

PROHIBITION OFFICIALS MADE RAID ON ROYAL YACHT CLUB AT HALIFAX AND SEIZED BEER

Halifax, N. S., Aug. 11—Inspector E. court.

S. Tracey, who has a keen eye for Mr. Crane stated he did not know booze, recently followed an illusive exactly where the beer came from but trail that took him along the water it was from some place in Halifax.

The money was paid to a Mr. Oland. He could not say whether it was Colonel Sydney Oland or Mr. Oland.

D. K. Grant, inspector-in-chief, appearing for the prosecution asked J. D. C. Stewart, appearing for the defence, if he would admit that it was Colonel Sydney Oland who had collected the money for the beer, but Mr. Stewart declined to make any assertion.

Mr. Tracey was ordered to bring back to court the beer which for want of a better place he had removed to his house.

D. K. Grant stated, as the case was adjourned, that he was willing to continue the case and not call Colonel Oland, who is one of the best known figures in the social world of Halifax and a man with a distinguished record, if Mr. Stewart would admit the collector was Colonel Oland, but Mr. Stewart was mute.

In the meantime the jolly atmosphere of the finest club in Halifax has suffered a very deep and damp depression and members wander about the rooms with a sad and gloomy expression. Even the yachts are part of the general gloom and take to the sea sadly.

So much comment was caused by the raid that it is said efforts were made to call the case off.

Temperance forces, however, decided to continue it.

And with Mr. Crane giving evidence, the names of two members of the Oland family, one a member of the Yacht Squadron were brought into

NURSES know, and doctors have declared there's nothing quite like Aspirin to relieve all sorts of aches and pains, but be sure it is Aspirin the name Bayer should be on the package, and on every tablet. Bayer is genuine, and the word genuine—in red—is on every box. You can't go wrong if you will just look at the box:

Aspirin is the trade mark (registered in Canada) indicating Bayer Manufacture. While it is well known that Aspirin means Bayer manufacture, to assure the public against imitations, the Tablets will be stamped with their "Bayer Cross" trade mark.

A BODY OF WATER

I've seen the lake's headwaters—
The place they call the source
And its arm, they say, is in the bay
That's lower down of course.

I've seen the face of the waters
And seen it smile to boot!
But although I try I can't see why
Its mouth is at the foot.

Castoria is a comfort when Baby is fretful. No sooner taken than the little one is at ease. If restless, a few drops soon bring contentment. No harm done for Castoria is a baby remedy, meant for babies. Perfectly safe to give the youngest infant; you have the doctors' word for that! It is a vegetable product and you could use it every day. But it's in an emergency that Castoria means most. Some night when constipation must be relieved—or colic pains—or other suffering. Never be without it; some mothers keep an extra bottle, unopened, to make sure there will always be Castoria in the house. It is effective for older children, too; read the book that comes with it.
