"DIZZY" DEAN NOT COMPARABLE TO JOHNSON FOR SHEER SPEED

Duffy Lewis Passes Opinion That "Big Train" Was Greatest of Them All—Had Blinding **Speed and Good Control**

(By Eddie Hurley)

So seldom does George "Duffy" championship era express an opinion and a tantalizing change of pace. these days that it's worthy of consid-

liant picket combination by which ev- about it. ery other outfield since that time has "It was the same old diet, anytime

'Duffy,' who has had his fling as coming. And he delivered these Bees, and one of his pet chores is to you and made you like it.

Dean, as it usually does, following speed, he needed nothing else. Frisch's gas house gang from the sun glove, when Barney was at tops. kissed mounds of St. Louis.

They were wondering how Dean's speed compared with that of other SHARKEY MAKES great pitchers and naturally the name of Walter Johnson came up. It's impossible to discuss baseball speed without mentioning the name of 'Big Barney,' it seems. So Duffy's opinion was sought.

Usually Lewis doesn't horn into he was qualified to discuss.

"The fastest pitcher of them all,"

he said in reference to Johnson. "Yes, I've seen Dizzy' out there and I've watched him quite carefully, but Gene Clark. he hasn't even shown me any of the blinding speed of Walter Johnson. There may have been some great in my opinion.'

And the next minute Lewis was chopping ice to cool off a long drink Boxing fans seeking information for one of the boys.

Duffy Lewis Speaks Up writers weren't around when Walter streets, Boston. Johnson was at the height of his glory. And as usual they put it down ing, but Jack, realizing that he will as a baseball star of another era defending the stars of his day.

with Lewis' opinion. And they'll also agree that J. 'Dizzy' combat. Dean is quite a pitcher in his own right. But 'Dizzy' who made the Am- In the course of a few days he will erican League all stars look like so probably hie himself to the great many baseball lilliputians is an en- open spaces with his training persontirely different pitcher than Walter net.

Johnson in his prime.

Dean is equipped with about everything necessary to a successful pitch-Lewis, Red Sox outfielder of the 1912 er-speed, control, a baffling hook

Not until the evening of his baseeration, for "Duff" isn't exactly the ball career did Walter Johnson learn ly incidentally, to the French border. erations of the head and chin and teams. His hurling was well-nigh guy to pop off just to hear himself about such things. Speed and contorl was the answer to his success. Lewis, as you should recall, was an according to Lewis, who admits that is a matter of German pride, as Mass., abrasions of the forehead important part of baseball's greatest he used to crack down on him now proof of German technical skill.
