipped in a roller, tying the score.

Removes Warts

"ENGLISHWOMAN" writes to the Montreal Star:

"I read a letter in your paper asking for a remedy for warts, and as I found one that took an ugly one off the side of my forehead I will give it to you. I had a bottle of Minard's Liniment in the house that I use for rheumatism, and casually reading directions I saw it was a good thing for corns and warts, so being so simple I tried it. Just dab it on with the cork two or three times a day letting it dry on. Well it all went away in about two weeks, dried up and came off by degrees."

"Another also appeared on my cheek, so large, but I applied the same remedy and could pick it off like the other."
