

Mount Allison Rugby Team Are Maritime Champions

Mt. A. Boys Won Clean Cut Victory Over St. Francis Xavier at Truro 19 to 0 and are Maritime Intercollegiate Winners—First Since 1908—Superior Work of Mt. A. Backfield Biggest Factor in Victory—Favorites Game Fighters—Scoring Nearly All in Second Half.

Truro, N. S., Nov. 7.—With a score. With the ball on the Anti-speedy, heady fast working three gonish 15 yard line Lister broke quarter line, halves that passed the through and hurled over the line for ball accurately and a pack of for- Mount Allison's second try, making wards always on the ball, the Mount the score 6-0 in favor of the Sackville Allison University Rugby fifteen won the Maritime intercollegiate title here this afternoon from the plucky St. Francis Xavier squad by a score of 19 to 0 and captured the Maritime college title for the first time since 1908. The Mount Allison team worked like a well oiled machine and only the deadly tackling and aggressiveness of the fast but light St. F. X. forwards kept the score down.

Both packs of forwards worked well, the lighter St. F. X. line heeling the ball more cleanly than their heavier opponents but the superior work of the Mount Allison backs more than made up for the aggressiveness of the Antigonish college back field. The halves and three quarters of Mount Allison gave a wonderful exhibition of team work turning passing and plunging in a manner never seen before on the local grounds. It is predicted that if the Allisonians stack up to McBeath and the Mount Allison against the winners of the Halifax League they will have a splendid chance to cop the McCurdy Cup.

Coach Clarence Burden of the University of N. B. handled the whistle in good style.

Mt. A. Scores

After 22 minutes play a scrim was held on the St. F. X. 35 yard line. The Sackville forwards heeled perfectly and the ball went to Miller to Bartlett to McBeath, who plunged through for Mount Allison's first try. The goal was not kicked owing to the high wind and difficult angle and the score read Mount Allison 3, St. F. X. 0. From the drop out play wavered up and down the field with both squads trying hard to score but the half ended 3-0.

The second half opened fast and Kenzie McNeil, St. F. X. captain and Jerry Coleman both of hockey fame were working hard for the Blue and White. Chown, of Mount Allison swung through centre at this time for a nice gain while both teams were battling away for a

Tally Again

The drop out was blocked and play hovered around center with a series of scrims. Bartlett was stopped by Cahill when in close and after a few scrims and a throw in with some good kicking by both back fields Chown broke away, passed to Lister who relayed to Miller and a beautiful piece of half line work resulted in another score. Miller converted the try giving Mount Allison a total of eleven points.

Play see-sawed up and down and a few minutes later the Sackville back field started another drive for a score. From a scrum on the Xavier 10 yard line Lister bucked through for a try Miller converted.

St. F. X. tried hard to tally and contested every yard of the field. One of the prettiest plays of the day occurred when the ball went from Chown to Lister to Bartlett to McBeath and the Mount Allison wing placed it over the line, making the score 19-0. Miller failed to convert.

HOCKEY NOTES

FROM THE N. H. L.

Montreal, Nov. 7.—Worters and Charles Leonard, Secretary, brother of Benny Leonard new owner of the Pirate team held a long conference yesterday but Worters stood pat on his demand for \$8,000.

"We are not going to let the players run this league" Calder's ultimatum said. "They have been offered substantial increases in salary and if they refuse to accept they can loaf."

The prodigal has returned. "Bill" Phillips, smart relief forward of the Montreal Maroons, who has been among the missing since

BESTER'S JAW MUCH BETTER

Bester Was One of Montreal's Best Performers Until Injured in last Saturday's McTier Cup Final.

Montreal, Nov. 7.—The M. A. A. English Rugby Club received some pleasant information this forenoon.

It was to the effect that the jaw of J. J. N. Bester will be as good as ever in a few weeks.

As will be remembered the young man got the jaw broken in an exciting bit of play in Fredericton, N. B., when his team played the University of New Brunswick team for the MacTier Cup last Saturday.

It looked very bad for a while, but after he underwent the ordeal of having it set yesterday in the Royal Victoria Hospital the verdict of Dr. Scrymger, who attended to it, was to the effect, that with the necessary rest and care there would be no disfigurement and the jaw would be fit for every practical purpose to which jaws are usually devoted.

SPORT BRIEFS

Unrecognized

New York, Nov. 6.—"Babe" Ruth whose appearance at the home plate is usually the signal for a burst of applause from the spectators at the Yankee Stadium, stood unrecognized in a line with thirty others yesterday at the Municipal Building where he obtained a hunting and fishing license.

It was not known that he was the baseball star until he reached the window of City Clerk Crouse where he registered as George H. Ruth. Mr. Crouse added "ball player" to his description. Ruth did not disclose where he planned to hunt or fish.

A Good Bet

Lexington, Ky., Nov. 6.—Will Rosemire, trainer for the noted Pastime stable of Cleveland acting for A. Finn of Milan, Italy has purchased the trotter, John Gallagher, 2.04½ from the Calumet Farm of Lexington. The horse is a son of Etawah 2.03 who raced so well for the lamented Edward F. (Pop) Geers.

Toronto, Nov. 6.—Secretary F. M. Shepherd, and Manager S. Brown of the Toronto C. N. R. Club of the National League have been suspended until June 1, 1929 by the senior T. and D. Association for illegally approaching players.

the beginning of the season finally reported to Manager Gerard today for the regular workout. He looks in the pink of condition after a life in the open and was quite ready to step on the ice at the Forum this morning.

Phillips spent the last last week hunting in northern Ontario.

Earl Robinson, who wrenched a knee in practice yesterday will rest for the remainder of the week. Trainer Bill O'Brien is working on the member.

Following the Maroons' regular practice, the Canadiens again took the ice and pronounced themselves ready for the trip to Providence tomorrow night. They play exhibition games against the Reds of the Rhode Island city next Thursday and Saturday.

Preparations for the benefit games for the School for Crippled Children to be played Thursday night between first the regulars and reliefs of the Montreal Maroons and then two amateur combinations have been completed. The Forum management is quite ready to handle a crowd that will tax the rink to overflowing. The game is certainly arranged in the interest of a good cause and a silver collection is to be taken.

PHILLIES WILL BE STRONGER THAN IN 1928

New York, Nov. 7.—Manager McGraw made his first move to strengthen the Giants for next year's National league race when he obtained the services of Fred Leach, hard hitting outfielder of the Phillies. In exchange McGraw handed over the release of Frank (Lefty) O'Doul and a bundle of cash.

Leach was born at Springfield, Mo. in 1900 and has played professional baseball for nearly ten years. The Phillies bought him in 1922 from the Waterloo club of the Mississippi Valley League. During the National League season of 1923 he batted .260 as a result of inexperience. So in 1924 the Phillies sent him on option to the Harrisburg club.

Recalled late in 1924, Leach played eight games with the Phillies and batted .460, which indicated that he was capable of remaining in major league company. Playing in sixty-five games in 1925 he averaged .312. His record for 129 games in 1926 was .329 but he dropped to .306 in 140 in 1927.

Leach Heavy Hitter

During the past season Leach's heavy batting and splendid outfielding attracted widespread notice and several National League managers tried to get him. But Manager Shotton refused to consider any offer until McGraw came through with O'Doul and money. Leach bats left handed but is a right handed thrower. He is a six footer and weighs 185 pounds.

McGraw plans to use the new Giant in left field regularly with Jimmy Welsh or Ed Roush in center and Out or Mann in right. Whether Leach, who seems able to hit all kinds of pitching will alternate with Reese in the outfield remains to be seen.

O'Doul's Help

The Giants drafted O'Doul from the Pacific Coast League a year ago because of a great hitting record. Soon after the National League race was started last April, O'Doul sprained his ankle in Boston and was idle for nearly six weeks. He did not begin to help the Giants with his bat until midsummer. As a member of the Phillies he may send numerous drives over the short right field fence in Baker Bowl.

Manager Shotton gradually is weeding out the regulars who were bequeathed to him by Stuffy McInnis last winter. Soon after the late world series he traded Short Stop Heinie Sand to the St. Louis Cardinals for Tommy Thevenow and cash. That was supposed to be part of the deal last summer that sent Catcher Jimmy Wilson to the Cards for Virgil Davis, backstop; Don Hurst first baseman; Southpaw Milligan and Outfielder Peel who played fine ball on one of the Cardinals' "farm" teams this year.

Phillies Built Up

According to Shotton's plans the Phillies infield next season will comprise Hurst, Thompson and Whitney on the bases; Thevenow, short stop; Peel, O'Doul, Southern, Klein and Williams, outfielders; Schutte, Davis and Lorian catchers and a big staff of pitchers. Shotton is receiving a free hand from President William F. Baker who has unbounded confidence in his ability to build up a winning team.

TIRED, WEAK, NERVOUS WOMAN BENEFITED

Praises Lydia E. Pinkham's Vegetable Compound

Asbestos Mines, Quebec.—"After the birth of my second child, I was always feeling tired, nervous and weak and had headaches, backaches and terrible pains every month. I suffered two years before I tried Lydia E. Pinkham's Vegetable Compound. I got four bottles at first and it did me a world of good. I would not be without it in the house now, and have another six bottles in. I recommend it to every woman I know."—Mrs. T. BARRITT, Box 114, Asbestos Mines, Quebec.
