

# Closing Exercises of the City Schools Held Today

Usual Interesting Program's Conducted In Various Schools This Morning—Large Number Parents Visitors See Christmas Programs—Children With Perfect Attendance—Decorations Splendid.

The exercises marking the close of the Christmas term of the city schools were held this morning in all the schools, with splendid attendance and very pleasing programmes. The programmes of the different schools proved very interesting and the large number present voiced their pleasure with enthusiastic handclapping.

The work of the scholars on the blackboards showed great talent and many were the expressions of praise from the visitors who made the rounds of the various class rooms. The drawings consisted of pictures of Santa Claus, reindeers, and other festive season characters and objects. The attendance for the term in every grade was of a high standard and the quality of scholarship was maintained.

## A Real Family Christmas Gift

# Westinghouse

## Batteryless Console DeLuxe

JOYOUSLY old and young alike will welcome it—jubilant to see it's a Westinghouse Master-piece—finest product of the Radio Pioneers of the world. There is a glamour and fascination both in giving and receiving the most advanced radio instrument that has ever been produced.

IT isn't merely those who know radio who have acclaimed the Westinghouse to be without a peer but thousands of owners in every town, city and community across Canada. Ever since this model came on the market there has been such a demand that Westinghouse facilities, great as they are, have been unable to supply sufficient sets for every home that wants one.

## Batteryless Radio

When you buy a Westinghouse you own the world's most advanced radio

NOT ONLY—  
WESTINGHOUSE ENGINEERS pronounce this instrument the realization of Radio at its Best—supreme in performance—the ultimate achievement in "true-to-life" reproduction of any radio program on the air—  
WESTINGHOUSE DEALERS voice their enthusiasm for its outstanding ability to separate stations—its striking power on weak or distant broadcasts—its simple and positive operation—its beauty of design and trouble-free, sureness of pleasing the owner—  
CRITICAL MUSICIANS prick up their ears, mystified to hear radio as harmonious in note and pitch as the actual instruments themselves—and real, living voices, thrilling with the personality of the singer.  
DISTANCE FANS gloat over the marvel of tuning in stations with clarity and volume, seldom, if ever, heard on Batteryless Radio before.
