# Canadian Runner Makes 1500 Metre Final

## JESSE OWENS GIVES OAK TREES TO SCHOOLS

BERLIN, Aug. 6.—Groundkeepers in three Ohio schools might as well look around for handy spots to plant some oak trees, this fall—genuine Olympic oaks, presented with the compliments of America's speediest son, Jesse Owens.

One is going to the junior high school in Cleveland, where Jesse first found he had lightning in his legs. Another is bound for his Cleveland high school. The third is destined to thrive in the campus of Ohio State University, where he now goes to school when he isn't breaking records.

One tree is already packed ready for shipping, a reward for his victory in the Olympic 100-metres final.

Owens confidently expected to collect the second today after the broad jump is finished, and run up a couple of installments on the third in the 200 metres event.

### Knows His Way About

None of the 200,000 persons who have watched him perform in the last two days, however, would accuse him of over-confidence. He simply knows what he can do.

"That's a grand feeling standing up there before all those people with the band playing the Star Spangled Banner and everybody saluting," Jesse said.

"That track was awful heavy or

## AMATEUR BALL PLAYERS IN MTL. ARE SUSPENDED

### Charge That Professionalism Exists in Ranks of P. B. A.

MONTREAL, Aug. 6.—Suspensions of a number of Provincial Baseball Association players officially went into effect today—after the Quebec Branch of the A.A.U. of C. had announced last Thursday evening that their amateur cards had been lifted upon information supplied by the Atwater Park Leagues that professionalism existed in the ranks of the P.B.A.

When President Gaston Nolet received the information in this morning's mail he immediately announced that the players "were now suspended." The delay in forwarding the information brought forth condemnation of the manner of handling the situation from the City Senior Amateur Baseball League and Montreal Intermediate Amateur Baseball League, they claiming the players should have been suspended immediately the A.A.U. of C., handed down its ruling.

I think we would have shown you some good times," Owens added, slapping Ralph Metcalfe, another American Negro, whom he beat to the tape by a yard and a half in the century.

## Unfair Ride

SARATOGA SPRINGS, N. Y., August 5.—Lee Fallon, one of A. G. Vanderbilt's jockeys, was suspended for 15 days for what the stewards termed "unfair tactics" astride Good Gamble in the Saratoga handicap Saturday. Good Gamble's stablemate, Discovery, won the race in a gallop.

The stewards charged that Fallon let Good Gamble carry the other horses wide while Discovery was going to the front of the rail, then dropped back and prevented Esposa from getting through on the inside and caused Mantagna some trouble. Good Gamble finished last.

and that the players should not have taken part in games on the week-end.

The players, suspended as announced by President Nolet today are as follows: Chick Bowden, Charlie Catvert, Paul Calver, Chambly; A. Peland, Marieville; L. Poulin, Magog; Joe Gagnon, Gaston Allard, Louisville; Marcel Lachapelle, Quebec; Leo Dube, L. Leduc, Chas. Bechard, Rosemount. Mr. Nolet said that the suspensions would go into effect immediately.

Meanwhile the Atwater Park teams are idle until such time as an agreement is made with the two leagues and the P.B.A. A cure for the ills may be prescribed today when Ross Vineberg, acting chairman of the Quebec Branch of A.A.U. of C., receives a document from the P.B.A. which outlines the plans for agreement decided upon at last night's meeting.

## HOCKEY STARS TO COMPETE IN GOLF TOURNEY

### Annual Maritime Golf Tournament to Open Monday

SAINT JOHN, Ag. 6.—The twenty-fourth annual meet of the Maritime Provinces' Golf Association opens on the links of the Riverside Golf and Country Club on Monday next, Aug. 10.

Eighty golfers from throughout the three provinces are expected to compete, including past and present champions of New Brunswick, Nova Scotia and Prince Edward Island.

Two hockey aces from the National Hockey League, well known to Maritime fans, Joe Lamb of the Montreal Maroons, and Pete Kelly of the champion Detroit Red Wings, are expected to compete. Lamb's entry has been received from Sussex and Kelly's from Charlotte.

Both are spending their holidays "down east" and are fine golfers.

Both amateurs and professionals will play for the championship in both classes.

J. M. Matthews of Chester, N. S., is the defending champion and although word has not been received from him officially it is expected he will be at Riverside to defend his title.

## JESSE OWENS IN THIRD RECORD AT OLYMPICS

### U. S. Colored Star Is Invincible—Phil Edwards Makes 1500-Metre Final.

BERLIN, Aug. 5.—Invincible Jesse Owens set the stage for a three-event sweep by the United States in the Olympic track and field games today as records continued to tumble in unprecedented numbers.

A tireless English pedestrian, Harold Whitlock, who strolled off with the 50-kilometre walking title, was the only "outsider" to break into the win-column as Owens roared off with the 200-metre sprint, to become a triple champion, and team-mates won the pole vault and discus throw.

Lean Lee Orr of Vancouver could do no better than fifth as the great Jesse upset the world record in the dash, but Dr. Phil Edwards raced into the blue ribbon 1,500-metre final and Betty (Co-ed) Taylor, also of Hamilton, earned a spot in the women's 80-metre hurdle final.

In addition Larry O'Connor, a University of Toronto timble-topper, progressed into the 110-metre hurdle semi-finals, while Sylvanus Apps of Hamilton and 10 others tied for sixth place in the pole vault.

Highlighting the day like a brilliant star was Owens. As he hot-footed it over the 200 metres in 20.7 seconds, he clipped the world standard for the distance, around one turn and shaved 4-10ths seconds off the Olympic mark he set Tuesday. Monday he won the 100 metre dash and yesterday it was the broad jump. He is the first Olympian to turn the "hat trick" since peerless Paavo Nurmi did it in 1924.

Ken Carpenter, brawny Californian, tossed the discus 165 feet, 29-64 inches for a triumph that displaced the former Olympic standard of 162 feet, 4 7-8 inches. Then Earle Meadows soared 14 feet, 2 15-16 inches to take the pole vault medal. He beat the former mark for the games by 1 1-16 inch.

Even the walkers took a hand in rewriting the record book. Whitlock ankled over the route of 31,050 miles in four hours, 30 minutes, 41.4 seconds. Tom Green, also of England, set the previous mark of 4:50.10 in the 1932 Olympics.

Conclusion of trials for the metric mile, regarded generally as the premier race of the games, found most of the favorites still in the running. The survivors were blond Jack Lovelock of New Zealand; defending champion Luigi Beccali of Italy; Glenn Cunningham and Gene Venzke of the United States; Canada's faithful Dr. Phil and seven others. The final, scheduled for tomorrow, remains a distinct toss-up.

Stan Wooderson, bespectacled English star who had been expected to do great things, joined Jack Liddle of Winnipeg and Hugh Thomson, of Nanaimo, B. C., on the sidelines.

Wooderson, recent conqueror of the great Lovelock, reportedly went to his mark with an injured ankle. He hummed along well enough until the turn into the home stretch, where he faded and finished eighth. The thin red-haired Thomson could not stand the pace set by France's Bobby Goix, the heat winner in three minutes 54 seconds, and the Canadian finished ninth behind Wooderson.

Liddle was a distant eighth in a trial taken by Venzke in 4:00.4.

Dr. Edwards, point winner for Canada with a third place in the 800-metres, was in that same position in the 1,500 metre trial. Beccali took the trial in 3:55.6. The Hungarian Szabo was next. Then came the Negro physician at Montreal in 3:56.2. Beccali's winning time at the Los Angeles games was 3:51.2.

Miss Taylor, 19 year old student of McMaster University, progressed through two heats to enter the 80-metre hurdle finals. She won a morning test in 12 seconds while Mrs. Hoxby Atkins, Toronto, was being eliminated.

## MARYSVILLE AND LEGIONNAIRES IN FINAL TONIGHT

The second game of the Junior baseball playoff between the Marysville Juniors and the Legionnaires will take place this evening, beginning at 6:15 o'clock on the diamond at the Woodstock and Hanwell roads intersections. The game is the deciding game of the series which will decide which club will meet the Fredericton Pets in the finals. It should be one of the best games of the junior baseball season. All base ball fans should see it.

Gustaf Haenschen, music director for the popular "American Album of Familiar Music," computes that since the inception of the Sunday evening NBC feature, more than five years ago, approximately 1,300 songs have been sung and played. The vocal stars, Frank Munn and Lucy Monroe, and the orchestra under Haenschen's direction have presented thirteen Victor Herbert operettas, six of Rudolf Friml's, and seven of the conductors' original compositions. The latter are: "Spanish Love Song," "Hawaiian Love Song," "Nita," "Rosita," "Vitality March," "Eileen, My Colleen," and the theme song, "Dream Sere-nade."
