7.45—Rhythm Review  
9.00—Town Hall Tonight  
10.00—Your Hit Parade

## THREE MARX BROTHERS IN CAMEL CARAVAN BROADCAST TONIGHT

HOLLYWOOD, Cal.—The merry

madcap Marxes—Groucho, Chico and Harpo—will contribute their own distinctive brand of crazy comedy on the Camel Caravan broadcast tonight at 9.30 p.m., AST, over the WABC-CBS network, with Rupert Hughes presiding as master-of-ceremonies.

The popular stage and screen comedians will be making their first radio appearance in more than a year, and they will romp through the proceedings in typical Marx fashion.

Harpo will play his harp, Groucho will grouch in his customary brilliant style, and Chico will become hopelessly entangled in the complexities of the English language, while Hughes will try, at intervals, to make sense

out of the whole mad business.

The brothers, now in Hollywood engaged in making a new picture which promises to equal their greatest screen success, "A Night at the Opera," have been trying out radio in vaudeville, recently, playing in West Coast theatres. The three Marxes were booked for the Camel show by Agent Zeppo Marx, who used to be an actor, himself.

They will be aided and abetted by two orchestras. Nat Shilkret's musicians will play the concert and background numbers, while Benny Goodman's boys will "swing it." Helen Ward, soloist with the Goodman band will be the featured vocalist.

## Ex-Rockne Aid Joins NBC Staff

CHICAGO, Sept. 1—Tommy Mills, who since 1915 has been one of America's best known college football coaches, will make his debut in an entirely different role, that of football commentator, during the broadcast of the game between the College All-Stars and the Detroit Lions, professional champions, in Soldier Field, Chicago, over the NBC-Blue Network tonight at 10.15 p.m., AST.

Mills recently was signed by the National Broadcasting Company as a sports commentator. He will be heard in the broadcast September 1 with NBC Sports Announcers Hal Trotten and Bill Stern.

After a notable gridiron career at Beloit College, Mills in 1915 became football coach and instructor of speech at Creighton University. He was subsequently head coach at Georgetown University, Beloit and Arkansas State College and was for four years one of the late Knute Rockne's most valuable assistants at Notre Dame.

Although he has had no previous radio experience, Mills has throughout his career doubled as teacher of speech at the colleges with which he has been associated, and is himself a highly effective speaker.

Early activities of some NBC personalities: Conductor Harold Levy at 13 was a concert pianist and at 17 clarinet soloist with Victor Herbert's orchestra. . . . Lucy Monroe made her professional debut as a Ziegfeld chorus girl on the stage of the New York theatre where her mother, Anna Laughlin, won renown in "The Wizard of Oz."

## Carillon Series on National Network

In connection with the second North American Congress of Carillonists and the first such Congress to be held in the capital of Canada, the Canadian Radio Commission has arranged for a series of broadcasts of bell music by three of the world's most distinguished carillonists. This important series of broadcasts from the carillon in the Peace Tower of the Parliament Buildings at Ottawa will be given on September 1, 2 and 3.

In the first broadcast Harold Simonds, Carillonist and Organist of St. Chrysostom's Church, Chicago, and Acting Carillonist to the University of Chicago, will be at the keyboard of the Peace Tower carillon. This broadcast will be heard from 10.00 to 10.30 p.m. AST, Tuesday, September 1. The second broadcast will be by Victor Van Geyseghen, Assistant Carillonist of Mechlin, Belgium, and Professor at Mechlin Carillon School. This will be heard from 10.00 to 10.30 p.m. A.S.T. Wednesday, September 2. In the third broadcast Kamiel Lefevere, Carillonist at Riverside Church, New York, will perform. This will be on Thursday, September 3, from 9.30 to 10.00 p.m. AST.

These broadcasts, which will be carried on the Radio Commission's coast-to-coast network, will enable listeners in all parts of the country to hear outstanding artists playing on the nation's Peace Tower carillon.

## OVERHEATED PIPE

An overheated pipe called the local firemen to the residence of W. H. McGee, Charlotte Street, on Sunday. No damage was done.

# 'SALADA' TEA is delicious

## BOARD OF TRADE GRANT, TRANSFORMER PROBLEM DISCUSSED BY CITY COUNCIL

City Council at September Committee Meeting Grants \$100 to Board of Trade, Believing All is Amicable Again—Grant Had Been Held Up Because of Dispute—City to Purchase Two New Transformers.

The city council at its September committee meeting last evening decided to vote \$100 of the Board of Trade's yearly grant on motion by Ald. Ray T. Forbes seconded by Ald. F. S. Mundle.

The granting of this \$100 had been held up several weeks because of the recent argument which the board had over tourist matters and the council's decision to grant the money is taken to show that the council believes all is at peace in the board of trade fraternity again.

Ald. Ray T. Forbes in making the motion announced this opinion when he said "that things must be ironed out by now, as things appear to be running smooth again."

The Board of Trade gets a grant of \$1,000 this year from the council. Already \$650 of this has been paid over to them, with \$250 more to come, as well as the \$100 granted last night.

## Will Buy Two Transformers

The city will purchase two new transformers as the result of a motion passed last night, moved by Ald. Dr. Ross, and seconded by Ald. Raymond Crewdson, that the city procure these in the near future, provided that the finance committee sees its way clear for the purchase of them.

Ald. Dr. B. R. Ross stressed the need of such transformers, when he declared that the present city transformers "have been overloaded for several years. The city engineer agreed that new transformers would take some of the load off Queen street.

Ald. Ross mentioned that seven years ago appropriations were made for these but that the money was expended in some other departments. He understood that appropriations were well ahead anyway. It was his opinion that such expenditure should be bonded for anyway. With the street light appropriation \$7,000, he believed that \$1,000 or so could be expended for this needed purpose.

Total cost of the two transformers would be somewhere in the vicinity of \$1,500. It will be necessary to change four circuits around by the acquisition of the two transformers.

## Airport Matter

Reporting briefly for the Industrial committee, Ald. Ray Forbes said he had interviewed Councillor Rowley Manzer and that arrangements have been made for the city council committee to meet with the county council on Labor Day in conjunction with discussion on assistance from the county for the establishment of the proposed airport.

Ald. Murray Hagerman reported that a new ceiling had been put in the police court-room.

A request from J. Miles Gibson and T. H. McDonald to have a sidewalk placed on the east side of Winslow street was referred to the Roads and Streets committee on motion by Ald. Mundle seconded by Ald. Hagerman.

Mayor Kitchen presided at the meeting, which was a brief one. The usual monthly bills were passed.
