Oaks Win 7-2 From Senators

SCORE FOUR GOALS IN ROUGH THIRD PERIOD - MANY PENALTIES AS PLAYERS TANGLE IN VARIOUS FIGHTS.

SAINT JOHN, Jan. 4 — Bothesay Oaks scored a 7-2 victory over the last place St. Andrews Senators in a Southern League fixture last night at the Forum, regaining sole possession of second place behind the Beavers by the verdict. The winners trailed 1-0 at the end of the first period, snatched the lead to carry a 3-2 margin into the third and then settle the issue with a four-goal attack.

The game, played on wet ice, was marked by close checking and good combination despite the heavy going. It was replete with poke and hook checking, many a rush being stopped in mid-air.

For the winner Stasie, Hunter, Lawson and Chapman played splendid hockey while the work of Bert McNichol was outstanding on the losing side.

Oaks Start With Rush

At the start of the opening period the Oaks outplayed the Senators offensively and Bill O'Neill in goal for the visitors was called upon to make nine stops before Charlie Wilson had his first one. Chapman gave the St. Andrews goalie a close call with a stinger. Twice Snell spoiled Harmer's bid close to the cage.

Tait couldn't quite beat Wilson at the goalmouth as a pass slid over from right wing and Bert McNichol, who opened the scoring late in the period with a long shot, got handy to Wilson only to be thwarted twice. Tait was over-anxious as St. Andrews opened up a speedy attack and couldn't manage to score.

O'Neill did some nifty work between the pipes during the mixup as the second forward line of the Oaks battered away at his nets. Only seventy seconds of the period remained to play when the losers broke fast, Denley carrying. He gave Haugh a short pass who promptly sent the puck to B. McNichol. The latter's long shot never left the ice and Wilson went down to save. It slid in under his pads and when the goal judge failed to flash the red bulb the referee over-ruled the decision to put the Saint up, 1-0.

Then Johnson tied it up at 2-all on a pretty passing dash with J. O'Neill, the rubber flashing back and forth twice as they tore the defence apart.

This did not last long, as Hunter and Harmer combined in a clever effort again, Hunter caging the disc neatly as he was unmarked when Harmer slipped a forward pass to the left wing captain.

Hunter managed to shake off his check and raced down the fence to get a clear scoring shot for the goal that put Rothesay ahead 4-2. Then Chapman and Steele made a pretty play, Steele backing a pass out from the corner as the right wingman slipped in close to toss the rubber in past O'Neill.

Chapman and Kennedy cut in from their wings for the sixth Oak counter, Kennedy firing a stiff one and Chapman caging the rebound. The whole No. one line of the Oaks had a hand in the final tally. Steele registering late in the third period on a triple-passing assault.

With much slashing going on about this time, Kennedy took offence at T. McNichol's hanging the stick around his feet and shot a right full to the chin. Then they tangled and went scrapping to the ice.

Rothesay: Goal, C. Wilson; defence, Lawson, Crosby, Colwell; centre, Steele, Harmer; left wing, Kennedy, Hunter; right wing, Chapman, Leclair; utility, Dobbin.

St. Andrews: Goal, W. O'Neill; defence, Finnegan, Williamson, Denley; centre, Graham, Tait; left wing,

M'GILL SKIERS FINISH SECOND TO DARTMOUTH

LAKE PLACID, N. Y., Jan. 4—The President Harding trophy, symbolic of supremacy in the Lake Placid Snow Birds Club annual skiing competition, remained in the hands of Dartmouth University today but they had a stern struggle to prevent McGill University from seizing it.

The McGill skiers finished second as the intercollegiate competition ended yesterday with 566.9 points against 595.4 scored by Dartmouth. It was the fourth successive year in which the New Hampshire students had won the trophy.

Of the other Canadian entrants, University of Toronto placed sixth with 424.6 points and the University of Ottawa 10th with 293.3.

Canadian Stars

Individual honors of the meet went to Bruce A. Heggveit of Ottawa. He finished first in both the cross-country and downhill ski races.

As the last day of the meet began, the McGill skiers were right on the heels of their Dartmouth rivals in points. But they placed only three entrants among the first nine in the combined event, including points garnered for the cross-country and jump. The final event was the ski-jumping at intervals on the 30-metre hill, Henry S. Woods and Jack Durrance of Dartmouth led the field of more than 30 jumpers who competed. Woods placed first and also set the longest jump distance of 107 feet.

R. Smith Johansson, McGill freshman star, was third. Other McGill competitors were Selden J. Hannah, who was a member of the Dartmouth team last year but entered the Canadian University as a medical student last fall, Ronald L. Denton and James S. Houghton.

Johnson, Snell; right wing, J. O'Neill, T. McNichol; utility, Haughn, B. McNichol.

Referee: Brad Gilbert.

POULTRY WAX
NOW AVAILABLE
IN STORES

The interest aroused throughout the Dominion by the wax-plucking demonstrations carried out by representatives of the National Research Council and of the Dominion Department of Agriculture has resulted in the widespread adoption of this successful method of preparing poultry for market.

In the first place it is not an expensive process, and it improves the appearance of the plucked bird. Not only are pin feathers and hairs removed but the scurf and scale on the skin are taken away and a most pleasing fresh appearance, which adds to the sale value of the bird, is the result.

There is also a substantial saving in time, particularly when very pinny specimens, are dealt with, and the operations involved in the whole process are simple and straightforward.

The only initial drawback to the universal use of this method was the scarcity of the special wax necessary for successful plucking. This wax was prepared at the laboratories of the National Research Council and necessarily until arrangements could be made for wholesale manufacture, the supply at first limited. Ordinary forms of wax, of course, are not satisfactory. However, the difficulty has been overcome and an adequate supply of wax is now available at hardware and feed throughout the Dominion.

CUNNINGHAM TO COMPETE

NEW YORK, Jan. 4—Taking on added significance because of the beginning of the "Olympic Year," the 1936 United States indoor track season gets under way Saturday with the annual meet of the Columbus Council, Knights of Columbus, at the 106th Infantry Armoury in Brooklyn. An 800-metre special race, bringing together Glenn Cunningham, Gene Venzke, Chuck Hornbostel and Bill Ray is the feature of the meet. Other high spots are the spring series with Eulace Peacock, United States outdoor champion, Sam Maniaci, of Newark, Sol Menaker of Pittsburgh and Willard Allen of Rutgers in the field and the high jump in which George Spitz will clash with Albert Threadgill of Temple.

Watch Out For Swiss Team, Warns Cam Seale, Hockeyist

"They're Wonderful Skaters," Says Man Who Spent Two Years Amongst Them—He Rates Them as Dangerous as U. S. Team

MONTREAL, Jan. 4—Cammy Seale, towering defenceman who played with Victorias when they missed winning the Allan Cup by a step, thinks Canada's Olympic hockey team will encounter just as much trouble with the Swiss team at Garmisch-Partenkirchen as Uncle Sam's outfit.

Just now, as the Port Arthurs gain steam for their defence of the Dominion Olympic crown, the chief worry seems to be to overcome the sextette wearing the stars and stripes. The Americans surprised the critics by defeating the New York Rovers on Monday night in an exhibition game, while the Ports fell before Port William.

This got the fans a-thinking, and

not without many a wrinkle on many a brow.

The Rovers are far from a pushover, and the fact that they were beaten by the United States Olympic team cannot be taken with a grain of salt. The Rovers boast the best forwards from the North Battleford team that reached the Western Canada final against Port Arthur last spring. Most of their players were at Patrick's school at Winnipeg this fall.

But, still, Cammy Seale believes the Canadian team will have to play its best hockey to beat the Swiss sextette. Cammy played the last two seasons in Basle, Switzerland, and can tell you that there are many good players in that country now.

"Why, some of those fellows can skate as fast backwards as we Canadians can forwards," says Seale. "They aren't good scorers, but they're improving. It's hard to score against their speed."

"Canadians have to watch the Americans, of course," says Cam. "But if they're wise, they won't overlook the Swiss speedsters if they should meet in the draw."

SOUTHERN N. B. LEAGUE HAS NEW SCHEDULE

(Special to The Daily Mail)

SAINT JOHN, Jan. 4 — All future Southern League hockey games must start on scheduled time and if the home team is kept waiting by a visiting team the latter must forfeit the game, it was ruled at a meeting of representatives of the league here last night. The meeting was called by H. H. Boyce, manager of the York All Stars and a vice president of the league, in order that the difficulty regarding the starting of games on time might be straightened out and that a satisfactory schedule might be drawn up. The difficulty regarding "game times" arose when Fredericton fans were left waiting in the rink for over an hour two games in succession, Mr. Boyce explained.

The remaining schedule is as follows:

6—Fredericton at St. Andrews.
7—Fredericton at St. Stephen.
8—Saint John at St. Andrews.
9—St. Andrews at Fredericton.
10—Rothesay at St. Stephen.
11—Fredericton at St. Andrews.
12—Fredericton at St. Stephen.
13—Fredericton at Rothesay.
14—Fredericton at St. Stephen.
15—St. Stephen at Rothesay.
16—Rothesay at St. Stephen.
17—St. Andrews at Saint John.
18—Saint John at St. Andrews.
19—Fredericton at Rothesay.
20—Saint John at St. Stephen.
21—Saint John at St. Stephen.
22—St. Stephen at St. Andrews.
23—Saint John at Rothesay.
24—Rothesay at Fredericton.
25—Fredericton at Saint John.
26—St. Andrews at Rothesay.
27—St. Stephen at Fredericton.
28—St. Stephen at Saint John.
29—Rothesay at St. Andrews.
30—St. Andrews at St. Stephen.
31—Saint John at Fredericton.
Feb. 4—Rothesay at Fredericton.

JAPAN ENTERS YEAR OF MOUSE

Aggressiveness Gives Place to Good-Will

SAN FRANCISCO, California, Jan. 3—Japanese all over the world this year celebrated the end of the year of the boar—a year of fierce aggressiveness—and greeted the year of the mouse—a year of kindness and good-will.

Each year in a twelve-year cycle is named for a different animal. Thus, 1936, the year of the mouse, will be followed by years of the cow, tiger, rabbit, dragon, snake, horse, sheep, monkey, bird, dog and then boar again.

ply of wax is now available at hardware and feed throughout the Dominion.

: SPORT SPOTS :

Now that the Yorks have apparently struck their stride in the Southern Hockey League, the fans are eagerly looking forward to the time when they will again meet the league-leading Saint John Beavers. According to reports in the Saint John papers, the Allan Cup is on its way to the seaport city already, but we think that when the Yorks get through with the Beavers in this league the Saint John players will be looking for places to lay their heads next winter.

Judging from the performance the local team put up the other night against the St. Stephen team, it is not hard for Coach Williams to pick effective forward lines. That night he had some weird combinations on the forward section, but every one of them appeared to be able to bring results.

Rothesay's win over the St. Andrews Senators last night in the Saint John Forum puts them in second place behind Beavers in the league standing, leaving the Yorks and St. Croix tied for third place. According to reports from Saint John attendance has been poor and the management is considering the idea of putting on a free game to bait the people along.

So far the attendance at the games here has not been damaging, but there is a possibility of a drastic falling off if the management of the team does not keep on the job and see that all future games start at the advertised time. As it is, through laxity in such matters the club has probably lost many dollars that will never be regained. But if they can guarantee the public courtesy and consideration at all times it looks as though they will be supported throughout the season.
