NEW MANAGER OF BANK MONTREAL NOVA SCOTIAN

Mr. Lawson Numbers Among His Antecedents Two Bank Presidents — Has Had a Successful Career.

Mr. G. Lawson, who has been appointed manager of the Fredericton Branch of the Bank of Montreal to succeed the late Mr. G. N. C. Hawkins, comes of an old Nova Scotia family, and is a native of Windsor, N. S. It is interesting to note that his paternal great-grandfather, William Lawson, was the first president of the Bank of Nova Scotia, while his maternal great-grandfather, John Gray, was the first president of the Bank of Montreal.

Mr. Lawson entered the service of the Bank of Montreal in Halifax in 1902. He rose steadily in the ranks, and has acted as accountant in the branches at Amherst, Moncton, St. Roch, Saint John, N. B., and Quebec. In 1919 he was appointed assistant manager in Quebec, and in 1920 he was transferred to the Yarmouth office as manager, holding that position until the date of his present appointment.

In Yarmouth Mr. Lawson took an active part in the business and social life of the community. He was for two years President of the Board of Trade, and he was Treasurer of the Nova Scotia Sea Fisheries Association and the local Golf and Country Club. He is a member of the United Church of Canada.

A Press Tribute.

The Yarmouth Herald, in announcing Mr. Lawson's forthcoming departure for Fredericton, says:

"Mr. Lawson's kindly advice was not only felt and heeded to good advantage in those organizations, but owing to his insight into conditions he was frequently consulted by numerous individuals of Yarmouth and vicinity. In consequence, by Mr. Lawson's removal from Yarmouth the town suffers the loss of a valuable citizen, financially, socially, or in any other capacity in which he appeared. Although deploring his removal, the best wishes of many acquaintances in Yarmouth Town and County will follow Mr. Lawson, also Mrs. Lawson and family for their future prosperity."

Norene—What's the idea—keeping me waiting fifteen minutes?

Harry—Darling I'm sorry. I expected you to be at least a half hour late.

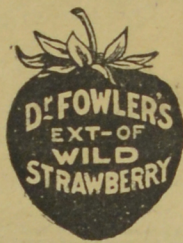

Owner—You know I expect to get married when this house is finished.

Builder—Well do you want us to slow down or hurry up?

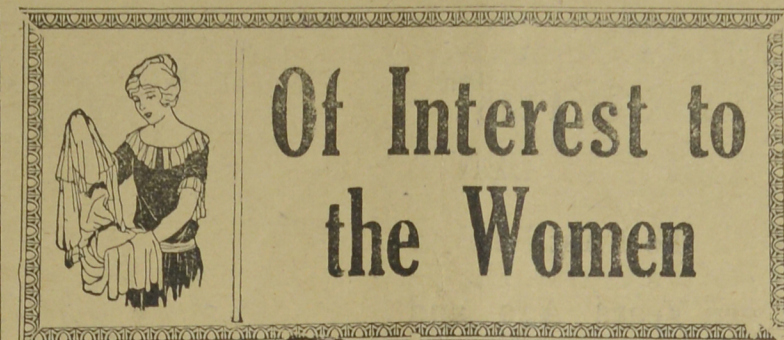

She—Do you expect to go out after we're married?

He—Well I might run out of cigars now and then.

Of Interest to the Women

LADY FASHION

AND HER FADS

Both gathered and shaped flounces are important when placed low on the dress.

Ruffles, flounces, tiers and panels show the feminine mode is still important.

Laces are profusely used over satin or taffeta.

A white satin jacket smoking type is smart when worn over an evening gown of black chiffon.

Balanced and asymmetric themes are both fashionable.

Skirts mostly confide their fullness in pleats at the front.

Silk embroidery, combined with a restrained use of beading is noted on French evening dresses.

Little Bo-Peep is a popular pattern in printed crepe de chine used for lingerie.

For formal afternoon wear, sheer fabrics, both printed and plain and laces predominate.

MOST people know this absolute antidote for pain, but are you careful to say Bayer when you buy it? And do you always give a glance to see Bayer on the box—and the word genuine printed in red? It isn't the genuine Aspirin without it! A drugstore always has Bayer, with the proven directions tucked in every box:

Aspirin is the trade mark (registered in Canada) indicating Bayer Manufacture. While it is well known that Aspirin means Bayer manufacture, to assure the public against imitations, the Tablets will be stamped with their "Bayer Cross" trade mark.
