AIM OF CANADA IS GOODWILL TO ALL NATIONS OF THE WORLD

Mackenzie King Brings Out Salient Points of Dominions' Attitude

Parliament Will Be Called to Decide Procedure

Christianity and League May Have Failed But Are Not Failures

OTTAWA, Sept. 15—"Canada desires to be friendly with all nations; that is the point I wish to emphasize," observed Prime Minister Mackenzie King on the eve of his departure for Geneva, where he will head the Canadian delegation at the Assembly of the League of Nations.

"Sees Power Need" Question as to what Canada's attitude would be at Geneva, the Prime Minister alluded to his statement in the House of Commons on June 18 last, in the course of which he discussed the Italo-Ethiopian conflict and the League of Nations, and said there must be an overwhelming preponderance of power, economic and military, in the League as against any possible aggressor or combination of aggressors before a breach of the peace by any aggressor can be prevented by force.

The Prime Minister admitted it was conceivable occasions may arise where military action may become advisable or essential, "but so far as Canada is concerned, that would be for the parliament of Canada to decide in the light of all the circumstances at the time."

"We must not despair of the League," said the Prime Minister. "The League has failed, but the League is not a failure. Christianity has failed time and again, but Christianity is not a failure. Rome was not built in a day, and Imperial ambi-

NOTICE OF SALE

TO George W. Kitchen, of the Parish of Queensbury, in the County of York, in the Province of New Brunswick, Farmer, and Margaret A. Kitchen, his wife, and all others whom it may in any wise concern:

Take Notice that there will be sold at Public Auction in front of the City Hall at Fredericton, in the County of York, on Saturday the 3rd day of October next, at the hour of 12 o'clock, noon, the lands and premises described as follows: This certain lot, piece or parcel of land and premises situate, lying and being in Springfield Settlement in the Parish of Queensbury in the County of York, conveyed to the said George Kitchen by William J. Telfer and wife, by Indenture bearing date the twenty-fourth day of June, A.D., 1932, and therein described as follows: "Bounded on the eastern side by lands owned by Isiah Whitehead and on the front or westerly side by the road leading through the said Springfield Settlement, and on the northerly side by lands owned by John Timmins, on the rear by the New Brunswick and Nova Scotia Land Company's Land, and formerly known as part of Lot number 3 and 4 in Block U and granted to the late John Saunders bearing date the third day of September, A.D., 1831, and more recently conveyed to William H. Anderson and by him conveyed to the said James V. Hallett and said described land and premises containing in the whole one hundred and fifty acres more or less." Being the same lands and premises as decreed by James V. Hallett et ux to William J. Telfer by deed dated April 27th, 1918 and registered in York County Records on June 29, 1918 in Book 188 pages 372-375 under Official number 68678. Together with the buildings and improvements thereon and the appurtenances thereto belonging."

The sale herebefore stated will be made under and by virtue of the Power of Sale contained in a certain Indenture of Mortgage bearing date the sixth day of July, A.D., 1932, Registered in York County Records in Book 217, page 406 et sequitur and made between the said George W. Kitchen, and Margaret A. Kitchen, of the First Part, and Hurd A. N. Belvea, of the City of Fredericton, in the County of York, Locomotive Engineer, of the Second Part, default having been made in the payment of principal and interest of said mortgage contrary to the provision in the said Indenture contained.

Dated this thirty-first day of August, A.D., 1936.
HURD A. N. BELVEA,
Mortgagee.
F. H. PETERS,
Solicitor.

Heat in 2:05 Nearly Equals Track Record

Bud Wenger Captured Free-For-All, After Mildred May Opened With 2:05 Heat—John Dean Winner of 2:18 Trot, and Federal Eliminates Field of Twelve Starters in 2:18 Trot and Pace.

Fredericton's exhibition races were inaugurated yesterday with a splurge of speed which came within a quarter of a second of equalling a track record which has stood for ten years. Mildred May, driven by H. Clukey, went the first heat of the Junior Free-For-All in 2:05. The track record, set by the famous Single G. is 2:04 1/4.

Bud Wenger won the race, however, and travelled the third heat in 2:05 1/4, another valiant attempt to beat the track record. The second heat was negotiated in 2:07.

Tommy Raymond, a Fredericton driver, nosed John Dean, bay gelding owned by Arthur Morris of Saint John, into a victory over High Toby in the 2:18 Trot, in what proved to be one of the most thrilling of the day's races. Raymond was driving for the first time in three years.

Federal, a bay gelding, owned by Sullivan and Mawhinney of Machias, Maine, also driven by Clukey, outclassed a field of eight horses in the final heat of the 2:18 Trot and Pace. There were twelve starters, and the class was started in two divisional heats with seven in one and five in the other. The best time was 2:08.

The opening of the three-day race programme at the Fredericton Exhibition was featured by a heat in the Junior Free-For-All event that came but one-quarter of a second short of tying the track race record set some years ago at 2:04 3/4. This heat was won yesterday by Mildred May, owned by Sullivan and Mawhinney of Machias, Maine, and driven by Mr. Clukey. The race itself, however, was won by Bud Wenger of Houlton, Maine, driven by Avery. This horse won the final two heats on the card.

What was considered one of the "prettiest races for some time," by the old hands at the track was the final heat of the 2:18 Trot. High Toby, driven by Mr. Cummings, lead

the field for almost the entire mile with John Dean a heavy favorite trailing. About the last quarter the favorite began pulling up and at the wire was only inches ahead. A hush fell on the large crowd of fans until the judges announced the decision. The time was only 2:11 1/4, but the race was definitely the best of the day.

Official starter R. M. Webber again handled the bell and with the exception of a warning to two drivers, the starts were good.

The entire afternoon was cloudy and rain threatened toward the end. The track was in excellent condition and those in charge of this end of the fair should be complimented. Between the heats the crowd was entertained by vaudeville acts and band music.

Following is the summary:

2:18 Trot and Pace, Purse \$300
(Two divisions in first elimination heat, first four horses in each division advancing to the final heat.)

Federal, b.g., Peter the Brewer
Machias (Clukey) 1 1
Quaker Girl (Burgess) 1 2
Billy Bondeer (Conroy) 2 5
Hanover Courier (J. Conroy) ... 2 6
Miss America, Trixie Volo, Peter Onward and Ross K. also qualified for the final. Northern Prince, Calumet Duke, Mac Forbes and Martin-Dell were eliminated in the divisional heats.

Time—First divisional heat 2:08; second 2:11; final 2:08.

Junior Free-For-All

Bud Wenger 1 1 3
Mildred May 1 3 2
Marjorie M. 2 2 3
Guy Britton 4 4 4
Time—2:05; 2:07; 2:05 1/4.

2:18 Trot
John Dean 3 1 1
High Toby 1 2 2
Bobelwyn 2 3 3
Peter Pin 5 4 5
Harvest Melody 4 4 5
Time—2:10 1/4; 2:10; 2:11 1/4.

ABILITY TO RELAX, SENSE OF RHYTHM MARKS A CHAMPION

Jesse Owens' Olympic Triumphs Testify to This—Rhythm Inborn in Negro Athletes

(By Grantland Rice)

The large Olympic party put on by American Negroes will have Germany's savants, philosophers and research experts busy for some time. Being a pretty thorough set of people along whatever line they follow, the Germans want to know how it happened and why it happened—especially why.

"What is the reason for this?" They began to ask after Owens Johnson, Metcalfe, Woodruff, Williams, Lu Valle and others began mowing down the pick of the athletic world.

Before I left Berlin, one expert gave me this opinion: "It is the Negro's ability to relax and keep relaxed, plus his inborn sense of rhythm. Games to them are play, while to most others games are largely work."

Rarely Becomes Tense

The Negro athlete rarely tightens up or gets too tense. For this reason he is able to produce a greater proportion or percentage of his ability. I watched them at rest around the Olympic village and it seemed to me that most of the time they were dozing or yawning. They are not worn down by too many jumpy nerves.

"Then there is their sense of rhythm, so well known in music. Owens in this respect is the most remarkable example any Olympic

coaches have ever seen. He is able to put on full pressure without breaking perfect form. Few can do this. It is like what you call "pressing" in golf. Even in the act of breaking world's records, Owens never has to press. It is impossible to see even the slightest sign of effort. I watched for this quite carefully in the 200-meter race, using powerful glasses.

Shows No Sign of Strain
His face showed no sign of strain while he was running the fastest 200 meters ever known around a turn over a wet track. This has amazed us over there more than anything else—this ability to look completely at ease and relaxed even in the midst of a record breaking race.

This ease and smoothness of championship form is not the property of any one race, however. It is the property of a champion.

There was a wide difference of opinion among United States coaches at Berlin as to the makeup of future American Olympic teams.

One group took the angle that by 1940 at Tokyo the United States team would be more than 50 per cent dark hued.

"I don't agree with this angle," another leading coach said. "In my opinion we just happened to have a star group of Negroes at this time. By 1940 there may be only two or three on the squad."
