BRADDOCK WINS SURPRISE VERDICT

Heavyweight Crown Passes To Man Who Was Down and Out Two Years Ago—Champion Was Outfought Throughout Battle—Braddock Will Fight Winner of Louis-Carnera Bout.

MAISON SQUARE GARDEN BOWL, New York, N. Y., June 13—Max Baer couldn't lick the man depression could not lick, and so lanky, hungry Jimmy Braddock, longest long shot of them all tonight came gallantly to the almost unbelievable conclusion of a desperate quest—heavyweight champion of the world.

He came plodding, sometimes stumbling, but always clear-eyed and courageous, and in the end, as 30,000 stunned but prayerful spectators screamed him on—sensing one of the most dramatic moments in the history of the prize ring—they lifted his hand in victory, conqueror of the glamorous Baer by the unanimous decision of Referee Johnny McAvoy and two judges after 15 bitter rounds.

He had done the impossible, this 29-year-old Irish icicle from New Jersey, a 1 to 10 shot when he calmly touched his gloves to those of the glittering, sun-browned champion as the starting bell echoed through the great sunken bowl, rang out over the heads of the big crowd, come to hope for him, to suffer with him, not daring to believe he could win.

And as he struggled on, gamely fighting the best fight that was in him, taking everything that burly Baer hurled at him, shaking off punishment, stabbing out incessantly with his left, punching it out bitterly when he had to with the man whose smashes completely demolished Max Schmeling and the former champion, Primo Carnera—you could feel the tension increasing, feel breaths shortening, until the pressure was so great the hair stood up on the back of your neck.

Braddock fought a beautifully paced fight, stabbing the champion incessantly with lefts, slugging fearlessly with him when he had to. The crowd roared approval of the decision.

Referee Johnny McAvoy said after the fight that Baer, despite frequent warnings, hit low four times, and back handed twice. Thereby losing six rounds for fouling.

Fearless, apparently impervious to punishment, Braddock swapped rights to the jaw with the man whose rights were believed impossible of assimilation.

In close he leaned in with Baer, stood toe to toe and head to head with, and though at times Max rocked him to the heels with right uppercuts, bloodied his nose and little things like that, Jim never faltered.

Savage Uppercuts
In the 10th and 11th, a maniacal scowl on his dark, unshaven face, Baer battered at Braddock's head with the one punch he was able to land consistently all night—a savage right hand uppercut at close quarters.

It shot Braddock's head back, ripped his nose until the blood came, and if the gallant, durable challenger were to go, there was the time. Instead of weakening, Braddock fought back all the harder, whamming long rights into Baer's body, banging him time and again flush on the chin with rights, stabbing him silly with left jabs, and staring always at him. His owl eyes unblinking over the right shoulder, never faltering.

Baer fought like a wounded grizzly at bay in the last two rounds. He raised welts on Braddock's sides at times with his long right, clipped him again repeatedly on the chin with right uppercuts, but Jim was the stronger of the two. He never stopped punching back and when the final bell rang, and the new champion's hand went up, Baer was first to congratulate him.

JESSE OWENS WILL TRY TO LOWER MARK

Colored Track Star Now On Western Coast For Meet With U. of S. C.—Coach Comments.

LOS ANGELES, Calif., June 13—Coach Larry Snyder, of Ohio State, the one man who might be pardoned for a few rash remarks about sprint records since he has a chap named Jesse Owens on his squad, conservatively predicted today 9.3 seconds is the fastest any runner of the present generation will do for 100 yards.

Coach Snyder, who has Owens and a dozen other athletes on the West coast for a dual meet with Southern California, the collegiate champion, ships at Berkeley and the far Western A. A. U. meet at San Diego, believes his dusky protege will be the first to clip that slim tenth of a second off Frank Wykoff's world mark.

"The best that can be expected of Owens in the 100-yard dash," said Snyder almost apologetically, "is 9.3 seconds. As a matter of fact, I am convinced no runner of the present generation will do better than that."

"If Owens is to run the hundred that fast—or any other runner, for that matter—he must have a combination of a perfect track, stiff competition and run from start to finish without a mistake."

Boston Colored Giants Beat Halifax

HALIFAX, June 14—In a fortnight of campaigning the South Shore of Nova Scotia Boston Royal Giants have created an impression they are unbeatable when they want to be.

They earned their win yesterday, defeating Halifax Willow Parks, city champion, 5 to 2, in as classy a game as Haligonians have witnessed this season.

The dusky Bostonians have suffered but one reverse since striking this province, Lockeport defeating them, 2 to 1.

Fredericton Pets In Win Column

Score 7 to 4 at Queen's Square Last Night, Pets Taking Marysville Into Camp—Heavy Clouting Features Contest—Garvie Kept Marysville's Hits Scattered.

Fredericton Pets broke into the win column at Queen's Square last evening, beating Marysville Maroons 7 to 4. It was the Pets' first victory of the season and a fair-sized crowd watched the game, which went eight innings.

The game was signalized by Garvie's return to form on the mound, the veteran Pet hurler permitting eight fairly well scattered hits, and subduing the Maroons, save for a shaky eighth frame, when the visitors scored two or their runs.

Heavy hitting featured the contest the Pets collecting ten bingles off "Jakey" Cain, who did the pitching for Marysville. McLenahan, Percy Thompson and Garvie piled out eight of the hits among them, one of "Bus" McLenahan's being a three-base play. McPherson doubled off the Pet hurler early in the game.

Billy Lifford, Sleep and Ken Jewett at the first bag, shone for the Pets in the field, while Doherty, Meehan and Peterson were outstanding for the visitors.

Following is the box score and summary:

On Cricket's Roll of Fame

FROME, Eng., June 14—The name of Harold Gimblett, 18-year-old farm boy of Watchet, a Somerset village, has been added to cricket's scroll of fame. Playing for his country against Essex recently in his first match in senior cricket, young Gimblett scored 123 runs in 63 minutes. And the best part of the story is that he was chosen for his bowling.

H. V. Kaltenborn, noted news commentator who is heard each Friday evening on the Columbia Broadcasting System network, is going to do some fast-travelling while he is in Europe this summer. He has arranged with the Imperial Airways to "commute" by plane between the various capitals of Europe and London. His son, Rolf, will act as his advance agent, arranging interviews with government leaders and other outstanding personalities in each country.

Buck Rogers' prophesies seem to be bearing fruit. A concern named Radio Vision, Inc., of Columbus, O., plans extensive explorations of the outer air beyond the stratosphere, using a liquid fuel rocket. Ten rockets would be sent to heights of more than 100,000 feet carrying government recording instruments and a special technicolor camera. First flights are planned in six months, possibly on the Tobyhanna Heavy Artillery Range atop the Poconos.

UNITED STATES DAVIS CUP TEAM IN ENGLAND

Captain of U. S. Team Says His Players Will Have to be at Top Form To Win From Austin and Perry.

LONDON, June 12—The United States Davis Cup tennis team arrived today and will plunge into preliminary competition in the Queen's Club tournament next week, playing singles and doubles.

Wilmer Allison and John Van Ryn will form one American doubles team in that tournament and Donald Budge and Gene Mako another Sidney Wood, fifth member of the squad, will team up with Enrique Maier, veteran Spanish Davis Cup player.

Joseph W. Wear, of Philadelphia, captain of the team, appeared none too sanguine about winning the cup from England, assuming the United States survives the inter-zone finals, probably against Australia.

"Bunny Austin and Fred Perry always are very good," he said. "Our boys will have to be at the top of their form and Austin and Perry a little bit off if we are to beat them."

Five of the six two-year-old trotters that started at Langhorne came from the last November sale of yearlings in New York and cost collectively \$1,145. Four of the five were foaled at Hanover Shoe Farm. Hanover Moccasin, the filly by Bunter, 2:04½, that won in 2:13½ and 2:20½, was struck off to William Bull, of Meigs, Va., for \$200. Elf Hanover, a daughter of The Great Volo, that won three money, went to the same owner for \$150.

Harry Pownall, of Mineola, L. I., bought Hanover Mettle, by Bunter, and Linda Hanover, by Guy McKinney, 1:58½, for \$210 and \$500, respectively; Bertie Signal, by Signal Peter, 2:05½, brought \$35. Hollywood Gypsy, bred and owned by John L. Dodge, won second money. The much talked-of two-year-old filly Silverdale beat 2:10 in winning the race for juvenile pacers. Her Philadelphia owner paid \$1,000 for her as a yearling. She is expected to meet H. Stacy Smith's Sister Abbe at Goshen on Tuesday of next week. This one has been showing two-minute speed in her recent work with William Hudson behind her. W. F. Caton drives the other. Both fillies are by Abbedale.

NEW YORK, June 14—Frank Frisch manager of the world champion St. Louis Cardinals, was fined \$50 and suspended for two days by Ford C. Frick, president of the National league yesterday, for Frisch's run-in with umpire J. W. Sears in Boston Wednesday.
