scarfs and mittens, which were knitted by the pupils during the term.
Prizes were presented to seven class leaders by Indian Agent Lee McCutcheon and Rev. Father Gillis, assistant pastor of St. Anthony's church, Devon, presented each of the pupils with a Rosary set.

Both Father Gillis and Mr. McCutcheon addressed the gathering present and both commended the teacher, Mrs. McElligott, on result of her splendid efforts on behalf of the school, which was shown by the pupils. The result, as the speakers claimed, of hard work and attention on the part of the teacher and also much work and attention on the part of the pupils.

A feature of the programme was a large Christmas tree on which were numerous bags of candy and fruit and other good things, handed out by Santa Claus to the pupils. This was arranged through the efforts of Indian agent McCutcheon and Mrs. McElligott with the kindly assistance of the Department of Indian Affairs at Ottawa, which made a grant of \$8 to the school.

Recitations were given by Ernest Paul, Gabe Dedham, George Paul, Harry Brooks, Elsie Paul, Ruth Scobie, Harold Sapier, Patrick Scobie. A beautiful duet was given by one of the Paul boys and a little girl named Laporte. Mrs. McElligott furnishing the music. Dialogues were given by girls of grade six and grade eight and Elsie Paul of grade eight gave a reading. Mr. McCutcheon states that the decorations were the best he had seen in any school in recent years. It might be noted in closing that Gabe Dedham, who led in the examinations with a mark of 93 also led in the Boy Scout corps in connection with the Boy Scouts of St. Dunstan's troop.

CANADIAN BEAR CUBS TO BELGIAN ZOO

(Special to The Daily Mail)
MONCTON, Dec. 18.—Three Canadian bear cubs from Quebec are destined to spend their Christmas far from their native haunts. The three passed through Moncton today in charge of the Canadian National Express consigned via Halifax to a zoo in Belgium where they will in future make their home.

At Halifax the cubs will be loaded into the ship that will take them overseas to Belgium. When seen in Moncton the cubs did not appear to mind their parting from their native soil for they were having a rather lively time of it inside the large crate in which they were confined.

Express traffic at this season of the year is very suggestive of Christmas time what with consignments of toys, fruits, gifts, cut flowers, etc.

"We handle quite a quantity of cut flowers around holiday times, particularly at Christmas," stated F. M. Smith, Canadian National Express superintendent here. "Some of these travel long distances. For instance today we handled a consignment of cut flowers all the way from a point in Ontario for the Christmas trade in St. John's, Newfoundland. The flowers are packed in ice which preserves them during the journey."

"The peak of our Christmas traffic will probably be reached this weekend," said Mr. Smith.

OUR BOY SCOUT TOYSHOP

The present letter will bring to a close, the series that have appeared, almost daily, in our local papers, thanks to the extreme courtesy of those responsible for their publication. In a day or so, we shall be leaving for Atholville, where we are to run two courses, in French. The District Scout Leaders' Course, and a Patrol Leaders' Course. Assisting us will be Rev. Father Walter Savie and Henri Albert. Both rendered valuable service as our Assistant Camp Chiefs, at the French Wood Badge Gilwell, held last summer at Lac Unique, Madawaska County, and following this the first French Gilwell held in the Dominion, both accompanied us to Prince Edward Island, where they took in the Akela Gilwell Camp, under ourselves. Atholville is now one of our finest Scout centres, with over 60 Boy Scouts and Wolf Cubs, not counting a few Rover Scouts. During the winter of 1936, the Atholville Troop realized \$380 by the sale of fretwork articles, all of which had been made by the boys themselves. Which reminds us, that there is a Model making competition still open for the local Patrol Leaders, who are taking the Course here to take part in. Durham has already turned in two fine models. What about it, you others?

While we are at Atholville, we are to have the privilege of assisting the rector of Campbellton, Mr. Fuller, with the musical portion of his Christmas services, both on Christmas Day and at the Midnight Communion on Christmas Eve, when two new windows are to be dedicated at Christ church, and the church will be flooded.

And now, we gladly thank, again and anew, all those who are making our Toyshop so successful. Today, more useful donations came in, amongst them, a cot complete with mattress, and a further money contribution. Toys have come in also, through the good offices of the Devon, Durham and Nashwaakiss Scouts. From now on, following the closing of the schools, the man and boy-nower will be on the increase; which is as it should be, for the work of repairing and packing will be at its heaviest, from now until after Christmas.

We regret to have to report, in closing, that yesterday, the Toyshop was broken into, during the afternoon. The break was substantiated, both by the owner of the store, and the active Toyshop superintendent, both of whom caught the delinquent. This matter has been dealt with privately; but, in fair warning to anyone tampering with the premises or its contents, he or she will not receive any assistance from this undertaking. Where donations and labour have been voluntary, and the object of our work year by year, is to bring joy into forlorn homes each Christmas, it is surely a disgraceful state of affairs, that anyone should so much as contemplate obtaining by dishonourable subterfuge, what they might so easily come by in common honesty, by calling in when the place is in occupation, or applying in another way.

Mr. Gieves, our Toyshop landlord, has been so impressed both by the work being done there, and the cause in which it is being done, that he has not only declined to lease the building during the time that we are occupying it, but is also supplying new glass, to fill certain 'vacancies' in the back window panes.

MIDWINTER

It was Mid-winter
That God looked upon the earth,
And sent the Rose of His Garden
All bloom to have birth.

It was in Mid-winter
That God, bending down,
Gave, to grace men's poverty,
The Pearl from His Crown.

It was Mid-winter
That God did arise
And bid the Sun of Heaven
Enlighten men's eyes.

It was Mid-winter
The Thoughts of God took wing,
Singing in men's hearts henceforth
To make eternal Spring.

—M. Bartlett, in Twelve Christmas Poems

ABLE TO LEAVE HOSPITAL
Friends will be glad to learn that the condition of Mrs. H. Ralph Gunter is so much improved that she was able to leave Victoria Hospital today for her home. Mrs. Gunter has been in the hospital since she suffered a broken ankle on Tuesday.

"Mummy," said the small boy on arrival at the country cottage, "where is the bathroom?"
"There isn't one, dear," said the mother.
"Good!" exclaimed the boy. "We're going to have a real holiday!"
