### WHYS AND OTHERWISE

AS SEEN BY  
H. L. G.

Old, F.H.S. tied the can on the Saint John falls on Saturday with an encouraging 9 to 0 victory over their strong rivals. Looks as if Bertie Cass has turned out another team to uphold everything that the Yellow and Black ever aspired to. University of New Brunswick was not so successful and it's rather a setback to see the Red and Black bowing to a Saint John team. We can remember a time when those first exhibition matches used to be walkaways for the college boys. Is it possible that times have changed so much, Mr. Collegians?

Last week they had a horseshow at Montreal and one of the Montreal Star's scribes reported that Bill Miller of the Canadiens "strolled in explaining that he was out to give the affair a democratic touch." The former Campbellton boy is likely to be very much in the sport news during the coming hockey season. This ought to be Bill's best year.

With the trees veritably stripped of all their summer foliage, and a cold northwest wind warning of colder weather, the football season seems to have come completely into its own over the weekend. The coming weeks ought to be ideal football weather.

There is no real excuse for Fredericton City not having a championship football team this season. There is lots of material, former U.N.B. stars, experienced ex-high school players, and many former Green and White players. But because of lack of auspices there is a danger that the club will only be a mediocre one.

The other day in the Yankee Stadium as the Giants scored one run after a long inning, Frisch, sitting in the press box, exploded: "What! They scored only one run? They look like the Cardinals. Six hits, four passes on balls, two wild pitches, and we'd score one run, too!"

### "HELL'S HAIRPIN" EVENT WON BY T. NUVOLARI

ROOSEVELT RACEWAY, Long Isl. and, N.Y., Oct. 12.—Over and around "hell's hairpin" roared Tazio Nuvolari the "Madman of Modena," to sweep a brilliant but easy victory today in the 300-mile George Vanderbilt Cup race before 60,000 wind-blown spectators.

As death took a holiday the spectacular 47-year-old Italian streaked his 12 cylinder car into the lead before the first of 75 laps was traversed over the dangerous Roosevelt speedway, a track that required 1,200 turns and twists. He was not headed, except for a brief pause for gas and oil during the 27th lap.

Nuvolari's time was four hours, 37 minutes and 44.04 seconds, an average speed of 65.995 miles per hour. That gave him a total elapsed time lead of 11 minutes and 57 seconds over Jean Wimille of France.

Third, the victim of a sputtering red hot motor with second money all but clinched, came Count Antonio Brivio of Italy, Raymond Sommer of France and Freddy McAvoy, Australia, finished fourth and fifth, with Lauri Rose of Columbus, Ohio, leading the outclassed Americans in sixth position.

## U. N. B. Lose to Saint John; First Loss in Years

### MONTREAL'S SIX-DAY BIKE GRIND STARTS

Canada will have a bigger representation than ever before in the history of six-day bicycle racing when Montreal's 14th international battle along the steep sides of the Forum track swings into action on the week end.

The fashion in which Canadian riders have come to the front in recent years has been remarkable, and that the spoked wheel's appeal is increasing even in the face of other forms of locomotion is evident in the coming race here.

Canadian newcomers to local saucer tracks were named to compete. One is Albert Heaton, a Toronto boy, who was paired with Roy MacDonald of Ottawa, and Bobby Walthour, jr., on the winning three-man team at Ottawa in the recent race there, is one of these.

This ambitious youngster turned professional only in past summer, made brilliant showings in the long grinds at Milwaukee, and Madison Wis., and scored his first victory at Ottawa.

Teamed with Russ Hunt, he wound up with the highest number of sprint points at Milwaukee, and later in a match race in that city defeated Harvey Spiegelhoff, a member of the winning team. At Madison he won 15 of the last 20 sprints. He has been an outstanding member of the Maple Leaf Riding Club in Toronto.

### DISPUTES OVER GRID PLAYERS UPPER CANADA

MONTREAL, Oct. 11.—Although it was learned this afternoon that the Big Four Governors had turned down the recommendations of the Union executive for the reinstatement of Players Olsen, Rosso, O'Neill, Burt and Faust, it is expected that the clubs will send the men into tomorrow's games regardless. It is said that the executive committee ruled the five players eligible at their meeting last Wednesday before turning the "recommendations" over to the Board of Governors. The Ottawa Club notified Montreal today that Rosso and O'Neill would play at Toronto against the Argos. Montreal intends to use Olsen regardless of whether Hamilton plays Faust or not. No word was received from Toronto regarding the attitude or Argonauts to the governors' latest move.

HAMILTON, Oct. 11.—All five applications for playing certificates by United States players were turned down by the Interprovincial Rugby Union's board of governors in a telegraph vote, it was announced here today by President W. R. Tope.

The vote was taken after the Union executive requested the governors to reconsider the cases of Tony Rosso and Stan O'Neill, of Ottawa; Ole Olsen, of Montreal, Clarence Burt, of Toronto Argos, and Jim Faust, of Hamilton.

In announcing the vote, Tope said he was not aware of any further means by which the cases could be brought up for discussion.

Rosso, O'Neill, Olsen, Burt and Faust were among the 11 American players barred from playing in the Big Four this season by the governors more than a week ago. They did not qualify under the Union's residence rule, it was explained by Tope.

An executive meeting here Wednesday night decided, however, that the cases were worthy of a review and requested the governors to pass again upon their eligibility. The telegraph vote was the result.

### Score 3 to 0 as Collegians Bow Before Vastly Improved Saint John Club

SAINT JOHN, Oct. 12.—Battling free of the jinx which has dogged senior rugby teams in this city for 12 years or more, the Saint John Seniors' rugby squad turned the tables on the University of New Brunswick fifteen here yesterday afternoon, shutting out the collegians 3 to 0 in an exhibition match. The first home performance of the revamped local team was greeted with marked enthusiasm by a fair-sized crowd of fans.

Played on a drenched field at the K-Club Recreational Centre, the game sparkled with action of a rugged calibre, with backfield plays limited by the wet ball and greasy footing. A strong side wind made kicking uncertain.

Previous to the main fixture, the Saint John High School squad downed the U.N.B. second team 3 to 0. Play continued despite a downpour of rain and lashing wind.

The weather cleared for the second game, which was a light encounter from start to finish. Scrum play dominated and the local pack capitalized time and again on its superior weight in set scrums. The collegians were badly outstepped and boomed in dribbling. They failed to exhibit their superiority until the second half, however, and the home team kept the ball well into Red and Black territory almost the entire first half.

Saint John hung up the only points of the game about five minutes after the opening whistle. Frank Fortune scooped up a loose ball on U.N.B.'s five-yard line and plunged across through a litter of players. The try was scored off to one side of the posts and was not converted.

The two teams were evenly balanced in the sum of play. The build-up for the Saint John try demonstrated the collegians' main weakness—inexperience. U.N.B. had started a passing movement on their own 15-yard line, instead of breaking away to a dribble. A back fumbled and the fast-breaking Saint John forwards took advantage of the break. Fortune took the ball on the fumble of a teammate. Boyd Stoddard tried the convert but kicked wide of the goal posts.

Following a few tight moments almost on the U.N.B. goal line, about half way through the opening period U.N.B. wheeled away to a long dribble and carried the ball to the Seniors' 20-yard marker. Bill Logie led the attack. Jock Bowen retaliated for the locals and made a long solo dribble almost back to the other goal and U.N.B. was forced to safety. Captain Sleep engineered some nice passing movements for U.N.B., the forwards working in well with the backs to advance the ball to scoring position. The Seniors held firm and drove the play back.

The lineups:  
Saint John Seniors—Forwards, Porter, F. Fortune, Lynch, Bowen, MacAlpine, Teed and Church; halves, Ed. Burke, Mabee and Crosby; three-quarters, Ralston, Stoddard, R. Burke and Agar; fullback, C. Fortune; subs, Hay, Conlon, Whitney, Buckley, McLeod, Cruikshank and Fisher.

U.N.B. (first team)—Forwards, Watson, Good, W. Logie, Wolstenholme, Coombs, Palmer and Brown; halves, McKinnon, Bartlett and Sleep (Captain); three-quarters, Wilson, Corbett, Colby, and Burgess; fullback, Jackson; sub, Belding.

Saint John High—Forwards, Slader, Lisson, Cunningham, Keefe, Kincaide, London and Lewis; halves, Kelly, Tait and Dunlop (Captain); three-quarters, Cook, Mullin, Neil and Chown; fullback, Murchison.

U.N.B. (Second team)—Forwards, Monpargo, Brebner, Mallory, Brennan, Macauley, Smith and Clements; halves, Bun McLennan, Fisher and Donaldson (Captain); three-quarters, Stuart, Mann, Forbes and Ferris; fullback, R. Logie.

Referee—Don Patterson.

### TRENDS OF WHOLESALE TRADE IN AUGUST

The value of wholesale sales in Canada for August was 6.4 per cent. higher than in August, 1935, according to reports submitted by almost 200 wholesale houses operating in nine different lines of business.

While increases in combined sales were recorded for all economic divisions of the Dominion, the greatest improvement was shown in the Prairie Provinces with a gain of 11.2 per cent. Percentage increases for the other economic divisions were as follows: 7.4 per cent. in the Maritimes; 5.9 per cent. in British Columbia; 3.4 per cent. in Ontario, and in Quebec the gain was 2.5 per cent.

### SAINT JOHN SR. FOOTBALL TEAM IS LOOKING UP

#### Squad Under "Doug" Skinner Has Fine Array of Pigskin Chasers For New Season.

(Special to The Daily Mail)  
SAINT JOHN, Oct. 12.—The senior football squad in this city has been chosen, and from the manager of the team, Douglas S. K. Skinner, comes the statement that the line-up this year is the strongest outfit that this city has ever had before. The team is chiefly made up of graduates of the St. Vincent's, Vocational, and Saint John High Schools, as well as some of the regular members of the Saint John Trojans.

"Hard Workouts"  
Other members of the team are representatives from Acadia University in Wolfville, N.S., and from the University of New Brunswick, as well as a star player from the Hamilton Tigers in Ontario.

"Doug" Skinner, who is a favorite football star in this city as well as in other athletic meets, is in charge.

Although a hard schedule is now being planned for the senior football squads, Mr. Skinner has real confidence in his team, and at the same time proud of his boys who have turned out so faithfully for practices.

### Soccer Edict

TORONTO, Oct. 9.—Finals in the National Soccer League playoffs for the Atholstan Trophy, between Ulster United of Toronto and Montreal Carsteel will be played here Saturday and Monday, it was announced last night.

Yesterday Ulster players threatened to default unless one of the games was played in Montreal. The league, however, declared that unless they decided to play both games here, Ulster would be thrown out of the finals and Toronto Consols would be substituted. Consols were defeated by Ulster in the western section finals.

### Mounties Won

CHARLOTTETOWN, P. E. I., Oct. 12.—Mount Allison University defeated St. Dunstan's University 13-8 here today in an exhibition rugby game.

Playing before a strong wind, the New Brunswick fifteen, Maritime intercollegiate champions last year, ran up a 10-0 lead in the first half but were able to ward off the determined comeback of the Prince Edward Island collegians in the final period.

Mount Allison's first period scores were made on a penalty kick, a drop kick and a try. After St. Dunstan's had scored eight points by following up behind towering punts to make two tries and a convert, the Sackville team added three more points with a try after a long broken-field run.

### CHATTER ON BALL TRADES

ROCHESTER, N.Y., Oct. 12.—Jimmy (Ripper) Collins today asserted he is tickled with the deal whereby the Cardinals traded him to the Chicago Cubs, along with Leroy Parmelee, for Lon Warneke.

"It's a great break for me," said Collins, "and I'll be in there giving Charley Grimm everything I have. Naturally, there is something of a wrench over leaving my pals on the gas house gang, but that's how it goes in baseball."

"The Cardinals treated me okay and I have nothing but the highest regard for the club where I spent some happy years. The front-office men at St. Louis might have traded me to a second division club, but they didn't. They sent me to a club that must be considered in the 1937 National League flag chase, and believe me, here's one fellow that will be in there trying to help them win."

Start to Rebuild for 1937  
ST. LOUIS, Oct. 10.—Lon Warneke, ace right hand pitcher of the Chicago Cubs, and considered one of the best hurlers in the National League, was traded by the St. Louis Cardinals to the Cubs in exchange for Jimmy "Ripper" Collins, slugging first baseman, and Roy Parmelee, right hand pitcher.

The deal was a straight player transaction with no cash involved, it was stated.

The trade was completed during the recent World Series in negotiations between Branch Rickey, vice-president of the Cardinals, and Clarence Rowland, representing the Cubs, Sam Beardon, president of the Cardinals, announced.
