**LETTERS IN CANADA**

The Editors of The University of Toronto Quarterly have recently issued their first annual survey of Letters In Canada, the survey is a new project which should serve a useful purpose in its field of endeavour. Its object is to give a review of the cultural and literary life of Canada and a bibliography of books and articles on poetry, drama, fiction, economics, governments and other departments of writing creative and critical. Amongst a long list of books on different subjects issued by Canadian authors during the year the first named mentioned in the section devoted to poetry is Bliss Carman a Portrait, by Miss Muriel Miller of this city.

The compiling and editing of this survey must have taken a vast amount of work. It is published as an experiment and it is hoped that it will be continued from year to year as it is valuable as a source of reference.

(Continued from Page Eight)  
The past several years. While this has not been established yet the late Mr. Evans was certainly over the century mark in years. He had lived most of his life on the farm and in his closeness to the clean hardy life of the soil may lie the secret of his great age.

The late Mr. Evans' brothers all predeceased him. Deceased was unmarried, Robert and John Evans of Zionville and Thomas Evans of Boston are nephews. Mrs. Ernest Jacobs and Mrs. Edward McManus of Boston are nieces. The funeral will take place on Wednesday with service at two o'clock in the United Church at Zionville. Interment will be made in the adjoining cemetery.

"Wisely, and slow, they stumble that run fast"

The public demanded shirts for one dollar. Being public servants we felt it our duty to meet this demand. First we had to secure shirts of quality equal to our standard of value, or keep out of the low price field.

Realizing the truth of the words of Chesterfield, "A man of sense may be in haste, but never in a hurry, because he knows that whatever he does in a hurry he must do very ill!"—we therefore took our time and carefully "combed" the shirt manufacturers' lines for values before we decided to "stock" shirts at this price. We feel confident that you will agree with us that our dollar shirts are real value—worth one dollar of any man's hard earned money.

When better shirts are made to sell for one dollar, they'll be sold at
