Harassed by Floods,  
Town Will Be Moved

SLAVE LAKE, Alberta, Oct. 26.—Harassed by floods from Lesser Slave Lake for the past two years, this Northern Alberta town, virtually abandoned for the past four months, has given up the struggle. The town will be relocated two miles south of the old townsite. Engineers started work on the new site today.

FIVE-YEAR FRANCHISE GOES  
TO CAPITAL BUS COMPANY

At a special meeting held by the City Council yesterday afternoon in the city hall a five-year bus franchise was granted to the Capital Bus Company, of which W. E. Vaughan and C. N. Goodspeed, of this city, are joint directors. The council considered briefly two applications for the franchise, one being Highway Transport, Limited, which offered to put into use three busses, and whose claims, had been presented by J. J. F. Winslow, K.C.

Choice of the Fredericton bus company was made on the motion of Ald. Moses Mitchell, seconded by Ald. David McCaughey. Ald. Mitchell read the report of the special committee which had been appointed at a previous meeting, to look into the matter and suggest regulations covering such a bus service in this city.

## Conditions Named

Granting of the franchise is on the following conditions: first, that insurance and general safety requirements, under the N. B. Motor Carrier Act be complied with; second, that three busses be put in operation, at a fee of no more than five cents to

each passenger; third, that the service be subject to the traffic by-laws and operating on regular routes; fourth, the franchise be granted for five years; and fifth, that two per cent of the gross earnings be paid to the city, payments by the month.

There was some discussion on the matter by the council members. Ald. Mitchell thought it best to give the franchise to the Capital Bus Company because it was a local concern, its owners were tax payers, and that W. E. Vaughan, one of the owners had a number of men in his employ. Ald. McCaughey in seconding the motion, believed that since the Fredericton company had been first in asking for the franchise it should be given first choice.

## What of Taxi Drivers?

Ald. Ralph Gunter questioned whether the taxi drivers had raised any objections, and whether it would interfere with their business. The answer was given that it would not interfere to any great extent. Ald. Dr. H. S. Wright made the point that the company should be subject to the penalty of cancellation of its franchise should the service be bad. Alderman Mundie wondered if Fredericton was within its rights in granting such a bus franchise, but there was no contrary opinion on the part of the council.

On the vote Ald. T. Ivan McKnight was the only dissenting voice. Mayor W. G. Clark presided at yesterday's special meeting and the following aldermen were present: Ivan McKnight, David McCaughey, H. Ralph Gunter, Dr. H. S. Wright, G. Willard Kitchen, Moses Mitchell and F. S. Mundie.

## New Dump Open Nov. 1

The council also considered the matter of the new dump, and His Worship Mayor Clark read certain regulations which had been suggested for the new dump, including legal hours of dumping and the names of things which can be thrown on the dump site. The Daily Mail was largely instrumental in getting action as regards a new dump site and have frequently mentioned the feelings of the citizens against the old dump.

Decision was made to penalize anybody who dumps articles between the hours of 5 p.m. and 8 a.m., the penalty not to exceed a \$50 fine.

The old dump site will be discontinued on November 1, and on motion by Ald. Mitchell, seconded by Ald. Kitchen the new dump will be ready for dumping at that date. Another special meeting scheduled for November 15, will have as one of its duties, consideration of dumping regulations. Ald. McCaughey passed the opinion that it might be just as well to wait until spring to put the new dump in operation, but Ald. Mitchell proposed that the old dump had become too objectionable. He believed that the council should act at once.

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about "ASPIRIN."

He will tell you that before the discovery of "Aspirin" most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate "Aspirin" among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this.
