PROGRAM FOR JUBILEE DAY GIVEN FINAL O.K.

Final Meeting General
Committee Arranging
For Big Celebration

Program Changes

Chairman Ald. Forbes
Thanked Committee
For Support

The last meeting of the general
committee looking after the provin-
cial celebration here on Monday in
conjunction with the King's Silver
Jubilee, was held last evening in the
council chamber of the city hall. Ald.
C. Hedley Forbes, chairman of the
committee presiding.

Final reports from the various com-
mittees were received and the
final touches were added to the pro-
gram for the day. There were several
slight changes made in the tentative
program outlined a while ago. At
the conclusion of the meeting Ald.
Forbes thanked the general commit-
tee for its support and co-operation.

Additional Prizes

Announcement was made during the
evening that an additional \$25 had
been donated for prize money for
floats by a large utility corporation
with an office in this city. This
makes \$15 available for prizes of \$10
and \$5 for floats in competition among
the schools of the city. These are
in addition to those already announ-
ced, and published in the Daily Mail
yesterday.

Archie Williams, chairman of the
Broadcasting Committee said that the
afternoon ceremonies will be broad-
cast over CFNB, commencing at 3:05
o'clock, immediately after the ad-
dress of His Majesty. A massed
choir composed of over eighty voices
will sing on that occasion, it was stat-
ed by Hedley Wilson, chairman of
that committee.

A large number of floats, decorat-
ed cars and bicycles will take part
in the mammoth parade, which is
planned. Nearly \$200. will be given
in prizes. The parade will get under
way at about 2 p.m., and will not
disband until about 5 p.m.

Ald. C. Hedley Forbes, chairman of
the general committee, presided and
there was a quite complete attend-
ance of members.

Mrs. W. G. Clark reported on the
children's parade program, suggesting
that the time of assembly for the pa-
rade be 9:30 instead of 10 o'clock in
the morning in order to allow for
time for all to be present. Reports
were received from the fireworks, the
broadcast and the parade committees.
G. Alvah Good said that the illumina-
tion of the beacon by the Boy Scouts
would be held at South Devon, in-
stead of Popple Hill as at first plan-
ned. The site will be on the Devon
shore opposite the city.

Hedley Wilson reported for the mu-
sic committee. At least eighty voices
will be available for the singing, he
said.

Ald. Warren Maxwell, chairman of
the program committee, gave notice
that the program was completed,
with a few slight changes.

Ald. Mundie, chairman of the Floats
Committee, said that an attempt was
being made to bring other towns into
the celebration, Stanley being espe-
cially mentioned. The dog team from
that place would be interesting. De-
von and Marysville will be represent-
ed, he said. The floats will be many
and will be variously decorated. An
attempt is being made to have each
float placed so as to satisfy every
owner.

The prize list is an elaborate one,
Chairman Mundie said. One judge
will be from this city and two from
outside places.

Ald. Mundie gave notice that the
Floats Committee had held a short

Keep dinner waiting if someone is late and still have it hot, juicy
and savory. Save extra dish washing and time by serving in
PYREX dishes. The food looks attractive and will keep hot for a
second serving—and put left-over food away in the refrigerator
in the same PYREX dish, for it stands both cold and heat.

"The Fairest Looking Shoe May Pinch the Foot"

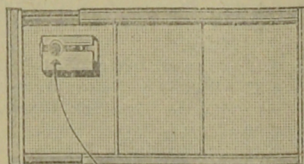

Many of us know the truth of the aphorism, "The fairest
looking shoe may pinch the foot."

Before you purchase a work shirt it is plain common sense on
your part to ask your good wife how many yards is required in
order to make a roomy work shirt for a man. With this information
tucked away in your "thinker" you will realize how utterly impos-
sible it is for any merchant to sell full cut shirts at prices you often
see them advertised at. It is also well to bear in mind the fact that
"cheap sale" work shirts have the appearance of the better grade
article. "The fairest looking shoe may pinch the foot." In a work
shirt it's the Size, the Quality and the Fit that counts. Work Shirts
