

SOCIAL HAPPENINGS

Baird-Bailey

The Chapel of Christchurch Cathedral was the scene of a charming wedding this morning at eleven o'clock when Miss Doris Marie d'Avray Bailey, daughter of Dr. and Mrs. George W. Bailey, and Reverend Edgar Marshall Baird, son of Mr. and Mrs. Isaac W. Baird, of Chipman, were united in marriage. The ceremony was performed by Very Reverend Dean J. H. A. Holmes, of the Cathedral, in the presence of relatives and a few intimate friends. Given in marriage by her father, the bride entered the Chapel to the strains of Lohengrin's Bridal Chorus and looked winsome in an azure blue wedding gown made on long lines, the skirt fitting to the knees, and loose flowing below the knees, the bodice made with high neck and ending in a floral motif. The bolero coat made on simple lines had knife pleated trimmings with bow fasteners in the front in matching shade. She wore a picture hat to match, white slippers and gloves and she carried a colonial bouquet of pale pink roses, lilies of the valley and white carnations.

The bridesmaid, Miss Elizabeth (Betty) Baird, cousin of the bridegroom, was gowned in flesh pink triple sheer crepe de chine over matching taffeta made with long flowing skirt. The bodice had a high neck line with Peter Pan collar trimmed with knife pleated frills and puffed sleeves. She wore a hat and shoes to match and a corsage bouquet of pink roses in variegated shades.

The bridegroom was supported by Ronald Thomas, of Saint John, a classmate at U.N.B. The ushers were Reginald W. Bailey, brother of the bride, and A. R. Babbitt. The Chapel had been beautifully decorated by friends of the bride and groom, with white iris, lilac and garden flowers.

After the ceremony the bridal party and guests repaired to the home of the bride, where a wedding breakfast was served. The bride's table was centred with a three tier wedding cake and surmounted with a wedding bell.

of white roses. White tapers in silver holders and white flowers added charm to the arrangement. Small silver baskets filled with nuts, and white and green candy, were the favors.

Reverend and Mrs. Edgar A. Baird left for Montreal and Winnipeg travelling by the Great Lakes following which they will travel to Poplar River on Lake Winnipeg, where Rev. Mr. Baird will have charge of the Indian Mission. Travelling the bride wore a navy blue redingote costume of silk crepe with cape jacket and polka dot trimmings. She wore a Marina hat and accessories to match.

The bride is a granddaughter of the late Dr. Loring W. Bailey and a great-granddaughter of the late Joseph Marshall de Brett, Baron d'Avray. It is of interest to note that the last wedding in the Bailey family that took place previously in the Cathedral was the marriage of the grandparents of the bride, Dr. and Mrs. Loring W. Bailey. On this occasion, the joy bells were rung with ropes by the bell ringers of the fifteenth regiment.

Both bride and bridegroom are graduates of U.N.B., and have many friends in the province and throughout Canada who will wish them happiness and success in their new calling. The bride's gift to the bridesmaid was a platinum bar pin set with Nova Scotia amethyst.

Lady Foster, widow of the late Sir George Foster, formerly of Ottawa, is expected in Canada from England this month and will spend some time in Ottawa.

Miss Nan Estabrooks who has been in the city the past few days left for St. John yesterday. Miss Estabrooks, who was formerly matron of the Victoria Public Hospital, is now inspector of hospital camps for the government.

Mr. and Mrs. Gregory Anderson of New York are to be the week end guests of their cousin Mrs. Hedley Bridges.

Mrs. Bernard Sissam, of Ottawa, Ont., is here to spend the summer with her parents, Mr. and Mrs. J. Stewart Neill.

Miss Margaret Tilley, of St. John, N. B., and Miss Barbara Richardson, of Montreal, who were in London for the marriage of their cousin, Miss Mary Boucher and Mr. Thomas Arkell, spent a short time in town with their uncle, Mr. H. A. K. Drury en route to Montreal.—Ottawa Citizen.

Nomination Day Nearing in N. B. Election

(Continued from Page Eight)

have 48 candidates nominated, and Madawaska county has two independents in the field. There will not likely be any other candidates in the field.

Nomination day in Fredericton is expected to be strictly formal in nature. Sheriff Roy W. Smith of York County has decreed nominations open at 10 o'clock and closed at 12 o'clock noon on Thursday. So far there has been no mention of a joint meeting of Conservatives and Liberals here on that day. Though this practice had been carried out some years ago, recent years had seen the habit discontinued. The likelihood is that nomination day will be quiet, with no addresses from the candidates on either side.

The Conservative candidates for York who are expected to file their papers on Thursday, June 20, are Dr. B. H. Dougan, Harvey; Dr. M. L. Jewett, Millville; Alderman C. Hedley Forbes, this city, and Donald P. Douglass, Stanley. The York County Liberal candidates will be John B. McNair and Alderman H. Ralph Gunter, this city; Stewart E. Durling, Canterbury, and Ernest W. Stairs, of Lower Southampton.

Among the out of town guests attending the Baird-Bailey wedding today were Mr. and Mrs. Isaac W. Baird, parents of the bridegroom, Miss Agnes Baird, sister, Moncton, and Miss Mary Baird, an aunt, of Chipman. Mr. and Mrs. Hamilton Baird, Mr. and Mrs. Frank Hoar, of St. John, and Stephen Baird of Chipman.

Edgar Poirier of the faculty of the Provincial Normal School, left this morning for Legaceville, Northumberland county, where he will spend the summer with his family.

Mrs. R. P. Ripley of Moncton was one of the delegates attending the fifth convention of the Eastern Stars.

The officers and delegates of the Grand Chapter of the Eastern Star who were in the city attending the fifth annual session were entertained at a Tea in the Corporation Committee Room of the Parliament Building yesterday at the close of the afternoon session. Tea and coffee were served from two tables each centred with a silver basket of iris and honeysuckle on a reflector. The tea and coffee cups were presided over by Mrs. H. R. Logan and Mrs. Alex. Murray of this city and by Mrs. Dorothy Hoyt and Mrs. Fred Nuttall of Fredericton Junction, assisted in serving by some of the members of the two hostess chapters, the Celestial Chapter, Fredericton and the Gladstone Chapter, Fredericton Junction. Other social functions in honor of the delegates and officers included a luncheon at Lynnwood Lodge, and a Ball and Bridge at the Old Gaiety hall.

LATE FRED S. MURRAY

The funeral of Fredericton Smallwood Murray, well known resident, who died yesterday morning, took place this morning with service at 9:30 o'clock at the J. A. McAdam Funeral Home on King Street and many friends attended to pay a final tribute to the deceased. Rev. George Telford conducted the short but impressive service and afterwards the remains were taken by motor hearse to Saint John where interment will be made in the Cedar Hill cemetery. H. H. Pickard, Byard Simonds, Thomas McDowell and Otto V. B. Miller acted as pallbearers this morning.

RECITAL BY
PIANO CLASSES
A SUCCESSPupils Show Progress
Under Instruction of
Prof. F. W. Harrison.

The piano recital given by the pupils of Professor F. W. Harrison last night in the Charlotte Street school was a decided success. The hall was packed to the doors with the parents and friends of the pupils who acquitted themselves in a creditable manner, showing interest in their work as well as excellent training on the part of the teacher.

The programme was divided into a first and second part with an intermission of singing of part songs by the Broadcasting Chorus of the Charlotte Street school.

The first part of the programme was taken up by the pupils of the public piano class instruction in the schools by Mr. Harrison. The pupils who had received one year's instruction in the public class opened the programme with exercises in note reading and rhythm, followed by the second year pupils with exercises in ear training. The third year pupils gave exhibitions of solo work as also did the remainder of the classes and some of Professor Harrison's private pupils, the latter contributing the numbers in the second part of the programme. All the pupils showed accuracy, attention being given to expression, pedalling and technique. The writer was impressed with the co-operation shown between the parents, teachers and pupils in this work and the benefit to be derived from these public piano classes in the schools.

EASTERN STARS
END MEETING
IN THIS CITY

The fifth annual session of the New Brunswick Grand Chapter of the Order of the Eastern Star concluded their two-day session here late last night. The two-day convention was opened in the Brunswick Street Baptist church recreation hall on Thursday morning.

The final session was marked by the installation by Mrs. Frances Haun, most worthy grand matron of the general Grand Chapter of Milan, Tennessee, of the grand officers who were elected yesterday morning. Tea was served at the corporations committee room of the legislative building when all members of the order were guests of the two hostess chapters, Celestial Chapter No. 3, Fredericton and Gladstone Chapter, No. 12, of Fredericton Junction. Grand officers, grand pages distinguished guests and members of Fidelity Chapter No. 32 of Houlton, Maine were guests of the hostess chapters at luncheon.

Yesterday afternoon was featured by the exemplification of work of the first ritual by past matrons and past patrons of Fidelity Chapter. The various delegates, almost two hundred were in the city for the meetings, left for their homes this morning.

Gibson Property Owners Will Decide
on Plan Friday Night

The meeting that was to have been held last evening of the property owners of Gibson was postponed until Friday evening.

When the meeting is called to order on Friday evening, the special committee that was appointed to investigate will report that a reservoir should be built on the hill back of the village or that a stand pipe should be erected.

A survey is being made today to ascertain if the hill is the proper height for a reservoir. If it is and it is decided to build one a large windmill will be used to pump the water into the reservoir at the rate of from 6,000 to 20,000 gallons per hour, while the reservoir will have a capacity of from 500,000 to 1,000,000 gallons. The water will be of the very best, coming right from a ledge of rock and pipes will be laid so that the supply can be used for both fire and domestic purposes. If the pipe plan is taken up a steel tower will be erected. It will be built to hold about 100,000 gallons.

Either one of these plans will cost about \$15,000 to carry them out, but the great benefits to be reaped will make the temporary increase in taxes a minor matter.

In fact a lot of money that would otherwise have to be put out for fire insurance premiums will be saved. Secretary Clinch of the New Brunswick Board of Fire Underwriters visited Gibson on Monday evening and he says that, if something is not done at Gibson to better the condition at Gibson, the fire insurance rates will have to be raised.

It also might be stated that to outsiders it seems that the property holders in the village of St. Marys should join the people in their efforts to get a good water supply installed and have it for both of the villages. In connection with this it is said that if something is not done at St. Marys the fire insurance rates there will be raised.

If the proposed water system is installed it will mean a whole lot for Gibson in the future. The price of real estate in the village will increase materially and it would be an inducement to people to live there.

At Home

The Ladies' Auxiliary of the Baptist church will be at home in the vestry on Thursday evening, July 8, from 7.30 to 10. Strawberries and ice cream will be served and a short musical program furnished. The proceeds will be devoted to the organ fund.

Showed His Appreciation

Mr. Breckles, of the firm of Breckles and Matthews, Toronto, who has been in the city installing the new organ in the Baptist Church, was recently entertained at Camp Kaskisebod. He has shown his appreciation of their kindness by presenting each member of the club with a Missouri meerschmum.

Martin-McCarthy

The Roman Catholic church at French Village was the scene of a pleasing event at seven o'clock this morning when Mr. Alexander Martin, of Kingsclear, was united in marriage to Miss Katie McCarthy, of Prince Edward Island, the ceremony being performed by Rev. Father LeBlanc. This evening a reception and dance will be held at the home of Andrew Goodine, Kingsclear, and tomorrow morning the happy couple will come to this city and board at Mr. Allan Howard's on Westmorland street, the

groom being employed at the Waverly Hotel.

McAdamite Metal Co.

Mayor Palmer and Mr. A. J. Gregory, K.C., left last evening for New York to attend a meeting of the directors of the McAdamite Metal Company. They were joined at Fredericton Junction by Mr. Fred A. Jones, of St. John, and Mr. James Robinson, M.P., of Millerton.

Vacation at the Coast

C.P.R. Station Agent and Mrs. C. W. Manzer leave this evening for Vancouver to spend a well earned vacation. Mr. J. Sanford Fleming, of Piasater Rock, is relieving Mr. Manzer.

Bruce McFarlane Back

Bruce McFarlane returned today from Fall River. His fielding while with the ball team there was not up to the standard.

To Spend the Summer

Mrs. John S. Scott left for Magalloway last evening to spend the summer at Aid. Scott's summer camp there.

Mr. Edward Moore went to St. John this morning.

Mr. J. Howe Dickson left this morning to spend a few days at Hopewell Cape.

Senator Wark

Those attending the Summer School were received yesterday afternoon at the home of Senator Wark where they passed an enjoyable hour. The delegates were presented to the Senator who shook hands with each and who seemed to regard the exertion necessary as a matter of little moment. After the reception refreshments were served on the lawn and the party separated with the singing of the hymn beginning with the words "O God of Bethel."

For Bonnie Scotland

Miss Mary Hendry, of the local telephone exchange, and her mother, Mrs. Hendry, of Gibson, will leave on Friday for a trip to Scotland.
