

BUY "XLO" COAL

MACHINE-MINED

When you are in need of Screened, Stove Lump, Run-of-Mine, or Slack Coal for Steam or Household Purposes Consult us

The Minto Coal Co., Ltd
MINTO, New Brunswick

Harvey Creamery Harvey Station, N.B.

(The Home of the Pure Bred Jersey Herds)

Butter being our only product, we specialize in the manufacture of the highest quality possible.

During June and July we manufactured 80,000 lbs. of butter and we did not have sufficient to fill our orders.

Quality counts — and when you buy Harvey Butter you are sure of getting a fine quality product.

LOS ANGELES, August 28—"Rusty" is just a sissy. At least, Edward Waldron convinced the police commission his lion was not a menace in any way, shape or fashion, and might be kept in the back yard in perfect safety in the neighborhood.
"Rusty doesn't eat meat, has to have all his food cooked and drinks three quarts of milk a day," said Waldron.

2 MILES WEST OF HARVEY ON MCADAM AND ST. STEPHEN ROAD

CAN NAME ONLY TEN GENTLEMEN

CANNES, France August 28—Elsa Maxwell, American author famed for her parties, had to "think hard" today to name the world's ten greatest gentlemen—"because there are so few of them left."

Her list follows:
Henry Worthington Bull, president of the National Steeplechase and Hunt Association and the Turf and Field Club.

Ignace Paderewski, pianist
Jesse Isidor Strauss, American Ambassador to France.

Frank Olivier, headwaiter at Hotel Ritz, Paris.

Frank Crowninshield, editor of "Vanity Fair."

Baron Eugene de Rothschild, Austrian banker.

Winthrop Williams Aldrich, New York banker.

Charles Evans Hughes, Chief Justice of the United States.

Sir Johnston Forbes-Robertson, the English actor.

The Marquis de Polignac, French champagne merchant.

Miss Maxwell was vague about Hollywood. "I suppose there must be some gentlemen there, but I never met any," she said.

Her qualifications for a gentleman are:

"He cannot support a family. That is hard work, leaving no time for politeness."

"He cannot be an artist, because people painting pictures are egotists."

"He cannot be an author. Authors tell the truth sometimes. That is rude."

"He must not dress as well as his valet, because a too carefully dressed man is full of vanity. No gentleman is vain."

"He cannot be a member of royalty, because no gentleman can allow beautiful women to curtsy continually before him."

It takes a lot of time to be a gentleman, Miss Maxwell said. "There are only a few of them left because women don't like them. They find them too slow."

Explaining Qualities
Miss Maxwell explained her selections in these words:

"Ambassador Straus combines tact with sincerity, a difficult feat for diplomats. He treats his store employees (R. H. Macy & Co.) in New York, with the same courtesy he accords the French aristocracy."

"Olivier is only a head waiter, but he is such a perfect gentleman that I regret always he has to serve my dinner instead of being my dinner guest."

"Crowninshield combines perfect manners with gallantry to women. He is a great gentleman because he apologized recently to the Emperor of Japan for a cartoon of the Emperor printed in Vanity Fair as only Lord Chesterfield could."

"Baron Rothschild, husband of the beautiful Kitty Spotswood, the former Kitty Wolf of Philadelphia, combines simplicity, good manners and loyalty. He gave up the greater part of his fortune to pay depositors when a bank owned by his relatives cracked in Vienna."

"Aldrich, although a good banker, is musical and cultivated."

"Justice Hughes has dignity, intellectual honesty and spiritual courage."

"Sir Johnston Forbes-Robertson combines stateliness with wonderful manners and a delicious personality. He is married to Gertrude, sister of Maxine Elliot."

"The Marquis de Polignac combines gaiety, kindness and perfect friendliness. He has an American wife (the former Mrs. Nina Floyd Eustis of New York)."

"Bull and Paderewski—well, they are simply the world's greatest gentlemen."

NEW YORK, August 27—Frank Semsker, button maker, saw a man with a gun, and who had a cloth over his face, in the store of a fellow-button-maker. He sounded a police alarm.

The police found a painter with a spray gun painting a pile of baskets and wearing a dark cloth over his face to protect himself from the paint.
