## WASHINGTON VOICES REGRET

Says Cartoon in U. S. Magazine Misunderstood in Japan

WASHINGTON, D. C., August 6—The state department expressed its regret to Japan yesterday that an American periodical's cartoon of the Emperor had been misunderstood.

Secretary Hull called to the attention of Ambassador Saito that Frank Crowninshield, publisher of the magazine Vanity Fair, already had publicly denied the caricature had been meant to be offensive. The secretary added he was always sorry when incidents or situations occur which occasion misunderstanding abroad.

Ambassador Saito, discussing what he called the "unfortunate incident", indicated United States officials had expressed their regret at the misunderstanding which had arisen because of divergent national ideas of humor. The same officials emphasized the United States exercises no control over the American press and could not be responsible for what it publishes.

## Lower Prince William

Lower Prince William, August 6—The majority of the farmers will finish haying this week. The recent heavy showers are of great benefit to the crops.

Rev. Mr. Barker of the United Church held an open air service on Sunday afternoon at Lake George. Members of the Wilmot church choir in Fredericton furnished some excellent music. The service was greatly enjoyed by the large gathering.

Mr. and Mrs. Frederick Betts returned last Thursday from their wedding trip and were tendered a charivari at their home Friday evening.

Mrs. Murray Long entertained the Orange Lodge Circle at her home last evening. Mrs. Howell won the Circle prize and Miss Elva Appleby the contest prize. Refreshments were served at the close.

Several parties from this section are going to attend the big field day tomorrow at the Experimental Farm.

Our Boy Scouts are leaving today for Lake George where they will enjoy camping for a few days.

Miss Violet Jones is spending a few days with Mrs. James Miller.

Miss Carrie Jewett is enjoying a week's vacation at her home in Caverhill.

Mrs. Frank Jewett and family are camping at their former home here. They will return to the city next week.

The Aid held their annual August picnic at the Burden school grounds last Thursday afternoon.

## Want League to Assert Authority

(Continued from Page One)

These small nations compromise most of the League's membership. To them the League is not an instrument of diplomacy, in which a few nations dictate policy, but a protection against aggression. They feel that if Ethiopia is to be sacrificed, they themselves may be sacrificed later.

Only five days intervene between the scheduled Council meeting September 4 and the annual League Assembly on September 9. The Council members may agree to evade a decision on Italy and Ethiopia; they can not suppress debate in the Assembly.

The League covenant under which Italy and Ethiopia like other nations agreed to protect each other against attack; the Briand-Kellogg anti-war pact and a third peace treaty—the peace pact sponsored by Dr. Carlos Saavedra Lamas of Argentina will all be invoked and Italy and the United States are signatories of this little-known pledge against war and the small powers' representatives believe that if it were invoked they might interest the United States actively in a final effort to prevent war.

## AT GYRO CONVENTION

Mr. and Mrs. Hedley Wilson and Mr. and Mrs. Karl Walker are in Moncton this week attending the three-day convention of District No. 6 which includes the Maritime Provinces and the New England States. Alden Clark, if St. John, son of His Worship Mayor Clark of this city also is attending the convention.

## Given Permission to Operate Refreshment Stands and Games

A delegation from the Knights of Pythias made an appearance before the city council at its August committee meeting last evening, asking permission to operate games and a refreshment stands at the remaining band concerts, for which the K. P. band is under contract to the city. The spokesman of the delegation, Fred Mawer, said the purpose was to raise money to defray expenses of a recent trip the band made to the Jordan Memorial sanatorium, where they played for the benefit for the sick. Expenses for the trip amounted to \$51. In view of the possibility of a second trip of the same nature and since the work is a good one, the delegation believed that support should be given.

Mayor Clark thought it unwise to use Parliament Square for such a purpose. Ald. Kitchen, Doohan and Maxwell believed that because it was charitable purpose the sponsors of such a move are deserving of some concession. It was suggested that Queen's Sq. be offered for one or two nights, with permission to the K. P. band to operate refreshment stands and games. The motion was made by Ald. Kitchen, seconded by Ald. F. S. Mundle, and passed.

## DR. BRITTAIN ONE OF SPEAKERS AT FIELD DAY

(Continued from Page Eight)  
machinery in operation, insect control, and several important addresses. At noon a basket lunch will be served at the Experimental Station.

It is expected that more than one thousand people from various parts of the province will attend this field day, which will likely prove to be one of the most instructive ever held hereabouts.

One of the features will be the broadcasting of several of the afternoon addresses over station CFNB. Arrangements have been completed for the broadcast. Among the speakers will be Hon. A. C. Taylor, Minister of Agriculture; James McLean, E. M. Taylor Dr. W. H. Brittain of Quebec; P. D. Ripley, of Ottawa; J. K. King, deputy minister of Agriculture for New Brunswick, and others.

## PROBLEM OF CITY RELIEF IS DISCUSSED

(Continued from Page Eight)  
way in order to keep them fit and satisfied. This was a much better solution than keeping them a permanent burden to the city. Ald. Mundle believed, too, that men should be struck off relief. He thought the city engineer could take ten or twelve men and put them to work on a small wage.

Some interesting facts about city relief were discussed. There were no relief gardens this year. Most of the men weren't interested enough to work them. Some had their own patch of ground and worked it conscientiously. The majority of city dependents are children, and these, a good many of them at least are better nourished under the city's relief than they had been formerly. Rent allowance is \$7 to \$9 per family.

The joint meeting of the roads and streets committee, the Municipal Home committee, and the relief officer, E. C. Armstrong will take place between seven and eight o'clock this evening, prior to the regular meeting of the council.
