

Rothestay Oaks Trounced Yorks 3-1

Large Crowd of Fans at Rink to See Visiting Team Score Close Triumph Over Locals—Pickard Got Yorks' Only Tally—Visiting Goaler Makes Miraculous Saves Closing Period.

The Rothestay Oaks arrived early at the Arctic Rink last night and left early—taking with them a 3 to 1 victory over the second place York All-Stars. For the first time this season the game started on time and the game was over at ten o'clock for which the fans were mightily pleased. Furthermore the game was fast, had lots of action, and although the locals lost after a tough battle the fans were provided with lots of excitement, especially in the closing minutes of the final period.

In that frame the McLean-coached Yorks cast caution to the winds, and trailing by one goal they skated furiously to even the count. They almost did too on several occasions, until "Bus" McLenahan slipped up a bit on marking Steele and the latter did a career down the side of the rink and beat Cliff Young for the Oaks' third goal of the evening. After that, although the Yorks strove with might and main, they were out of the picture.

Wilson Stood Out

Goaler Wilson of the Oaks was the thorn for the locals. No matter what kind of a shot the Yorks fired Wilson turned it aside. Once he batted and kicked out a flurry of shots, most of which any other time would have been sure tallies. But Wilson was all legs and arms and "Bus" McLenahan,

Heddy Mills, Keenan, Lifford, Steen, and the boys were just outlucked time after time. The game ended with the locals forcing the play but all to no effect.

Dave Pickard tallied the first goal of the game, when he slapped McLenahan's pass past Wilson only a minute and ten seconds after play opened in the first period. There was no further scoring in this frame, which was slow, although there was some rare stickhandling in spots. Both goalers were good.

In the second period, after play saved back and forth for twelve minutes, Chapman took a pass from Hunter and rammed one past Cliff Young, evening the score. Spurred on by their success the Oaks rallied successfully and seven minutes later, just before the canto ended, the veteran Hunter scored again, putting the Oaks one up on the chagrined All-Stars. Hunter's goal was on a pass from Harmer.

Boys Misbehaved

There were no penalties in the first period, but Pickard and young Bill McIntyre misbehaved in the second period and Referee Charlie Wade gave them time to think over their misdeeds. While play wasn't dirty it was plenty rough and both the Yorks and Oaks took many a tough tumble and sandwiching throughout the game. Fourteen minutes after the final period started Steele stole the puck from McLenahan's stick while the latter was off balance and weaved his way along the boards and on one of the best executed plays of the evening flipped the disc past Young. Brewing McLenahan and Steele all were penalized in this period.

Tough Struggle

Fredericton's nearest tally in this frame was on a gang play in front of Wilson, when the Oaks' net became overturned. The goal judge flashed on the red light, thinking the puck was in before the net was overturned, but Referee Wade overruled it, and it was no goal. Fredericton made a slight kick on this and the fans of course were for the home boys.

Following is the lineup and summary:

Rothestay: Goal, Wilson; defence, Brewing, Yerxa; left wing, Chapman; centre, Steele; right wing, Kennedy; subs., Hunter, Harmer, Kilpatrick.

Yorks: Goal, Cliff Young; defence, Goodine, Pickard, Chalmers; forwards, Mills, Lifford, McIntyre, Keenan, Haining, McLenahan, Steen and Cameron.

First period—Fredericton, Pickard (McLenahan), 1 m. No penalties.

Second period—Rothestay, Chapman (Hunter) 12 m.; Rothestay, Hunter, (Harmer) 19 m. Penalties, Pickard, and McIntyre.

Third Period—Rothestay, Steele, (unassisted) 14 m. Penalties, Brewing, McLenahan and Steele.

Referee, Charles Wade. Timekeepers, Eddie Bell and E. C. Atkinson.

The manager of a football club had a turkey presented to him by the members of the team.

On going to the bag in which he had deposited it he found "the bird had flown." He suspected three jovial acquaintances, and on challenging one of them received the reply: "It was only a lark."

"Lark be hanged!" stormed the manager. "It weighed 14 pounds."

LARGE RINK FOR HOCKEY AT GARMISCH

Olympic Games on Ice Surface 100 x 200 Feet—Canadians Favored

GARMISCH - PARTENKIRCHEN, Germany, Jan. 31—With a little over a week remaining before the Olympic hockey championships are scheduled to commence here, the big arena that has been specially constructed for the games stands ready to receive the world's leading teams and also the large crowds that are assured, especially in the finals.

The Canadians, defending the title which they have held since the winter games were organized, have arrived in Europe and will come here via Paris. Their chief rivals for the honors, the U.S. team, has been overseas for some weeks and has engaged in a strenuous series of exhibition matches.

The rink where the matches will be played is artificial. Although there are many lakes in the district suitable for skating and hockey, it was decided to take no chances on thaws and a special arena was built. It is 100 feet by 200 feet, with a main stand seating 1,500, and three open sides that will accommodate 8,000 standees. The rink is lighted for night play and 12 miles of piping under the surface had to be laid to ensure uniform freezing. Time devices such as are used in Canada and the United States have been installed.

The fancy skating will also take place on this rink, and many of the leading contestants are already here including several of the Canadian team.

The crowds of winter sports enthusiasts that are expected for the games are also beginning to assemble although the greatest influx will be a daily one coming largely from Munich and Innsbruck.

SENATORS WIN FOR FIRST TIME THIS SEASON

ST. STEPHEN, Jan. 30—St. Andrew's Senators battled St. Croix into overtime here tonight to take a 2-1 decision, their first in the Southern New Brunswick Hockey League.

The surprise victory knocked the St. Stephen six out of a third place tie with Rothestay Oaks into fourth place, as the Oaks administered a 3-1 beating to Yorks at the Capital.

Graham, centre for the Senators, accounted for the overtime goal that brought victory. The first marker came in the second frame by Williamson and St. Stephen scored its orphan marker in the third when Russell completed a play started by Lowe. Bill O'Neill, between the pipes for the Senators, was the star of the game and he booted out shots driven at him from all angles.

O'Neill had a record number of shots to handle and he rose to the heights as his mates snapped the losing streak that has pursued them since the league opened.

Although not as fast as former contestants tonight's game produced some sparkling hockey and proved interesting for the large number of fans.

St. Stephen banked on a victory and looked forward on improving their chances for a third position play off berth, but the St. Andrews sextet, after a strenuous and hard luck schedule of contests were determined to break the spell and entered the contest on tactics which finally brought them out on the long end of the count.

SLENDER HOPES FOR CANADA'S WINTER OLYMPIC COMPETITORS

Mulqueen Has Determined Squad Marshalled at Garmisch-Partenkirchen But Critics Fear the European Opposition Will Be Too Strong Except in Hockey.

TORONTO, Jan. 31 — P. J. Mulqueen's winter Olympic team, made up of figure and speed skaters, skiers and hockey players, went on to Garmisch-Partenkirchen without several outstanding performers and with slender hopes of bringing back any titles except in hockey. But it may cause a surprise or two.

The winter games have yielded hockey honors to Canada every four years, but the skating and skiing champions have come from other lands without exception, and Canadian hopes of breaking through on German ice and snow this time appear no brighter than before.

It will be the hockey team, coached by Albert Pudas of Port Arthur and composed of players from Port Arthur, Toronto, Port Colborne and Montreal, that is expected to make the big showing. Troubles in plenty surrounded the sending overseas of the first all-star team to represent Canada but nobody can say a weak outfit left these shores.

Winnipeg's Falcons of 1920, Toronto Granites of 1924 and University of Toronto Grads of 1928 were unquestionably greater Olympic squads than this mixture of eastern and western players, but most critics in a position to judge conceded the 1936 team was superior to Winnipeg's of 1932.

The last Olympic team, packing youth and speed and experience, lacked only scoring punch and this need was so acute that it almost cost victory. At Lake Placid the Canadian team defeated United States by a single goal in the first meeting between the rivals had barely eked out a tie in the second fixture, winning the two-game round by one goal. It was Canada's first close call in Olympic competition.

Maroons, Canadiens, Black Hawks Win

NEW YORK, N. Y., Jan. 31—Twice coming from behind to tie the score Montreal Maroons finally surged to the front in the final minutes last evening to defeat New York Americans 3-2 and increase their hold on first place in the Canadian Group standing of the National Hockey League to three points. Defeat sent the Americans to the cellar as Montreal Canadiens gained sole possession of the third place rung by turning back the second place Toronto Maple Leafs.

LEAFS TAKE 3-0 LACING

MONTREAL, Quebec, Jan. 31—Bid of Toronto Maple Leafs for first place in the National Hockey League's Canadian Section was shattered by the brilliance of slim Wilf Cude last night as Canadiens protected him flawlessly to give the Welshman his fifth shut-out victory of the season—a 3-0 triumph that enabled Habitués to pass New York Americans in the battle for third place.

CHICAGO TAKES LEAD

DETROIT, Jan. 31—Chicago Black Hawks, behind the brilliant goal-tending of Mike Karakas, beat Detroit Red Wings, 4-3 last night in a rough game to take undisputed leadership in the American Division of the National

Snipers on Team

But with such scoring aces as Hugh Farquharson, Ralph St. Germain, Dave Neville and Ken Farmer of Montreal, and Bill Thompson and Alex. Sinclair of Port Arthur, the 1936 squad carries tremendous punch. All three defence-men, Pud Kitchen, Herman Murray and Ray Milton, are also prolific scorers.

Canadian Amateur Hockey Association officials, who dismissed four first-rate Halifax performers from the team charging them with demanding money for their families, don't expect to bump into further worries when they reach Germany. They believe the Canadian team will defeat any national side in Europe and conquer the United States.

The other side of the picture isn't so bright, although there is always the chance that Toronto's brother and sister act, put on by Montgomery Wilson and Mrs. Constance Wilson Samuels, will score in figure skating. There are few better teams or individuals in competition on either side of the Atlantic.

Mrs. Samuels, Canadian and former North American champion, holds a high ranking. Her brother is less likely to capture a singles title, but he and the experienced Constance form one of the best pairs in the sport. They are reasonably certain of placing high at Garmisch-Partenkirchen.

Two other Canadian pairs, both brilliant teams, will be entered. These are Fraser Sweatman and Audrey Garland of Winnipeg and Stewart Rebano and Louise Bertram of Toronto.

The ski team left early to practice in the mountainous Bavarian country and officials are hopeful that the Canadians will make a better showing than ever before at the sport that has been dominated by Europeans.

Hockey. More than 10,000 saw the game.

Paul Thompson's goal in the third period decided the contest that sent the Hawks ahead of the Wings by a point in the standing.

The Yorks took a setback from the third place Rothestay Oaks last night in the Arctic Rink when the latter laid it on with a 3-1 trimming. The game was not as exciting as it might have been in the first half of the game, but in the last half of the second period and all through the third stanza there was plenty of action when the Yorks tried to even the score.

"Gibraltar" Wilson was the star of the game. He lived up to his moniker better last night than he has for some time. He showed some of the old class he used to display when between the uprights for the Saint John Fusiliers and the 1933 Beavers. He was up, down, crosswise and all over the ice in front of his net, and at times he even ventured far into the corner of the rink, but whenever the puck was shot towards the net he was there in front of it. The only one that slipped by was in the first minute of play when Pickard slid in a pass from McLenahan from about five feet out. After that "Gibraltar" had the nets boarded up and it seemed that there was enough rubber bounced off his pads, stick and chest to reach from here to the end of the hockey season.

For the most part the Yorks were away off color and seemed to be stale. In the first period, after they had scored the first goal they laid back and thought they had the game salted. But the Oaks, seeming to sense the laxity on the part of the local players, played inspired hockey and won out in the end.

Dick Steele, the fast-skating centre man for the Oaks, was outstanding in his sallies down the ice and was always dangerous to the Yorks. Although he has the knack of being unnecessarily rough in any part of the ice, he is a fast skater and a fair stick handler, and was a constant source of worry to his opponents. It was his goal in the third period that put the game on ice for the Oaks.

In all quarters where the marriage vow is held as something sacred there will be agreement with a statement by the Archbishop of Canterbury during the service in Westminster Abbey in connection with the late King's obsequies. "While marriage is coming to be regarded with so much recklessness and frivolity", he said, "remember the home life of King George and keep your homes pure and stable".

Little Mollie sat down to write a letter to her father, who had been absent about three months, and this is what she finally sent:

"Dear father, we are all well and happy. The baby has grown ever so much and has a great deal more sense than he used to have. Hoping the same of you—I remain, your daughter, Mollie."
