Herbert Hoover Likely to To be a Silent President

The Winning Candidate in the U. S. Election Says He Will Feel His Way Carefully in Planning His Administration—Will Bring a New Tone to the White House—Will Make No Public Addresses.

(Special to The Daily Mail by the British United Press.)

PALO ALTA, Cal., Nov. 8—Herbert Hoover indicated plainly today that he will feel his way carefully in planning his administration in the White House and will be at the outset at least, a "silent" president, as was Calvin Coolidge.

At the same time he will bring to the White House a new tone and a different atmosphere.

New England figures, familiar in the Coolidge administration, will be supplanted by a cosmopolitan group—those intimates whom Hoover has drawn about himself in his engineering and relief operations all over the world.

No Public Addresses

Hoover announced he proposes to make no public addresses. "I shall be chiefly occupied with listening," he said. By this, he meant that he will "hold his ear to the ground" as the saying goes, attempt to sense the feeling and reaction of the people on the pressing problems, and guide himself accordingly.

He will "listen" likewise to leaders of his party acquainted with those problems.

"For the next few days I shall devote myself to complete rest", the President-elect said.

AMERICANS FOUND MOOSE PLENTIFUL

Claim to Have Counted 319 While on a Ten Days' Trip to Albert County.

Four visiting sportsmen from the United States who have been hunting at Elliott & McKinley's camps, Alma West, Albert County, report having seen 319 moose in the ten days they were in the New Brunswick woods, according to a report reaching Major H. H. Ritchie, Chief Game Warden, from Game Warden Wm. H. Butland. The Alma hunting territory is on the Bay of Fundy in the southeastern section of New Brunswick and moose have been especially numerous in all sections of Albert County during the past several years. Elliott & McKinley are among the Albert County guides who have handled a large number of American sportsmen in recent years.

Reports indicating that caribou are returning to New Brunswick again are reaching Chief Game Warden Ritchie. There has been a closed period on hunting caribou in New Brunswick since 1918, when for some undetermined reason caribou seemed to have left this Province, but they have been re-appearing again. Game Warden George Oakes reports having seen a caribou recently at Mill Brook, about 5 miles up the Charlo River in Restigouche County, and the Game Warden reports having seen a white deer in that territory about the same time.

Gradually Improving

Mrs. David Targett of Lincoln who underwent a serious operation at the Victoria Public Hospital some time ago is gradually recovering from the effects and now is on the road to a rapid recovery. Recently she has been visited by relatives living in the United States who learned through correspondence of her condition.

A SEARCH FOR WEALTH WAS INTERRUPTED

Newcastle, Nov. 7—The arrest of George Bulger, Cornelius Durant, Rudolph E. Doucet, Moise Durant and Charles Peters by Provincial Police-men Pettigrew and Faulds on the tarvia road between Newcastle and Chatham at 2 o'clock this morning solved the mystery which has been attacked up to the strange activities, the blinking lights and ghostly noises which have been prevalent in that vicinity these last few weeks.

George Bulger, captain of the mystery crew, said to be a prospector of 40 years' experience, claims to have been within six inches of Captain Kidd's treasure chest at 2 o'clock morning when the arms of the law reached out and awakened him from the dream of anticipated wealth and fame and probably saved unsuspecting motorists from serious injury which could have been caused had the diggers continued undermining the road.

Bulger claims that the place of location of this treasure chest was revealed to him in a dream many years ago, but circumstances prevented previous activity. He gathered the other four members of his band and the work was being carried on during the stillness of the night. This explains the ghostly tales which were being told by residents in this vicinity. Officers Pettigrew and Faulds placed the men under arrest in Chatham, when they were allowed their liberty this morning after promising to refill the tunnel which they had dug beneath the road and to refrain from future treasure hunts.

Injured Miner Recovering

Friends here and at his home in Minto will be glad to learn that Alexander Melanson who was injured in a dynamite explosion recently at Minto is gradually recovering from the effects of his accident and will soon be able to leave the hospital.

REV. DR. HEARTZ PASSES AWAY AT AMHERST

The Deceased Was One of the Best Known Clergymen in the Maritimes.

Amherst, N. S., Nov. 7—After an illness of some weeks, Rev. Dr. William H. Heartz passed away at his home here this morning at 6.30 o'clock. He was 87 years of age. Death was due to heart trouble. For the last several days he has been slowly sinking with no hopes being entertained for his recovery. Nevertheless, news of his death came as a severe blow not only to the citizens of Amherst but to the entire Maritime Provinces.

The late Dr. Heartz was well known in every section of the Maritime Provinces and elsewhere. Despite his advanced years, he retained his activity up until the time of his fatal illness. He was presiding at a Toronto session this spring of the General Board of Missions of the United Church when he was seized with his first heart attack.

He is survived by five daughters and one son, Edgar, of Charlottetown. The daughters are: Mrs. T. N. Campbell, Amherst; Mrs. G. W. O'Brien, Amherst; Mrs. Lena Johnson, Amherst; Mrs. (Dr.) Bell, Halifax, and Mrs. (Dr.) Williamson, Yarmouth. Two sisters, Mrs. (Dr.) Taylor, of Charlottetown, and Mrs. Sarah Perkins, of Everett, Mass., also survive. His wife, who pre-deceased him a few years ago, was formerly Miss Julia Killam, of Yarmouth, a daughter of the late Thomas Killam, for many years a representative of Yarmouth in the Federal parliament. Lieut.-Governor Heartz, Charlottetown, is a nephew.

The late Dr. Heartz was a son of the late Richard Heartz, Charlottetown business man. He was educated in the schools of Charlottetown and Mount Allison University, entering the ministry in 1862.

Once Stationed Here.

He conducted his first pastorate over the Miramichi circuit in New Brunswick. From that time he commenced his advancement in church affairs and he has been nationally recognized as an almost integral part of the United Church Board of Missions in Canada. Rev. Dr. Heartz occupied the pulpit in Fredericton and Saint John. Following his pastorate in Saint John, he was transferred to the Nova Scotia ministry and for more than 40 years has been taking charge of circuits in this province, including Yarmouth, Halifax, Truro, Amherst, Bridgetown, Springhill, Digby, Granville Ferry and Horton. He was in Yarmouth on three occasions, twice in Halifax, twice in Amherst and twice in Granville.

BOX COMPANY'S PLANT WIPED OUT BY EXPLOSION

(Special to THE DAILY MAIL by the British United Press.)

Lynn, Mass., Nov. 8—An explosion of celluloid destroyed the plant of a Lynn box company and wrecked a nearby dwelling today. At least 15 persons were killed and a score of others were injured.

Mr. Beadle Currie of Houlton, Me., a native of Macaquac, York County was among the visitors to the city yesterday.

BIG PROBLEM CONFRONTS THE DEMOCRATS

The Third Successive Defeat for the Party Since 1920.

**HOOVER HAS
444 VOTES**

Historic Policy of Democrats on the Tariff Was Reversed.

(Special to the DAILY MAIL by the British United Press.)

New York, Nov. 8—This election has brought the Democratic party face to face with the problem of what its future is to be. This is the third successive defeat for the party and its worst. Returns by the United Press show Herbert Hoover with 444 electoral votes, passing even the record of Wilson who received 435 due to the Republican split between Taft and Roosevelt. Smith is shown with only 87 votes, the lowest of any Democratic Presidential candidate and ranking next to the historic eight votes of Taft in 1912 for the consolation prize of Presidential politics.

All of this defeat came in face of the fact that Smith reversed the historic policy of his party on the tariff and lined it up abreast of the Republicans on the issue of protection.

Governor Smith proceeded on the theory that the south would stay Democratic no matter what happened and he made his chief appeal to the business interests of the east and to the farm belt of the west.

TERM IN JAIL IS A HANDICAP TO THE MAYOR

Newburyport Mass., Nov. 7—The handicap of having to spend most of his working hours turning a wringer in the laundry room of the Salem jail proved too great an obstacle for this city's "bad boy" mayor Andrew J. ("Bossy") Gillis to surmount in yesterday's election and in consequence his aspirations to sit as a member of the next State Legislature received a severe jolt.

Gillis directed a spirited sticker campaign from the jail but got only 4,454 votes while his successful opponents Boardman and McKay, captured the two representative seats from the 18th Essex district with 6,061 and 5,429 respectively.

The "bad boy" is doing a 60 day stretch for illegal sales of gasoline at his service station in this city.

BECOMES A FATHER AT AGE OF 73

London, Nov. 6—Rev. Dr. Robert Horton, noted congregational leader, has become a father at the age of 73.

Ten years ago Dr. Horton married Miss Violet Basden, who had been a lifelong member of his congregation, and who mhe had baptized as a baby. His wife is now 36. Their child is a girl.

KILLED DURING AN ARGUMENT OVER POLITICS

Charleston, W. Va., Nov. 6—Clyde Moore was shot and killed at a polling place near Left Hand Hill, in an isolated section of Roan County today, during a political argument, state police headquarters were advised by an officer in that district. The report said that Judd Huffman had shot Moore.

Mount Etna is Still Pouring Fiery Wrath On Nearby Hamlets

Molton Rock Sweeping Down the Valley Carrying Destruction in its Pathway—The Town of Mascali Has Been Obliterated—The Eruption Likened to That Which Destroyed Catania in 1669.

(Special to The Daily Mail by the British United Press.)

CATANIA, SICILY, Nov. 8—Mount Etna spouting forth the worst trail of destruction in its modern history, today continued to visit its fiery wrath on the hamlets clustered along the base of its slopes.

The last three standing structures in the village of Mascali, toppled and fell before the rush of molten rock which poured down from the volcano yesterday and obliterated the town.

Panic stricken inhabitants of Fiume Freddo fled their homes although they were in no immediate danger. The main stream of molten rock increased in its descent as the main eruptive mouth opened up a large fissure which resembled an incandescent ravine.

Experts said that certain aspects of the eruptions were comparable to the one which destroyed Catania in 1669.

N. B. BOYS AND GIRLS LEADERS IN WINTER FAIR

New Brunswick carried off eight of the twelve prizes for the Boys and Girls Calf Clubs' competition at the Maritime Winter Fair at Amherst, N. S., this week, including the first six prizes.

New Brunswick also won first prize in the inter-provincial competition for market hogs and for market lambs—a Queens County exhibit carrying off the honors for market hogs while first prize for market lambs went to an exhibit from Gloucester County.

Hon. Lewis Smith, Minister of Agriculture, who was attending the Maritime Winter Fair and was much pleased with New Brunswick's showing there, will arrive in Fredericton this evening to arrange for New Brunswick representation at the Royal Agricultural Winter Fair at Toronto. Harvey Mitchell, Deputy Minister of Agriculture, who returned from Amherst this morning, gave out the detailed awards to New Brunswick Boys and Girls Calf Clubs' in the inter-provincial competition in which this Province made such a clean sweep as follows:

First—Woodstock Jersey Club; Second—Saint John Valley Jersey Club; Third—Kewswick Jersey Club; Fourth—Pomeroy Ridge Club; Fifth—Tobique Holstein Club; Sixth—Hoyt & Worrall Ayrshire Club; Eleventh—Stanley Jersey Club; Twelfth—Port Elgin Jersey Club.

QUEBEC COW HAS MADE A GOOD RECORD

Chicoutimi, Que., Nov. 7—A record or milk production for a single cow over a period of one month is claimed for "Fleur De La Vallée," (flower of the valley), owned by Etienne Ouellet, of St. Prime, Que., near here. The animal is an Ayrshire. According to its owner, the animal produced 2,933 pounds of milk in the month of October, 1928. The high total for one day in that period was 103 pounds.

THE PREMIER PAID A VISIT TO SHEDIAC

The Problems of Government Were Discussed at a Smoker Last Evening.

Shediac, Nov. 7—The problems which faced the present provincial government when it succeeded the old administration and the ones which exist today, particularly the financial situation, were outlined at interesting smoke talks in L'Assomption hall, St. Joseph, last night, and in Tipperary hall, Shediac, tonight by Premier Baxter. Addresses were also given at St. Joseph by Hon. A. J. Leger, Hon. D. A. Stewart, Hon. E. A. Reilly, K. C., Hon. B. Frank Smith, Dr. O. B. Price, M. P., H. M. Wood, M. L. A., and M. G. Siddall, M. L. A.

Hon. Dr. Baxter warmly praised Hon. Mr. Leger who, he said, was filling ably the most difficult post in the government. That he had measured up and was able to cope successfully with his onerous duties of financing the province in a way to break a little better than ever was a great tribute to the ability of the provincial secretary treasurer, said the Premier. The record of Hon. Mr. Leger also reflected credit upon the Acadian people, whose representative he was in the cabinet.

The Premier also praised Hon. Mr. Reilly for his ability in handling the hydro situation successfully.

Hon. Mr. Baxter declared that as the result of the government's efforts to augment the revenues the people of the province were being taxed less. He referred to the relief also brought by free schoolbooks. His government he declared, was representative of every section of the province and administered in the interest of all the people regardless of creed or race.

J. P. Sherry presided at St. Joseph and Mayor James E. White in Shediac.

Mr. Ford says the airplane must be developed to go straight up and down. If Mr. Ford could get it up arrangements might be made with gravity for the return trip.
