

RUTH CHALKS UP HIS NINTH HOMER AS YANKS WIN

Athletics Win Another—Cards Beat Braves—Giants Lose to Cubs and Root—Pirates Lose to Robins.

American League—

New York, May 14—Babe Ruth's ninth home run of the season was a purely decorative adjunct as the Yanks trimmed the Tigers for the third consecutive afternoon. The score was 7 to 5. Ruth's homer representing the seventh run.

U. N. B. WINS DENNIS CUP IN TRACK MEET AT SACKVILLE

Win With 54 Points—Mt. Allison and Acadia Second and Third With 27 and 18 Points Respectively—Eddie Goodspeed and Jack Fowler Star For Red and Black—Denton Sets New Record For Mile at 4.42.

Sackville, N. B. May 14—The track and field team representing the University of New Brunswick ran the Red and Black colors to the top of the Maritime Inter-collegiate world when they carried off 54 points in the track and field meet here this afternoon. A clean sweep in the jumps contributed one half of the U. N. B.'s points. Mt. Allison with 27 points came second, and Acadia with only three entries garnered 18 points, while Denton of the trio, contributed the outstanding feature of the meet when he clipped five seconds from the mile inter-collegiate record establishing a mark of 4.42 for future collegians to shoot at. The previous record was 4.47. The new record was made under unfavorable conditions as a heavy cold wind with a drizzle of rain blew across the Campus throughout the most of the meet and fast time was the thing least expected by the 500 odd spectators.

Contrary to expectations Goodspeed, the Red and Black flash, entered and won the century. Pressed by Rice of Mt. Allison, he made fast time under the prevailing weather and heavy track conditions.

TY COBB, JR. TENNIS STAR

Princeton, N. J., May 14—Rain halted the annual Princeton inter-scholastic tennis tournament in the middle of the third round this afternoon. Hun School of Princeton and Peddie of Hightstown, led the field each with three survivors.

William T. Tilden 3d, a nephew of the ex-champion, was eliminated by Misky of Hun 6—0, 6—0, in the second round. Ty Cobb Jr, son of the famous outfielder, survived the second round by defeating Lilley of Pingry 8—6, 6—2.

Toledo, O., May 14—Ben Whitehead, the Tennessee reinsman, has a real green pacing prospect in the four year old, Uncle Cad, at the Ft. Miami Grand Circuit track here. He has driven the horse the fastest training mile of the season 2.07½ with the last quarter in 31 seconds.

tered and won the century. Pressed by Rice of Mt. Allison, he made fast time under the prevailing weather and heavy track conditions.

Fowler of U. N. B., was high point man. Keen competition between Mel Rice, the popular Garnet and Gold athlete, and Fowler of the U. N. B., or the point cup lent added interest to various events. Rice had a one point lead going into the hurdles, the last event on the card in which he placed second with his opponent first, giving Fowler 15 points and Rice 13.

Silver cups for first and second position men and bronze medals for third, were presented to the winners by Dr. Bigelow, of Mt. Allison, along with the Dennis Cup, emblematic of the Maritime Inter-collegiate championship, and the high point cup at the close of the meet. The discussion was competed for as an exhibition event.

Credit is due Manager R. D. C. Stewart and Coach Ray Smith for the successful manner in which the meet was conducted.

HOGAN COMES INTO OWN AGAIN

Boston, May 15—For the seventh time since 1921 young Lochinvars have come out of the golden West to wrest the scepter of golfing supremacy from hands that once were won't to uphold the glory of Great Britain's undying achievements.

The Vardons, the Taylors, the Braids the Duncans and the Herds have stood with their backs to the wall, bowed by the weight of years, fighting to keep the honors that had grown old in their hands. Here and there a Compston, a Havers, a Boomer, a Whitcombe, has risen for a moment to stem the tide, but the last rampart has long since given way.

Yesterday it was Hagen's turn, his third in that eight year span, his turn to humble the best golfers of England on their own soil and in their own championship.

Britain rotates her golf championships between a select list of outstanding courses, and curiously enough it was on these same windswept fairways at Sandwich six years ago that Hagen first crashed through the sacrosanct portals to win the British open.

Thrashing through a typical North Sea gale Hagen won the 1922 British open with an aggregate total of 300. Yesterday he was eight shots better, yet he had only two shots to spare over Sarazen, who completed the American triumph by finishing second, a stroke ahead of Compston. Hagen's second victory was at Hoylake in 1924.

Hagen's great record in competition is second to none save Bobby Jones. He was born in the town of Brighton, adjoining Rochester, N. Y., Dec. 21, 1892, and being brought up scarcely more than a mashie pitch from the Rochester Country Club it was only natural that he should gravitate to the course as a caddy as soon as he was able to tote a bag of clubs.

ITALIAN HEAVY SEEKS ALL OF GENE'S CROWNS

New York, May 12—Umberto Tor-rino, Italian heavyweight claimant, just arrived, is as accomplished in fighting as he says he is in other respects, good night, Tunney. He not only reads Shakespeare, but Pintarch, Herodotus and Homer; he plays guitar, mandolin, ukelele and cello. He is an engineer and a baritone.

HOOF PRINTS

Terre Haute, Ind., May 14—Paul H. Kuhn, one of the most prominent business men of Indiana whose death occurred in an Indianapolis hospital recently, also was a great lover of the harness horse. His Forest Park Farm, located here, produced many noted race winners. He paid \$31,000 for the Kentucky Futurity winner, the Harvester 2.01, whose campaign in the hands of the lamented "Pop" Geers, were among the most brilliant of their time and included the taking of the trotting record of 2.01 for stallions. Mr. Kuhn had been identified with the harness horse since 1890.

Urbana, O., May 14—The 1928 harness horse racing season will be ushered in with a promising three day speed festival at the Urbana track, May 29-31. A total of \$5,000 in purse money will be offered. Due to the fact several of the Grand Circuit teamsters will take part, much zest has been added to the meeting.

Cleveland, May 14—Grattan Bars, 2.07½, the fast Canadian pacer, is training well at the North Randall track for his series of rich engagements. He has been an impressive mile in 2.20 for his trainer, Vic Fleming, with the final quarter in 30½ seconds and the last eighth in 14½. The pacer is scheduled to be seen in the \$25,000 races at Windsor Conn., Toledo and Kalamazoo.

LOCAL CLUB IN FIRST WORKOUT

Quite a number of aspirants for the Fredericton Baseball club turned out last evening to the first workout of the season and although the weather was rather unsuitable a fairly good practice was indulged in, consisting of chasing flies, batting and infield work. The weather was of the cold variety and hindered any good thawing out work which would naturally go with the first workout.

A number of last year's regular squad was out among them being "Bill" Rutter, shortstop, "Pop" Donovan, catcher, "Brad" Davis third base, "Tot" Wheeler pitcher. In addition, Ken Staples a member of last year's Devon club, Donald Armstrong, and Cliff Young two young catchers "Knobby" McLenahan, and many other prospects were on hand. Another practice is called for tonight.

THE RACE POT

No. 1—Sir Roch, 1.59¼. Of all the horses that are being prepared for the rich pacing stakes of the year, Sir Roch is the fastest by record and the only one that has proved he can negotiate a mile better than two minutes in a race. This stepper is owned by L. E. Randall, of Chicago, president of the Harness Horse Association and is a son of St. Roch and Animus.

Sir Roch jointly holds the world record of 1.59¼ for pacing geldings with Frank Bogash, Jr. He is eligible to only one of three \$25,000 pacing stakes to be raced this season, the Page Dairy at Toledo, July 10. This would seem to be a fortunate circumstance for the owners of entries in the New England Derby at Windsor, Conn, and American Derby at Kalamazoo, Mich.

Sir Roch is the favorite for the Toledo race and needless to say, is the chief worry of rival camps. Despite the fact he is 11 years of age, the gelding appears as good as ever. It was last season that he tied the gelding record and turned in a sensational 2.00¼ mile over the cinder track at the New York State Fair, Syracuse. He again will have the services of the veteran teamster, George Loomis of Minneapolis, in the sulky.

Editor's Note—This is the first of a series of stories on the leading pacing stake horses of the year.

"Is this a second hand shop?"
"Yes sir."
"Well I want one put on this watch."
