present opposition. Rotten post-war conditions and extravagance caused the depression. No one can blame it on Foster, Veniot Baxter, Tilley, or any other leader. Mackenzie King was not to blame; neither is R. B. Bennett. The most that any government can do in regard to the depres- ulity and our patience, sion is to exercise the best economy under the prevailing conditions. After the present time. When they try to Fredericton? We know of several who The province waived all claims to keep down expenses the people kick might qualify. for improvements. The public want roads, bridges and other things . . they is a poor government to do?

This depression business will work out after a while but governments as viduals will have to be given a chance.

* MUNICIPAL RESPONSIBILITY

mier took a hand in the game. These municipalities voted to suspend diwill have to come across in the same catch up with the recent changes. way as other counties and to do their have done their part and the counties break the will that made them an put his seat at stake if he could not but he expressed don't that all those who commit suicide are insane.
