New Zealander May Re-  
tire From Ring in the  
Near Future— Would  
Fight Sharkey, Risko  
or Dempsey Again.

New York, Nov. 27—Whether Tom Heeny, sturdy New Zealand fighter who was the loser in Gene Tunney's last appearance as heavyweight champion, retires from the ring depends on his opponents more than anything else. In his first interview since he reached New York, Heeny said that he was very uncertain about continuing his ring career but that he would like to keep on if he could fight only men suited to his style.

"I want to fight some more and then again I don't," Heeny explained. "My wife wants me to get out while I am sound in body and mind. I feel that I've fought them all. There's no new ones around for me to tackle and I have a little money. I'd like to get into some business which would bring me a satisfactory income. That's one side of it."

**Suits Him**  
"Yet I'd like to keep on if I could fight men suited to me and my style. I don't mean that I want to pick opponents. But what I mean is to fight men near my own size and more closely related to me in style, fellows like Sharkey, Risko, Paulino and Dempsey, any one of the four or all four of them. That would be better than if I fought somebody like Tunney, bigger than me and given to boxing rather than fighting."

Apparently discounting the possibility of wading through an elimination tournament to the heavy-weight title, Heeny did not think much of the money to be won in the ring.

"I suppose I could earn about \$40,000 in a year's fighting," he said. "And against this there is the idea of exposing yourself to injury."

NEW YORK AMERICANS CLIMB  
TO TOP OF HOCKEY LEAGUE

Americans Defeated Senators 1 to 0 at New York  
—Boston Bruins Defeat Pirates 1 to 0—Mar-  
oons Down Maple Leafs on Home Ice 4 to 0—  
Hectic Ice Battles Last Evening.

Montreal, Nov. 27—The Montreal Maroons returned to home ice tonight after suffering a 4 to 1 defeat at the hands of Connie Smythe's Maple Leafs at Toronto Saturday and plastered a 4 to 0 beating on the same team that defeated them at the Ontario capital. The Maroons, strengthened by the return of Hooley Smith, their regular centre, showed an entire reversal of form as compared with their display Saturday and outplayed the visiting Leafs at all angles.

At New York

New York, Nov. 27—The New York Americans kept their record of defeats and climbed to the top of the International division of the National Hockey League tonight by taking a 1 to 0 decision from the Ottawa Senators. Ottawa also was undefeated up to this time. The teams had played a tie in their first meeting of the season.

A brilliant individual play by Normie Himes brought the only goal

of the game. In the middle of the second period, Himes worked his way through the entire Ottawa team to within a few feet of the goal and beat Connell with a perfect shot into the upper corner of the net.

At Boston

Boston, Nov. 27—The Boston Bruins shut out the Pittsburgh Pirates, 1 to 0, here tonight, to become runners-up in the American division of the National Hockey League. The game featured by the defence play of both teams, threatened to end in a scoreless tie until the third period was reached. Four minutes after play started in that session both forward lines staged a scrimmage about the Pirates cage. Harry Oliver fought his way through the pack and was in front of Joe Miller, Pirate goalie when Frederickson circled the visitors' cage. Oliver caught his pass out and jabbed it past Miller. The Pirates tried to even matters, but the Bruins' defensive game was too tight for their forwards.

SPORT BRIEFS

Boston, Nov. 28—The inspiration behind Joie Ray's superb performance here Saturday night when he defeated El Ouafi, Olympic marathon champion and established a new professional record was revealed yesterday with the announcement of his engagement to Alice Eldridge of Cambridge, Mass., well known professional swimmer.

Miss Eldridge was present at the Boston Garden, Saturday night to cheer "Chesty Joie" to victory. Ray set up a new record for the 26 miles 385 yard grind at 2 hours, 34 minutes, 54 seconds bettering Ouafi's record by 10 minutes.

Madame Godbout, wife of Leo Roy's friend and Manager received word today that her husband and Roy will come back home for the Christmas and New Year's holidays.

After that they will go west again for more worlds to conquer, more purses to capture and more opponents to knock out.

Roy's last victim was Dick Holly a Mexican boxer weighing 127 lbs., whom Roy knocked out in four rounds last night at Pasadena, California.

Godbout and Roy will come home by way of Chicago.

MADE 293 RUNS

English Team Made 293 Runs In  
First Inning—Crowds Witness  
Great Matches.

Brisbane, Australia, Nov. 28—England completed the first innings of its cricket match against Queensland today, making 293 runs. In contrast to the tricky wicket on Saturday when Queensland was all out for 116 and England lost six wickets for 112 the pitch today did not assist the bowlers.

Leyland and Geary staged a great rally, the former making his second century of the tour. He put together an invaluable 114 in a fighting, if a rocky, innings. Among his hits were eleven fours. Geary kept up his end staying with Leyland for three hours and being 32 not out.

Leyland batted for three and a half hours. Bowling averages were: Dr. Nothing, five wickets for 78 runs and Rowe three wickets for 23. Three Queensland wickets had fallen for 39 runs when play was suspended until tomorrow.

The victory of the Cadets half by day and half by night as darkness fell early upon the cliffs of West Point, restored the Army's prestige, and exploded the reputation of a rough and powerful but unwieldy Nebraska team.

TROTTER AT IT  
\*\*\*\*\*  
Montreal, Nov. 28—Further evidence that Dave Trotter star amateur left winger and former member of the Varsity Grads, Olympic champions may shortly don a Montreal Maroon sweater, seems to be available today.  
Trotter for the past two weeks has been under the care of Big Bill O'Brien. The Maroon trainer has been getting Trotter in first class shape in secret. Not even the Montreal players knew about the conditioning work, for O'Brien, it is stated on the highest of authority, has taken Trotter in hand after all the others had left the rink, following practice hours.  
There was a runner going the rounds locally that Trotter would jump into the Maroon-Toronto game here tomorrow night, but this could not be confirmed.

TANKER HAULS  
SEA ASHORE TO  
SPUR FISH

A fresh supply of water will be pumped into the Aquarium's reservoir to-day from the Union Sulphur Company's tanker Frieda which on the run down from New Bedford, Mass., filled her tanks with 125,000 gallons of clear deep sea water in order that the fish that are viewed daily by thousands of visitors may continue to exhibit themselves under the best possible conditions.

When the Frieda arrives here to-day she will tie up close to the Aquarium and pump her unusual cargo into the reservoir under the Battery Park. Aquarium officials say that there is a constant flow of salt water from the reservoir to the tanks where the salt water fish are kept and then back again to the reservoir. The tanker C. A. Snider of the Union Sulphur Company brought in 100,000 gallons of water about a year and a half ago and this has continued to be used.

The reason for bringing the salt water in from the open sea is that the water around New York is too oily for the fish to live in.

CROWDS HELP  
STIR PUDDING  
FOR THE KING

London, Nov. 27—A happy occasion to-day was the preparation of King George's Christmas pudding at the cookery exposition at Olympic. This was seized as an opportunity for expression of affection for the ailing sovereign. The public was admitted to help mix their vast confection and for seven hours a steady stream passed by the great bowl.

Never were the big stirring spoons wielded with more vigorous ardor. Nurses, Boy Scouts, Girl Guides, policemen, soldiers and newsboys participated. Two baby girls, one eighteen months and the other six months of age, were helped by their mothers to move the giant wooden spoon in the rich doughy mixture.

Every one who stirred was told to make a wish. "May the King be well enough to eat the pudding," one woman exclaimed.

Toronto, Ont., Nov. 28—Bob Mitchell, Toronto, Monarch Athlete Club won the Gladstone Athlete Club's annual 5½ mile road race Saturday. His time was 28 minutes 50 seconds, breaking by six seconds the record that had been set for the course by Cliff Bricker, Galt, Ont.

Perkins—Have you forgotten that ten shillings you owe me?

Jenkins—Oh no. I still have it in mind.

Perkins—Well why not relieve your mind of it?

"So you want to marry my daughter? Have you any business judgment?"

"Well sir—I'm trying to get into your family, sir?"
