AMHERST, Jan. 23—All league groups and teams operating under the Maritime Hockey Association have been asked to suspend their schedules on Tuesday, Jan. 28, the day of the funeral of King George.

SONG ROUND AND AROUND ENRICHES THREE WRITERS

NEW YORK, N. Y., Jan. 23—The current idiosyncrasy, "The Music Goes Round and Around", still was revolving yesterday and each turn poured money into the pockets of the trio that pleads, guilty to having written it.

\$10,000 Each Already

Mike Riley, whose "gadget", gave birth to the piece, Eddie Farley, who thought it would be a sensation and took the trouble to copyright it, and Red Hodgson, a lyric writer, figure they have made \$10,000 each on the song to date.

That's only a start, however, and they expect really to "clean up" to use their own expression—since all of New York and most of the United States and a good many foreign countries still are going "down and around".

To back up their optimistic outlook they have the following point-with-pride facts:

1—The Paramount theatre where they are appearing currently is having the best run since a Mae West picture opened there three years ago.

2—Sunday's matinee at the Paramount drew the largest matinee crowd in four years.

3—Sales of sheet music has gone beyond 450,000, exceeding any sale record of recent years.

4—On one day 102,000 copies of the sheet music were sold. This is an all-time high for a single day.

5—Three motion picture companies are dickering for the appearance of the orchestra which features Riley and Farley, and they must give up their work at the Onyx night club because they have so many other offers.

PRODUCTION AND SALES OF RADIO RECEIVING SETS

Production of radio receiving sets in Canada during the third quarter of 1935 numbered 56,043 units compared with outputs of 46,969 in the corresponding months of 1934, and 24,711 in the second quarter of this year. Output included 13,424 standard broadcast sets, 25,533 multi or selective wave sets and 19,086 all wave sets.

Sales by the producers during July, August and September numbered 58,964 sets valued at \$4,444,603 list prices as compared with sales of 42,695 sets and 29,366 sets during the third quarters of 1934 and 1933 respectively. Compared with figures for July, August and September of last year, data showed improved radio sales from coast to coast with most of the gains being made by the selective and all wave sets, while the sales of receivers with standard broadcast band fell to 19,358 from 24,069. Sales of multi or selective wave sets advanced to 24,772 from 16,148 and the all wave sets rose to 14,834 from 2,478.

young Brooklyn musician, and Farley are going "round and around themselves". No longer than a year ago they practically were on their uppers.

"We'd cross the street", Riley explained, "to avoid our friends. We were broke, jobless and we didn't like to have people sympathizing with us."

The three authors of the song hit split all earnings equally. They get three cents on each copy of sheet music sold, six cents on each orchestration and 33 1/3 per cent. of the proceeds in records.

The Select Music Publishing Company claims "Round and Around", to be the biggest smash since, "Yes, We Have No Bananas".

"Ordinarily", said Miss Sally Duckstein of the music company, "we are well pleased when we have a day when we make 10,000 sales on any single song. Contrast that with a day when you sell 102,000 copies".

Riley revealed that the publishers were not satisfied with the words at first.

"Farley and I told the publishers that the song had gone big at the Onyx and if it would not go the way it was why, then, to hell with it".

HOCKEY GAME, ETHIOPIAN WAR FOR RADIO FANS

"Greek will meet Greek" during the intermission program presented by General Motors Hockey Broadcast on January 25 when Toronto Maple Leafs, playing on home ice, will be out to avenge last Sunday's defeat by Detroit Red Wings.

That night the coast-to-coast audience will hear the voices of Robinson McLean, noted Toronto newspaperman, who has just returned from Ethiopia, and Gordon Sinclair, prominent

globe-trotting correspondent and author. The "footloose" reporter who has also been in that country, will probably ask McLean what he thinks of the King of Kings' chances against the Luce and if the latter is likely to be checkedmate.

It is interesting to note that McLean and Sinclair, who are both of Scottish descent, will be coming together on the 177th anniversary of Robert Burns' death—"But seas between us braid hae roar'd sin auld lang syne!"

Following a sparkling program of hit melodies by Carroll Lucas and his popular General Motors Orchestra, Foster Hewitt, Canada's noted sports announcer, will resume his characteristic, quick-fire description of the game at the Gardens.
