DEMPSEY DENIES HE IS TO START TRAINING SOON

Los Angeles, March 5—Jack Dempsey today denied that he is was going to begin light training at Orangeburg, N. Y., in two or three weeks as reported by Promoter Tex Rickard in New York today. The ex-heavyweight champion said that he plans to go to Orangeburg but only to visit friends, "not to train."

Dempsey said he expects to leave for New York about April 1.

Fusiliers and Bearcats Fail to Decide in 2 Games

Game at Saint John Last Night Ends in 2-2 Tie —Third Game to be Staged in Halifax.

Staging their famous third period come-back in a thrilling and sensational display of dogged determination, the Saint John Fusiliers flung themselves into the attack and equalized the Bearcats score of two goals, before the team had realized the fact and carried the play to three overtime sessions to a two-all tie, in the Saint John Arena on Monday night, before a record crowd, estimated at 4,500 people.

Speed and stick handling ability, combined with brilliant play, failed to beat the sturdy Soldier squad who broke down the six-man defense of the visitors and then took advantage of every opening.

Following the two and one-half hours of this brand of hockey, played at Truro and here, never before witnessed in the Eastern Provinces, the Maritime title remains undecided and a third game by virtue of the two draws, will be necessary.

Going at a terrific pace, which was maintained throughout the 90 minutes of strenuous battle, the Fusiliers fought the evading Bearcats toe to toe, faltering only in the second period when the latter notched their mark.

The first was an easy shot from Ryan, following 11½ minutes of play, when he let drive from left wing. It flashed by Ernest and Wilson made a stab at it with his left glove but missed and the ruby glare proclaimed to the crowd that the Bearcats had drawn first blood.

Six minutes later Murdock and Fraser, in a pretty play, brought the crowd upright when they invaded the defensive zone and the latter passed to Murdock who swept in on Wilson.

The Soldier goalie rushed out in a desperate attempt to save, but was

TRAINING BITS

Atlanta, March 6—Workouts in the Southern training camps of major league clubs rapidly are approaching top speed as exhibition dates draw near and today saw many luminaries showing competitive form as regulars and yannigans lined up for impromptu scraps.

Holdouts also are attracting attention of the managers, as yesterday marked the deadline of reporting, and some camps still are minus box office attractions of many years. Joe Judge deserted the holdout ranks today, signing with Washington again.

Joy reigned in the Athletics camp at Fort Myers, where Connie Mack is grooming his 1928 machine. Tris Speaker took his regular turn at bat, hitting many offerings square on the nose, then took a turn in the outfield. The news of Ty Cobb's coming reacted as a tonic.

At St. Petersburg Miller Huggins devoted much of his attention to the rookies in batting and fielding practice.

Jess Haines warmed up today under the watchful eye of Manager Bill McKechie in the Cardinal Camp at Avon Park, and after looking over Haine's knuckle ball, Bill indicated that he will get the call for a turn

outguessed and the score read 2 to 0 in favor of the visitors.

Give Their Answer

It was in third stanza that the militiamen gave their answer to Manager Bill Flemming and the Truro team. At the five minute stage Clark and Keating got away, following a poke check play at Ryan, and rushed in beyond the opposing blue line. Keating on the right being forced to the boards by Mann, drove the "liner" at Kuhn in goal, it struck the pads, glanced off and Clark swooped down on it to sag the net for the first tally on his team's card.

TEX THINKS THAT GENE AND JACK WILL MEET AGAIN

New York, March 5—Putting a new twist to the French slogan, Tex Rickard set out today to "Cherchez l'homme" in his discouraging quest for a challenger to face Gene Tunney in heavyweight title combat here next June.

"I'm still looking for the man to fight the champion," he said. "These elimination tournaments merely get more complicated as they go along. Tom Heeneey certainly won't do on the showing he made in beating Jack Delaney on March 1. Perhaps there will be a spectacular winner to the Jack Sharkey-Johnny Risko match, March 12. Right now you know as much about who'll fight Tunney in June as I do. I think all the contenders are terrible."

Along with this frank admission came Rickard's open avowal that he wants Jack Dempsey back in the fight picture again. And despite the ex-champion's denial that he will start light training soon at Gus Wilson's camp in Orangeburg, N. Y., the promoter admitted he was bringing strong pressure to bear on the Manassa Mauler in the hope of another comeback campaign.

Dempsey is due here late in March to continue legal skirmishes with Jack Kearns, his ex-manager. Rickard will leave about that time for Florida to tune up his golf game and no meeting is scheduled here. However, it was intimated that the promoter plans to stop long enough in Philadelphia or Wilmington, Del., to confer in private with Dempsey, far from the prying eyes of New York's journalistic Hawks.

Rickard has no hope that Dempsey will fight in June and very little that the Californian will undertake a third match with Tunney in September. Pending the outcome of the Sharkey-Risko bout the promoter will go ahead with plans to match Heeneey and the winner of this second elimination semi-final some time in May.

Brooklyn's Robins took a full three-hour workout at Clearwater. A large squad of late arrivals increased the recruits of the Phillies at Winter Haven. Manager Shotten has ordered a practice game tomorrow, to get a line on his club for his opening game with the Athletics at Fort Myers next Wednesday.

The Cincinnati Reds took batting and fielding practice at Orlando. The St. Louis Browns at Palm Beach staged the first game of the season for which admission was charged, facing an aggregation of barnstormers, coaches and newspaper men in a charity game.

Manager Buckey Harris donned his uniform at Tampa and the Senators in camp went through a stiff session. George Sisler and Garland Braxton answered present today, but Muddy Ruel, pitcher Jones, infielder Taylor and outfielder Kloza are still absent.

Johnny Nuen, first baseman, Charley Gherringer, second baseman, and short stop Frank Emmer of Minneapolis joined the Detroit Tigers at San Antonio.

Cleveland had a routine workout at New Orleans. The White Sox at Shreveport took two sessions.

WHY IS THIS WRONG?

It is unwise to guess the weight of a letter to determine the amount of postage required. Such guessing often results in "Postage Due," which may cause delay in delivery, and, in the case of business letters, often results in a dissatisfied customer.

Removes Warts

"ENGLISHWOMAN" writes to the Montreal Star:

"I read a letter in your paper asking for a remedy for warts, and as I found one that took an ugly one off the side of my forehead I will give it to you. I had a bottle of Minard's Liniment in the house that I use for rheumatism, and casually reading directions I saw it was a good thing for corns and warts, so being so simple I tried it. Just dab it on with the cork two or three times a day letting it dry on. Well it all went away in about two weeks, dried up and came off by degrees."

"Another also appeared on my cheek so large, but I applied the same remedy and could pick it off like the other."
