

WHYS AND OTHERWISE

AS SEEN BY
H. L. G.

The Capitals, new Fredericton hockey club, are showing plenty of enthusiasm already for the new hockey season, although there is no possibility of ice until after Christmas. Already a tentative four-team loop for Southern New Brunswick has been revived. From here it looks like a bog hockey season.

F.H.S. began its annual two-game invasion of the Rothesay-Saint John high school sector. The Yellow and Black have been doing this for years. Because, we suppose, that the F.H.S. has consistently won over the years on this stiff schedule, there has been no protest. Maybe this diet of two games in two days is good for the players. Coach Cass and his boys look to be in a repeat of their old form on this present trip.

Up at Queen's University the boys got wild the other day, started a riot and as a result got themselves all suspended. But it was all over football, nothing more serious and other than a suspension here and there nothing more has come of it. Down at an American girl's college in the United States the other day about two hundred girl students tangled with fingernails and other feminine fighting paraphernalia. This time it was over the approaching U. S. election. It seems that 150 girls were attending a Republican rally. They were met by 50 girls of Rooseveltian faith, who refused to allow them to hold the rally—and then it started.

Bowling is coming into its own again with fall here. Bowling is the fall and winter game, and although there is never much hubbaloob about it, it is patronized by the greatest number, and played more consistently probably than any other game in the world. Bowling here has always been a big attraction. Our Saint John correspondent informs us that this year in that city the game is catching on with a greater interest, with more participating in both sexes. A large number of new teams will be bowling in that city.

Irvine MacKie of Keppoch, P. E.I., who last year turned down a chance to play for Boston Bruins in the Canam Hockey League, will leave shortly for a tryout with Detroit Red Wings. MacKie told Art Ross and Frank Patrick he wanted to play another season with an amateur team for the additional experience. In Detroit he will meet Pete Kelly, sorrel-topped former team-mate with Charlottetown Abegweits, who has two years in the National League behind him. Kelly played with Red Wings last year.

The child born on the Mayflower during its epic trip to America was named Peregrine White.

Capital Prepares For the Ice Season

RED DUTTON IS BOLSTERING HIS AMERKS FOR THE NEW SEASON

Johnny Gallagher to Amerks -- Plans to Buy Allan Shields -- The Lineups.

OSHAWA, Ont., Oct. 16—Only if efforts to bolster his defence fall through will 'Red' Dutton, husky play ing-manager of the New York Americans, take his turn on the ice when the National Hockey League season starts, he said last night. At the same time he announced the purchase of Johnny Gallagher, of the Detroit Red Wings.

"Besides Gallagher, I hope to be able to buy Allan Shields," he said, "and if this defensive combination stands up, my playing will be all done from the players' bench."

Dutton also said New Haven Eagles would be the farm team of the Amerks this year and would do their pre-season training here starting October 26.

"This connection should be a big help to us," he claimed, "as it will give us a better opportunity of watching the boys that are farmed out."

"Whitey" Farrant, who was a sensation as a first-year player in the International League last season, will be counted on for Americans' third-string line while Joe Lamb, recently purchased from Maroons, and Nakina Smith will probably start at centre and left wing, respectively, on the same line.

"Smith may possibly need another year's seasoning," Dutton said. "And if so, Ah Cronie, who played centre for Trail, B.C., and tried out with us last year, will have a chance at left wing."

"With Chapman, Carr and Schriener as a first line, the second line is also set, with Oliver, Wiseman and Cotton, so the kids will have a real chance to make positions. Of course we will keep a couple of seasoned veterans on hand in case they just don't make the grade."

The amateurs who will try out with the Americans came in for enthusiastic praise from the American mentor who stated the most promising were Cronie, Bill Burnett, a defenceman from Kimberley Dynamiters; Roy Bromley, a right-winger from Calgary; Benny Novic, a left winger, also from Calgary; 'Red' Hammill, a defenceman from South Porcupine; and Pete Leswick, a centreman from Saskatoon.

52 OF CREW SAFE

MANILA, Oct. 16—The Japanese freighter Mako Maru sank last night off Piedra Point, but all her 52 crew members were rescued by the Concordia, the Italian steamship wireless. The Mako Maru, tossed by heavy seas and whipped by typhoon, began filling with water late yesterday. Her skipper sent out distress calls.

According to ancient custom, a Mohammedan, on meeting a person, may shake hands with thumbs up, then touch his breast, forehead, and lips with his hand to show that the one he greets is cherished in his heart and thoughts and entitled to a kiss.

Others Refer to Them as "Classy"

We prefer to call them distinctive . . . for our fall suit fabrics ARE distinctively patterned, distinctively colored, distinctively woven. You'll agree with us, too, once you've seen them, rubbed them between your fingers, then draped them over your arm or shoulder "just to be sure". We invite you to inspect them all—today.

Bruins, Maroons at Saint John Oct. 26 and 28

(Special to The Daily Mail)
SAINT JOHN, Oct. 16 — With the hockey season coming on in great manner, a meeting was held in order to get the Forum in first class condition, for the arrival of the Boston Bruins and Montreal Maroons, who are to play here on Oct. 26 and 28.

Alden R. Clark, son of W. G. Clark, M.P. for York-Sunbury, who was a great hockey star when the old Fusiliers hockey team was the senior team in Saint John, was the president at the meeting, and plans for the coming season were brought before the board.

Repairs are being made in the rink, and it is hoped that ice-making will take place the first of next week. Norman Brittain, former assistant manager, was asked to take over the management of the Forum, Ltd. It is hoped that he will accept the position, taking the place of D. J. Corr, who held the position last year.

The making of ice, next week, is putting Saint John hockey fans on their toes, and the fans are hoping that the team this year will be as powerful as previously announced.

It has been said that a thin coating of ice is expected by the first of next week, and after the exhibition games the ice will be used as skating purposes, and everything will be in readiness for the winter season.

SCOTS' SOCCER CLUB DOWNED GERMANS 2-0

GLASGOW, Oct. 14—Fifty thousand spectators at Ibrox Park, home of Glasgow Rangers, saw Scotland score two goals in the second half to defeat Germany 2-0 today in an international soccer match. Although the home players were the cleverer team, dangerous raids by the Germans thrilled the crowd and it was not until after the interval that the Scots definitely asserted their superiority.

Thirty-three minutes of the second period had elapsed, when Delaney, Celtic's speedy winger, sent the ball into the net after Jakob, Germany's goalkeeper, failed to clear a shot by Armstrong. Aberdeen centre forward, near the close Delaney scored again with a forceful drive, but was hurt in colliding with Jakob. He was able to resume after receiving medical attention.

The match was exciting throughout, but Scotland played with more dash and deserved to win. The Germans gave a fine exhibition, particularly in the first half. They combined well but shot weakly in front of goal.

Siffling netted early in the game, but he was ruled offside and the point disallowed. Both custodians gave masterly displays and once Dawson, in Scotland's goal, dived full length to push a shot from Urban round the post. On another occasion Siffling sent a shot that Cummings deflected with his head. The Scottish back was knocked out for a few minutes. Duncan, Delaney and Armstrong did many smart things in the German goal area, but were unable to get the ball past Jakob.

LONDON, Oct. 16—Twenty members of the crew of H. M. S. Guardian, a net-layer, were deprived of their daily dot of rum for three months today because they were tardy about falling in at daylight on a chilly morning recently.

They also were denied their usual three hours of leisure daily for the same period.

The Admiralty stated the "incident consisted of reluctance and a short delay in falling in. The normal routine of the ship was not affected."

The sailors complained they had insufficient rest.

The world's most intensively cultivated ground is said to be an area of 1,000 acres under glass in Hertfordshire, England.

Fredericton Management Agree to Four-Team Southern N. B. League -- Meeting on Week-end.

The first steps in the placing of a Fredericton hockey team in a revised Southern New Brunswick League, composed of Saint John, Moncton, Amherst and Fredericton, will be made when representatives of the Fredericton Capitals' Hockey Club attend a meeting of representatives from other New Brunswick clubs in Moncton this week-end. Accompanying Mr. Boyce to the meeting will be Vernon Olive, president of the local club, and Wm. Lifford, a vice-president.

The local club was in agreement with the Saint John Club regarding the reformation of a Southern New Brunswick league for 1936-37. However, he was of the opinion that the inclusion of Amherst in the league, as is suggested, would make a long trip for the Fredericton team.

With the regular squad which composed the York All-Stars, last year's entrant in the Southern League with Saint John, St. Stephen and St. Andrews, with the Fredericton Juniors last year, Corporal Justin Sirr, who was with the Capitals in 1933, and who is now stationed here with the R.C.M.P., and Jeff Richards, former Capital sub-goalie, who was out of competition last year, are mentioned as material for this year.

Practically all of last year's squad are available including Young, for goal; Minus, Chalmers and Goodine, for defence; and Mills, McLenahan, Lifford, Cameron, Keenan and McIntyre, for forwards.

READY FOR SATURDAY'S BIG GAME

Mustangs of Western Ontario Appear Against McGill

LONDON, Ont., Oct. 16—University of Western Ontario senior Mustangs and the intermediate Colts began preparation yesterday for next Saturday's gridiron games against McGill and McMaster in the collegiate groups.

The only casualty from last Saturday's contest was Jack Guthrie, snap-back of the Colts, who had shoulder ligaments badly torn in the tilt at Toronto. He will be out of action for two or three weeks, and Calvert will take his place in the centre of the line.

As Mustangs and Colts went through signal drills in the chill and damp yesterday, Coach Bill Storen enthused over the fact his senior squad came through the gruelling game against Toronto Varsity without a real injury. Although he did not use all his available spare men in Saturday's game, Storen said the college union should allow 24 players to be used in a game—as do the Inter-provincial and Senior Ontario Rugby Football Unions.

ST. CROIX CLUB WILL BE HONORED

ST. STEPHEN, Oct. 14—The St. Croix Baseball Club, 1936 amateur baseball aggregation of the Maritimes is to be honored at a banquet here on the evening of Nov. 5, according to an announcement made today, following a meeting of those formulating plans for the function.

A citizens' committee of 15 met at the office of Walter J. McWha, H. N. Ganong was chairman and D. A. Nesbitt and H. E. Heatt were present, representing the town council. With the assistance of Milltown town council they decided to present to the 15 ball-players of the club leather coats and tender them a banquet.

Cecil Nesbitt will be banquet chairman and Walter J. McWha was appointed to purchase the coats. A committee was named to decide where the banquet will be held.

QUEEN'S CHEER LEADER GIVEN SUSPENSION

Students Penalized For Football Attack Recently --- College Scandal.

KINGSTON, Oct. 16—The vigilance committees, composed of sophomores, who are supposed to see that freshmen regulations are obeyed, were ordered dissolved by the Alma Mater Society of Queen's University last night, it was learned today, as a result of the attack by Queen's freshmen on McGill students following the Queen's-McGill football game Saturday.

Members of the committees will not be allowed to hold any office for the remainder of the year. Damages incurred during the attack will be charged to the freshmen year, it was said.

Reports were given to the A.M.S. that the freshmen acted under orders by the vigilance committees through the chief cheer leader. The demonstration in reprisal for painting of the Queen's goalposts and stadium walls in McGill colors the night before by McGill supporters. The cheer leader was suspended indefinitely.

Remember Him?

FORT ERIE, Ont., Oct. 16—Stanley Jackson, former International Hockey League defenceman, with London, Windsor and Buffalo, has received word of his appointment as an official referee for the Ontario Hockey Association this season.

Jackson had also applied, he said yesterday, to the National Hockey League for a seasonal berth. Last year he was one of the regular referees on the International Hockey League staff.

GABBY NOT EAGER

NEW YORK, Oct. 16—While world series heroes are just betting back home, football is filling the sport page headlines and hockey players are beginning practice, Brooklyn's baseball "hot stove" is turning cherry red.

The Dodgers kindled the first spark of the "hot stove" season during the world series when they dropped Casey Stengel as manager.

Now they're being almost swamped by waves of rumors concerning his successor, reports of pending trades and occasional blasts of criticism. In addition, there's the ever-present possibility that the club may be sold to Col. T. L. Huston and the new owners will have new ideas about the various matters.

Yale Swimmer Goes to South Africa

NEW HAVEN, Conn., Oct. 16—John W. Harte, one of Yale's most versatile swimmers of all time, has been appointed head coach of the South African Amateur Swimming Union, it was announced here last night by Yale Coach J. H. Kiphuth.

Kiphuth, who recommended Harte for the position at the Berlin Olympics, made the announcement after receiving a letter of confirmation from Gilbert Reynolds, chairman of the South African Union. Harte sails today and arrives at Johannesburg Nov. 21. After directing the National Championships there the week of Jan. 4 Harte will make a tour of the Union affiliates to coach the outstanding swimmers of each section.

Boxer Suspended

EDMONTON, Oct. 16—Suspension of Eddie Wenstob, Canadian lightweight, by the British Boxing of Control, has been lifted, Frank Heller, secretary of the Edmonton Boxing and Wrestling Commission announced.

The suspension was ordered when Wenstob refused to participate in a scheduled bout at Bristol, England, on September 16, 1935, claiming at that time he was not in condition.

Stipulation of the lifting of the suspension, Heller said, was that Wenstob must give an option on the first of any fights in the Old Country to Captain Prince-Cox, British promoter.

"POOSH 'EM UP" TONY LAZZERI FAR FROM THROUGH

NEW YORK, Oct. 16—Two great salvos rattled off the rusty bat of Anthony Michael Lazzeri in the baseball season just closed.

The first, coming late in May when he and his Yankee mates were making an inconspicuous start pennant-ward in the American League, announced old "Poosh-em-up" was still on the basepaths.

The second showed the Yankees and the baseball world the Giants could be blown apart in the World Series with old Tony as a pace-maker 10 years after his first appearance in the post-season classic as a rookie from the West.

Many figured before the 1936 campaign got underway that Tony might not last out the season, that the props which had stood up since his debut with Salt Lake City back in 1922 were ready for a rest.

F. H. S. AWAY FOR 2 GAMES IN "BIG THREE"

His Marvellous Play in World Series Gives Him Another Chance -- Prodigious Batting.

Fredericton High School rugby squad, in charge of head coach E. G. Cass, assistant-coach Bert Waterhouse and Manager Bert Burgess, left here this morning at 8 o'clock in a chartered bus for its two-game schedule of the 'Big Three' section of the N. B. Interscholastic League against Rothesay Collegiate School and Saint John High.

The Yellow and Black squad will meet the R.C.S. fifteen in Rothesay this afternoon and the Saint John team in Saint John Saturday afternoon. Two wins will clinch the 1936 title for them.

The squad making the trip are: Forwards, Hoyt, Todd, T. Allen, Bill Allen, Cameron, Colter, Thorne; halves, Brewer, McLenahan (Captain), McFee; three-quarters, Markey, Wade, Clarke, Horwood; full-back, Elgee; subs., Smith, Oliver, Swift, Estabrooks and Baird.

The record books say Tony will be 33 next Dec. 6, he admits to 30 summers and you can guess with the next one as to exactly how old he is. But he's already figuring on playing second base regularly for the New York Yankees next year and there is no dissenting vote from the management or the fans who followed the McCarthymen through the World Series to the championship with old Tony as a spark of Murderers' Row.

Tony's first salvo heard 'round the baseball world in 1936 came just a little more than a month after the campaign began. Against the Philadelphia Athletics in a 25-2 game, he climaxed a west-end of unprecedented slugging by belting three homers, two of them in succession when the bases were loaded, and a triple which fell just short of a round-tripper with two mates aboard.

This prodigious batting spree gave him the American League record of 11 runs batted in one game.

Although far behind the leaders in the 1936 season's batting averages, with a mark of .219, Lazzeri ranked third in runs batted in by the Yankees in the easy drive into the World Series. He brought home 109 tallies.

Homicide is Charged to N. Y. Jockey

WHITE PLAINS, N. Y., Oct. 16—Charles Kurtzinger, the jockey who rode Twenty Grand to victory in the Kentucky Derby of 1931, was ordered held to the grand jury today on a charge of homicide in connection with the death of Anna Ray, 49, of Yonkers. She was struck down by an automobile Aug. 30.

Dr. Amos O. Squire, county medical examiner, in refusing to dismiss the charge against Kurtzinger, who lives in Forest Hills, Queens, ordered the jockey to appear at the district attorney's office to have new ball set. He is now at liberty on \$5,000 bail.

Miss Ray was struck down and fatally injured as she was crossing a street in Yonkers by a motorist who did not stop.

Although Kurtzinger said his car struck no one, Dr. Squire said that in a statement to Yonkers police Kurtzinger admitted that he "felt a bump and thought I struck something but did not see anything in the road so kept on going."
