The McKenna Cup Winners Banqueted

Fredericton Curlers Who Attended Provincial Bonspiel at Campbellton are Honored — Club Matches Played.

The Fredericton Curling Rinks, winners of the McKenna Cup, emblematic of the runner-up position in the provincial singles competition, were banqueted last night by their fellow clubmen at the Curling Club. Previous to the banquet three club matches were played, two of them being Uptown and Downtown series games and the third a Randolph Cup Match. The Downtown Rinks, skipped by Sterling Limerick and J. M. Gibson, strengthened their lead in the Club competition winning both matches. The Downtown Rinks are leading now 22 to 8. A rink, skipped by Judge Walter Limerick successfully defended the Randolph cup by defeating a challenging rink skipped by J. H. McMurray.

The banquet presided over by H. Lester Smith, president of the club, was held in the reception room and was served by Fred McKenzie, steward, and the younger members of the club. At the head table with the president were the members of the rinks which went to Campbellton. The table was centered with the McKenna Cup. The players included Judge Walter Limerick, skip, of the singles rink. R. B. VanDine, and "Chippie" Hatt, skips of the doubles rinks. B. W. Fleiger, Sterling Limerick, J. Hazen Flemming, Ald. F. S. Mundle, A. H. Porter, Harvey Ramsay, and A. McF. Limerick. Regret was expressed by the speakers that B. H. Kinghorn, one of the members of the team, was not present. Mr. Kinghorn was suddenly taken ill at the Bonspiel and is now undergoing treatment at the hospital in Campbellton. A letter received by Judge Walter Limerick from the absent member stated that he would be able to return to Fredericton in a few weeks.

Following the bonspiel the skips of the Bonspiel Rinks spoke briefly to the members telling them of the matches they played in Campbellton. Ernest A. MacKay, an honorary member of the club, was present at the festival and spoke for a short time reminiscing with the older members on events of interest that had taken place years ago. J. H. Malcolm sang several Scotch songs and then led the gathering in singing "For They Are Jolly Good Fellows" and "Auld Lang Syne" following which the members and their guests played cards.

The rinks and results of last night's matches are as follows:

Randolph Cup Match
H. Lester Smith, Ralph Limerick, Arthur McF. Limerick, Walter Limerick, skip—18.
Frank Morrison, J. Hazen Flemming, Fred Barker, J. H. McMurray, skip—3.
Uptown—B. M. Love, A. H. Porter, J. B. Kinghorn, F. S. Mundle, skip—10.
Downtown—W. T. Walker, M. B. Morrison, F. P. Hatt, J. M. Gibson, skip—10.
Uptown—D. F. Clark, J. McKeen, N. C. Dougherty, J. E. Page, skip—9.
Downtown—J. H. Whalen, W. F. Todd, J. H. Malcolm, Sterling Limerick, skip—12.

FEW VETERANS ON CARDS' STAFF OF UTILITY PLAYERS

ST. LOUIS, Jan. 30—Unless they gaze upon the mound, fans this summer may look "round and round" without seeing a veteran St. Louis Cardinal substitute.

Expect for pitchers, the Cards have no veteran reserves for 1936 at any position, and youngsters possibly may be in two, or even three, front line spots when the season opens.

This is the first time such a condition has existed on the Cardinal team since it stepped into base ball's front ranks a decade ago. It may set a precedent for any major league club.

Leaving out pitchers, here are the veterans:

Collins, first base; Frisch, second; Durocher, shortstop; Gelbert, third; Medwick, left field; T. Moore, center; Pepper Martin, right; Virgil Davis, catcher. Catcher Bill Delancey, now in the hospital, is not considered because of his illness.

Pitchers are Dizzy and Paul Dean, Haines, Hallahan, Walker, Hensser, Parmelee.

Rookie Jimmy Mize, with only a few months' experience in the majors, has a chance of being the Cards' regular first baseman. If Mize whoops it up during training season the Cardinals might think seriously of taking the Giants' offer for Jimmy Collins.

RED SOX LOOK LIKE WINNERS AT BOX OFFICE

Crowds on Road May Flock to See Locals Defeat Yawkey's Stars

The feeling around the baseball circuit is that wherever Uncle Tom Yawkey's expensive outfit goes next season, so will go the fans. While the Red Sox will not drip with color and while they may not reach the top rung in the league standings, they do represent a large investment. Fans will flock to the ball park when the Sox are in town, not so much to see a galaxy of stars under one flag as to see how a five-and-ten-cent team can lick a player personnel that cost somewhere in the neighborhood of a million dollars.

Sentiment, apparently, is against Yawkey's program of huge expenditures. It's like seeing a prize fighter of the Camera size getting into the ring with an ordinary 200-pounder. Maybe the Hub team is not the class of the league, but it does cast an expansive shadow. Fans like to see the little fellow win, and it is with this in mind that they will turn out in large numbers when the Sox come.

The Red Sox will be a marked team as they make the rounds. When they lose two or three in a row, the operating knife is likely to be applied freely by the fans on the body of the team. Perhaps the pitching staff will need new blood or the infielders will be in line for a few changes. It may work a hardship on some of the younger and more sensitive players, but the team as a whole seems well able to withstand any criticism.

Thus, the Tigers, two-time winners in the junior loop, will not find all the big guns aimed at them. For a team of their ability, they may be plodding through a comparatively easy schedule.

Fredericton Eagles Won Overtime Game From F'ton Junction

(Special To The Daily Mail)
FREDERICTON JUNCTION, Jan. 29—The Fredericton Eagles, captained by Gerald Cain, won from the local team here last night 2-1 in a fast overtime game at Hart's Rink. The teams went through the first period without a score, but in the second frame D. Alexander tallied for the Junction team putting them one up. The local boys maintained their one goal lead until well on in the third period when Ryan tied it up. Captain Cain broke the tie and won the game for his mates when he sagged the twine early in the ten-minute overtime period.

The lineups follow:
Eagles—goal, Earl Scott; defence, J. Ryan, B. Mawhinney; centre, Gerald Cain, H. Monohan; left wing, P. Marsh, A. Rowan; right wing, R. Hall, C. Hall.
Fredericton Junction: goal, C. Allen; defense, L. Mersereau, F. Hart; centre, P. Palmer, C. Alexander; left wing, G. Allen, D. Alexander, J. Shearer; right wing, H. Tracy, Allan Stuart.
Referee—Wesley McFerguson.

Amos and gave a note for the amount. The note became long past due. One day Amos called on Nat and demanded: "When you'll gwine pay dat note?"
"Ah ain't got no money now, but Ah gwine pay just as soon as Ah kin"
"Dat don't git me no nothin'," retorted Amos. "If you-all don't pay me here an' now, Ah gwine burn up your old note; den where all you gwine be at?"
"You better not! You better not!" shouted Nat. "You just burn dat note of mine and Ah'll burn you up wid a lawsuit."

Only One Derby

MIAMI, Fla., Jan. 30—Joseph E. Widener, president of the Hialeah Park race track, will drop the name of Florida Derby for the three-year-old event which is the highlight of the Hialeah meeting.

Mr. Widener contends that there should be only one so-called Derby in this country, that the Kentucky Derby, because of the latter's rich tradition and because it was the first Derby to be run in this country. The Kentucky Derby was first run in 1875 and was patterned after the famous English race, the Epsom Derby.

With the advent of so many new race tracks, there has sprung into being a whole flock of derbies; so many the name means nothing any more. There is the Detroit Derby, the Santa Anita Derby, the Latonia Derby, the Texas Derby, the American Derby, the Ohio Derby and a number of others using the name originated in this country at Churchill Downs.

All of the so-called derbies are for 3-year-olds, but other conditions make them far from even an imitation of the Kentucky Derby.

When Arlington Park decided to institute an important racing event for 3-year-olds, its officials wanted something more distinctive than derby. They did not want to trade on the name of Col. Matt Winn's famous race. They decided on "Arlington Classic". Thus the Arlington Classic, weakness, a race almost exactly similar in conditions to the Kentucky Derby, the Travers, the Lawrence Realization and other important 3-year-old stakes, possess and individually lost to races called various derbies.

Canadian Olympics Down French Team

PARIS, Jan. 29 — The Canadian Olympic team defeated France's Volants 5-2 here tonight in the fastest pre-Olympic hockey match of the season.

The Canadians, who are defending the Olympic ice hockey title, made an impressive showing in their only scheduled exhibition game prior to the Olympic games next month.

Bill Thompson scored twice for the Olympic team, most of whose members played last season for the Port Arthur Bearcats.

Ken Farmer, Art Deacon and Hugh Farquharson tallied the other three. For Volants Gordette and Cholette scored.

The Canadians led 1-0 in the first period, 4-2 in the second and added another counter for good measure in the final frame. Jackie Nash had 20 stops and McCann 28.

"Kick" McCann, goalie for the France's Volants, is well known in Saint John and throughout the Maritime.

At one time McCann was in the up-ights for Fredericton in the old Southern New Brunswick League. He later was net guardian for the Charlottetown Abblies.

When Dalhousie Rangers won the Maritime title in 1932 McCann was outstanding behind the pipes.

This is his second year as goalie for the French team.

Gorman Is Released From Hospital Today

MONTREAL, Jan. 30—Thomas Arnold will go up to confer with Tommy Gorman today. Lionel Conacher saw him several days ago and Tommy expected to be back within ten days. His doctor is letting him out of the hospital today. He has ordered him to do a three-mile-a-day walking stretch for a week to tighten up for resumption of work.

Arthur Cayford will take Maroons on the road, and will handle the team in its next game. Maroons did not have to go outside their own organization at any time to get "pinch hitters" for Gorman during his illness.

YORKS AT HOME TO OAKS HERE THIS EVENING

Larry McLean to Be With the Team for First Time in League Match

The York All-Stars and the Rothesay Oaks cross sticks tonight in the Arctic Rink in what should be one of the best games of the season. The two teams are meeting in a second postponed game of the regular Southern League schedule, the Yorks having taken the first game in Saint John last Monday night 3-2. According to the schedule these two teams are supposed to play four games, but owing to the lateness of the season and the fact that the playoffs are just about a week away, it is doubtful if the other two games will be played. At present the Oaks are tied for third place with the St. Stephen-St. Croix with six more games to play, while the St. Croix have only three more games to play, one of them being with the Yorks here next Tuesday night.

The Oaks are arriving here by train tonight and will present practically the same lineup which held the Yorks to three scores in last Monday's game. The Yorks will be at full strength with their regular lineup, and Larry McLean in the players' box directing their play. This is the first time that Coach McLean has had a chance to be present at a league game since his appointment to the position.

The Oaks' lineup will be as follows: Goal, Wilson; defence, Morse and McNeil; left wing, Chapman; centre, Steele; right wing, Kennedy; substitutes, Hunter, Harmer, LeClair, Kilpatrick.

The Yorks' lineup will be taken from the following: goal, Cliff Young or Ev. Staples; defence, Goodie Pickard, Chalmers, and Minue; forwards, Mills, Lifford, McIntyre, Keenan, Haining, McLennan, Steen and Cameron. Coach McLean said yesterday that the starting lineup will not be known the team takes the ice tonight.

Frankie LeBlanc, the diminutive stickhandling star of the Montreal Royals, who used to pastime with the Dalhousie Rangers, one-time contender for the Allan Cup, is making a name for himself in the metropolis. In the game against Lafontaine the other night in Montreal he netted three of his team's goals as they showered their opponents with eight goals while the latter were getting four. Reports from those who are following Montreal amateur hockey reach us stating that LeBlanc has changed his style of play considerably and that he has abandoned his old style of stickhandling. He may have abandoned it for the more recent style of puck pushing, but we will wager that he uses it in tight spots.

The members of the Fredericton Curling Club gathered at their club rooms last night and honored the members of the Club who attended the Provincial Bonspiel. The McKenna Cup, emblematic of runner-up position in singles competition, adorned the head of the table. The people of Fredericton should be proud of the showing made by their curlers at the bonspiel, especially in view of the fact that only a small number were able to attend and that two of their members were forced out of competition by illness.

Tonight the York All-Stars will clash again with the hard-fighting Rothesay Oaks in the last game between these two teams. The Yorks nosed out the Oaks 3-2 last Monday night in Saint John, and the Oaks are out to break even on the two games. The fans are looking forward to a great battle tonight.

John LeClair, old war-horse of the Sussex Colts and Dairy Kings, is in the lineup with several other former Sussex players, and although he is well along in years he can step faster than many of the players in the Southern League.

Chabot Waived Out By Chicago Hawks

CHICAGO, Ills., Jan. 30—All clubs in the National Hockey League have waived on Lorne Chabot, suspended goalie of Chicago Black Hawks, Manager Clem Loughlin revealed Saturday.

"That means there is no market for him", Loughlin said. "We are unable to trade or sell him".

Chabot, Vezina Trophy winner last year but injured early in the 1935-36 training season, was suspended, without salary, after he refused to join the Pittsburgh club, of the International League, to which he had been loaned.
