The meeting was conducted by the president Mrs. R. S. Curll, who read an impressive message from the new president of the Dominion Board Mrs. Forbes. The roll was called and the minutes of the August meeting read by Mrs. Squires. The devotional period was taken by

Mrs. Lemont and Mrs. King, after which prayer was offered by Rev. Mr. Gregg. The treasurer, the Strangers' Secretary, and the Supply Secretary gave their reports and Miss Colter, Supply Secretary for the Presbyterian, asked that all contributions for Labrador and Trinidad be brought to her home the next day. Mrs. Foster, Mite Box Superintendent then collected the boxes. Mrs. W. A. Burge, who had attended the Berwick Camp meeting this summer, was called upon, and gave a most interesting address on the different activities carried on there. The many details were presented so vividly that she was listened to with close attention throughout. Mrs. Richardson sang a solo "The Garden of Prayer" which was much appreciated. A goodly sum was handed in through the Mite Boxes. Rev. Mr. Bartlett was called upon and made a short speech appropriate to the occasion. After the singing of a hymn Rev. Young Liberals Vigorously Oppose Present Tariffs.

Vigorously opposing the present tariff policies and rebuking the promises to blast this country into the markets of the world, the speakers of the York-Sunbury Twentieth Century Liberal Association went on record last night at an organization meeting at Millville, as being opposed to the present high tariff scheme. They maintained that this young county is being strangled with tariffs. We cannot improve conditions until we are willing to take imports in exchange for our exports. Our present tariff walls prevent us from bringing goods into this country on a scale that would stimulate trade. The British Empire Conference was branded on the whole as a failure because of our high protection holdouts.

The officers who were elected for the Millville Association were as follows: President, Willard Fleming; vice-president, Roy Lockard; secretary-treasurer, W. G. Gregg. Harry Greenlaw acted as chairman. The speakers for the evening were Bert Sutherland, Frank Osborne, Robert Burns, Donald Richards, and Dr. Percy Thompson.

TWO-INCH RISE
Ordinarily it isn't much news when the river rises or falls. At least so the books on proper journalistic patterns say. But a rise of two inches in the St. John River level today after the river had fallen away, until only sand bars and weeds remained, is news. That's why we published this.

Trust Work Is A Professional Job —Not An Avocation

MANAGING property in trust or in the process of estate settlement is not a sideline with The Central Trust Company of Canada—it is a full time job to which the whole attention of a thoroughly organized department is given.

In our trust organization are men who have made a life work at fiduciary business. Their collective experience is utilized in every instance where The Central Trust Company serves as executor, administrator or trustee.

Especially in these days, with so many changing conditions and requirements, such services ought to be rendered by those who regard them as a professional job, not an avocation.
