MY NEIGHBOR SAYS:

To dice or cut marshmallows easily dip a dry scissors into powdered sugar.

The more a turkey is basted while baking the more tender it will be. Baste every fifteen minutes.

Two tablespoons of grape juice added to a grapefruit after it has been cut gives it a delicious flavor and a pretty color.

The Man Who Knows

Whether the Remedy You are taking for Headaches, Neuralgia or Rheumatism Pains is SAFE is Your Doctor. Ask Him

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with "Aspirin."

We say this because, before the discovery of "Aspirin," most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of "Aspirin" largely changed medical practice.

Countless thousands of people who have taken "Aspirin" year in and out without ill effect, have proved that the medical findings about its safety were correct. Remember this: "Aspirin" is rated among the fastest methods yet discovered for the relief of headaches and all common pains... and safe for the average person to take regularly.

"Aspirin" Tablets are made in Canada. "Aspirin" is the registered trade-mark of the Bayer Company, Limited. Look for the name Bayer in the form of a cross on every tablet.

A FAMOUS SCANDAL CASE GOES TO JURY

Stavisky's Beautiful Widow Almost Sure of Freedom

PARIS, Jan. 17.—The Stavisky banking scandal case went to the jury which has sat since November 4 and which must answer 1,956 questions regarding the guilt of 20 defendants in its verdict.

Jurors arrived in court with blankets and valises, prepared to camp for days. Judges refused a demand that the Government feed the jurors. They will be fed from the courthouse restaurant at \$1 a meal. It will be decided later who is to pay.

The final act came when the judges asked Arlette Simon Stavisky, beautiful widow of the central figure, whether she had anything to add to the brilliant defense of Maitre Vincent de Moro-Giafferi, France's great criminal lawyer. She replied that she had nothing.

It pays to advertise in the Daily Mail.

CANADIANS HALT PLAY WHICH LIBELS COUNTRY

NEW YORK, Jan. 17.—The Broadway producers of a current play called "Libel," are aware that their characterization of a Canadian is considered by some theatregoers to be a libel on Canadians, or at least upon their use of the King's English.

Two Canadians with the courage of their convictions spoke up Saturday night and brought the hit-show to a jarring, if brief, halt.

During the court scene around which the play revolves, a Thespian officer of the Canadian Army speaks from the witness stand to a bewigged high Justice with a familiarity he might apply to his Uncle Dudley. Some of the dialogue is heavy with Broadway slang.

When the word 'guy' tumbled from the actor's lips on Saturday, a woman in the audience, in cultured voice, but icy tone, interrupted with: "I beg your pardon."

A man arose on the opposite side to say: "You are quite right, madam."

Counsel stopped examining the witness, his Honor fretted with some papers. There was an undercurrent of snickers and general hubbub before the play staggered back into its stride.

SWIMS DESPITE WINTER'S COLD

HALIFAX, N. S., Jan. 17.—King Winter couldn't keep four 'teen-age enthusiasts from the old swimming hole yesterday. With air at 25 degrees and water much lower, the four took a five-minute swim—in Bedford Basin—spurred by a bet, of course. Tracy Coolen and Jack Casby who witnessed the affair, didn't know the boys' names, but reported they said: "Gee, the water's swell!"

A WORTH-WHILE PRESENT

Junior—That mouth organ you gave me for my birthday is easily the best present I ever had, Uncle.

Uncle—I'm glad to hear that. Junior—Yes, Mother gives me a quarter a week not to play it.

Follow This Plan for Better CONTROL of COLDS

For Fewer Colds... Vicks Va-tro-nol helps Prevent many Colds

For Shorter Colds... Vicks VapoRub helps End a Cold Sooner

At the first warning nasal irritation, sniffle or sneeze, use Vicks Va-tro-nol—just a few drops up each nostril. Va-tro-nol is especially designed for the nose and upper throat—where most colds start. It stimulates Nature's own functions—in the nose—to help prevent colds, and to throw off head colds in their early stages. Used in time, Va-tro-nol helps avoid many colds.

If a cold has developed, rub Vicks VapoRub on throat and chest at bedtime. VapoRub acts direct—two ways at once: (1) By stimulation through the skin like a poultice or plaster; (2) By inhalation of its medicated vapors direct to inflamed air-passages. Through the night, this combined vapor-poultice action loosens phlegm, soothes irritation, helps break congestion.

Follow Vicks Plan for Better Control of Colds

A helpful guide to fewer colds and shorter colds. Developed by Vicks Chemists and Medical Staff; tested in extensive clinics by practicing physicians—further proved in everyday home use by millions. The Plan is fully explained in each Vicks package.
