### WHO WALKS A ROAD WITH LOVE

(From the Arkansas Gazette)  
Who walks a road with love will never walk  
That road alone again  
Old lonely things will garb them in the guise  
Of beauty glowing from remembered eyes,  
Hushed, muted things will suddenly rejoice  
With loveliness of a remembered voice,  
And the blown leaves by gentle breezes fanned  
Will touch as light as a remembered hand.

Remembered silences, remembered talk,  
Remembered peace and pain—  
Who walks a road with love will never walk  
That road alone again.  
—C. T. DAVIS

There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhoea checked. A vegetable product; a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day -- night that Baby becomes fretful, or restless. Castoria was never more popular with mothers than it is today. Every drug-gist has it.
