Yorks Leave For Two Games At Border

**PLAY IN ST. ANDREWS TONIGHT AND ST.
STEPHEN TOMORROW NIGHT — ASST.
COACH STEEN LOOKING AFTER TEAM.**

The York All Stars, Fredericton district's representative in the Southern N. B. Hockey League, left at six o'clock this morning for St. Andrews where tonight they will play the Senators in a regular league game. Tomorrow they will journey from St. Andrews to St. Stephen by automobile to play the St. Stephen St. Croixes tomorrow night. Last week the Yorks decisively defeated these two teams in the Arctic Rink here, and they look for another couple of victories in this trip. If they return with two wins they will be on equal footing with the Rothesay Oaks in the league standing.

Although the lineup for the trip is slightly weakened by the absence of "Bus" McLenahan, right winger, and Dave Pickard and Percy Minue, defencemen, a fighting bunch of stick wielders will take the ice for the two games. Those who made the trip were "Ev" Staples, goalie; Bob Chalmers and "Bud" Steen, defencemen; Freddie Mills, Bill Lifford, Doug Cameron, Bill McIntyre, "Chod" Haining, Jackie Keenan, and Bruce MacDonald as forwards; Trainer Charlie Burns and Manager Ralph Boyce. Assistant Coach "Bud" Steen will look after the players in the absence of Coach Archie Williams.

Following their return here Wednesday the Yorks are scheduled to play the Rothesay Oaks here Thursday night, but, at the request of the Senators' management, Manager Ralph Boyce of the Yorks has wired Ross Brown, president of the Southern League asking that the Beavers play here Thursday night in the place of the Senators. The request was made due to the fact that the Senators have three games scheduled this week and also played three games last week. President Brown wired Boyce that he would do what he could to comply with the request and would let him know by Monday night.

Prior to his departure for St. Stephen manager Boyce announced that there was a move afoot by the Yorks executive to have the Port Arthur Bearcats, Canada's Olympic representatives, play here before they sail for Germany. The Saint John Beavers have also been trying to engage the Yorks for a game, and if they are successful it is likely a game can also be arranged for Fredericton. If they do play here, it is likely players will be drawn from some of the other Southern League teams.

**U.S. Trackmen
Start Olympic
Team Climb**

NEW YORK, Jan. 6 — Amid snow covered surroundings, the struggle for places on the United States Olympic track and field team has started at the first indoor meet of the "Olympic Year."

While it is not considered one of the "big" meets, the annual games of the Columbus Council Knights of Columbus, in Brooklyn has long held the honor of opening each year's board-track season and has produced from time to time some notable performances.

A few "big time" performers always take part along with the stars of the metropolitan district. They usually manage to do well despite the handicap of running without spikes on the flat armory floor.

The Olympic prospect gives a special flavor of interest to tomorrow's meet. The winners will not be assured of places on the Olympic squad, but it will give them a good start in that direction.

At least four of the 600 odd entries are considered as likely Olympic prospects and others may turn up.

Three of last year's "Big Four" of middle distance running, Chuck Hornbostel of Indiana, now a graduate student of Harvard; Glenn Cunningham, the famous Kansan, and Gene Venzke, Pennsylvania's perennial also-ran, are entered in the 800 metre special.

Ebule Peacock, Temple University Negro flash, heads the field for the sprint series.

Bill Ray, Manhattan College Miller, and Joe Mangan, former Cornellian, complete the field of the 800, which finds Hornbostel, a half miller, favored. Bill Bronthron, the other member of the "Big Four," has reconsidered his retirement and also is preparing for the Olympics but does not intend to compete indoors this winter.

**MAROONS, WINGS,
CANADIENS WIN
N. H. L. GAMES**

CHICAGO, Jan. 5—Montreal Maroons came from behind tonight to conquer the Chicago Black Hawks, 3-2 in a rousing National League hockey match before 14,000 spectators, in The Stadium. The win pulled Maroons to within one game of the Canadian section leaders, Toronto Maple Leafs.

Bill Miller, occupying the coach's spot on the bench in the absence of Tommy Gorman, handled Maroons for two periods. In the third stanza, Allan Shields sat beside Miller and the two directed play. Shields was injured in last night's game at Toronto and did not play tonight. The former Moncton Hawk was recalled from New Haven for bench duty.

Detroit Still at Top
DETROIT, Jan. 5—Detroit's Red Wings, with a third period scoring burst which produced three goals, trounced the Montreal Canadiens 5-2 before 9,000 spectators here tonight to remain at the top of the National Hockey League's American Division.

The Canadiens' scores were by Leroy Goldsworthy and Joffre Deslites, former Saint John Beaver, who scored his first N. H. L. goal.

Only four penalties were handed out, two against each club. Detroit's margin of superiority was evident in the number of stops by the goalie, Norm Smith of the Wings having but 20 as against 32 for cude.

Deadlock With Bruins

MONTREAL, Jan. 5—Montreal Canadiens and Boston Bruins were still all even on their season's series tonight after playing through 70 minutes of speedy hockey to a 1-1 tie on Saturday night in their fourth National Hockey League meeting of the season. Each has won one game and two have been tied.

Canadiens carried the game to Boston through most of the game only to find "Tiny" Thompson at his best as he turned back all but one of the 42 shots fired at him and Wilf Cude had to be brilliant at times to block Boston drives as Canadiens' wide-open play left him without protection on breakaway plays. He stopped 34 shots.

Game Ends Scoreless
NEW YORK, Jan. 6—The Rangers and Americans, New York's National Hockey League representatives, last night battled to a bruising scoreless tie before more than 15,000 persons in Madison Square Garden.

The game was cleanly played but the intra-city rivals let no opportunities go by to bounce each other around. Ching Johnson, Ott Heller and "Jumbo" Ayres refused to give

: SPORT SPOTS :

The Yorks, in fine shape for their games with St. Andrews and St. Stephen St. Croix's, left on the C.P.R. train this morning at 6.00 o'clock and will be gone until Wednesday. Their first game, with St. Andrews, will be played Monday night and from there they will travel by car to St. Stephen to play Tuesday night.

The team will present a slightly different lineup for these two games, owing to the fact that three or four regular players are unable to make the trip. However, the lineup presented is a strong one and supporters of the team are looking for two victories.

"Ev" Staples, who turned in a good game here the other night, will be in goal for the Yorks in both games. On the defence will be Bob Chalmers and "Bud" Steen. Percy Minue and Dave Pickard were unable to make the trip. For forwards there will be Mills, Lifford, Cameron, McIntyre, Haining, Keenan and possibly Bruce MacDonald, former Cub ace who has been turning out recently for practices. Completing the roster for this trip are Manager Ralph Boyce and Trainer Charlie Burns. Coach Archie Williams did not accompany the team but his duties will be carried out by assistant coach Steen.

Right now there is a move afoot on the part of the York's Club to have Saint John Beavers play here Thursday night instead of St. Andrews Senators. A request has been sent to Ross Brown, president of the league, asking that either Saint John or Rothesay play here on that night. The request was made on behalf of St. Andrews who think they are not getting enough home games. Word is expected here tonight regarding the matter.

There is also talk of trying to book the Port Arthur Bearcats for a game here before they sail for Germany to represent Canada in the Olympic Games. Saint John have been dicker with the Bearcats and if they are successful it is likely they will also play in this city. Many of the local fans will be pleased to see such old faces as those of Ernie Mosher and "Daddy" Bubar.

**FAMOUS MILER
HAS BAD KNEE
AT PRESENT**

LONDON, Jan. 6—Jack Lovelock, the famous New Zealand miler, fears he may never again be able to attack the world's record.

He is experiencing trouble with a knee from which he had a cartilage removed two years ago. Since then he won the "race of the century" against Glenn Cunningham, Bill Bonthron and other crack runners in America.

After that epic struggle, however, he met with little success, being beaten twice by S. C. Wooderson, of London, on British tracks.

Commenting on his disability, Lovelock said: "The less said about my knee the better. It is not right, and I am afraid it will never be right." It is believed the strain on his knee during the American race adversely affected him in later events.

Lovelock is studying medicine in a London hospital, and, at the moment, thinking more about the professional future than whether his knee will fully recover and enable him to remain the world's greatest mile runner next summer.

**Would Exclude
Foreign Boxers
From France**

PARIS, Jan. 6—French fight managers want the Government to take sanctions against foreign fighters in France, who, the managers complain, crowd out the native product.

Ernest Lafont, Minister of Physical Education, has been asked to exclude all but the cream of pugilists from other lands.

MONTREAL.—Few hockey goalies claim to be smart skaters out Billy Beveridge, Montreal Maroons netminder, is an exception. After hockey practice daily he skates two or three miles around the rink at good speed and he can hold his own with some of the forwards in point of speed.

an inch when the speedy American invaded their area and the crowd roared as players were seat spinning. Dutton, Murray and Brydge gave the Ranger forwards a rough evening also and Dutton left the ice at the end of the game with a lump on the side of his head.

Play Tie With Leafs
TORONTO, Ont., Jan. 6 — There were no fights and very little action of any sort when Montreal Maroons and Toronto Leafs clashed in the game that was ballyhooed as a revival of Thursday's battle royal in Montreal. The National League teams played through 70 minutes of spotty hockey to a 1-1 tie here Saturday night and were roundly booed by the crowd of 12,224 who stormed Maple Leaf Gardens in a rainstorm to see blood flow and witnessed only a very ordinary hockey game.

**Percy Nicklin Has Slight
Hope for British Sextette**

Former Coach of Moncton Hawks Leading Olympic Team—Easy to Score Against Despite Presence of Jimmy Foster in Goal

LONDON, Jan. 6 — Percy Nicklin, who learned about hockey at Port Arthur, Ont., and made his reputation with the Moncton Hawks, Canadian senior champions in 1933 and 1934, is preparing a British team for the Olympic Games and Nicklin is the last person in all England to expect success. For one thing his team must face Port Arthur.

Coach of Richmond Hawks in the English National League, Nicklin has been selected to tutor the British Olympic team and ever since he became active Olympic hopes have been rapidly dimmed. Nicklin's charges can not seem to get going.

It will be Port Arthur Bearcats, a hustling brigade from his home town, who wear Canadian colors next month at the Gramisch-Partenkirchen games in Germany. Nicklin hasn't said he isn't confident of giving the Canadians a battle, but he scarcely needs to say anything.

England's team was beaten in a test series by a number of teams of selected Canadians playing this season here. One of the scores was 9-4. Wembley Lions trounced the Olympics 9-3. If it hadn't been for the fine goaltending of Jimmy Foster former Winnipeg and Moncton star, the scores would have been much higher.

Not Definite Yet
Foster, it is believed, will play goal for the British team, although he has not been definitely selected as yet. He was born in this country and therefore is eligible. Jock Riddell, Kensington Corinthians goalie, is another possibility and the two netmen may be taken to Germany.
