Beavers Outplay York All-Stars in Game 7 to 2

SAINT JOHN TEAM STILL SHOWS SUPERIOR TRAINING - FORCED PLAY IN LAST TWO PERIODS - WALKER SCORES FIVE OF TEAM'S GOALS.

Playing superior hockey in the second and third periods, the Saint John Beavers led by defenceman Bill Walker launched a scoring attack against the York All-Stars which left the latter on the short end of a 7-2 score in a regular Southern League game here last night. The win strengthened the Beavers' position in first place in the league standing.

In the first period both teams played good fast hockey, the score being 2-1 for the Beavers when the bell sounded, but in the second and third periods the Saint John boys out-passed and outskated the Yorks to pile up more markers. They scored twice more in the second frame and three times in the third.

Bill Walker, versatile defenceman, topped the scoring honors of the evening with five of his team's goals, three of which were on solo efforts. Penalties were handed out freely by referee Charlie Wade the total for the game being sixteen.

Bill Walker banged in the first goal after seven minutes of play when he received the puck after it caromed off Patterson's stick near the goal mouth. Patterson had received the pass from Raper after the former had carried it down the ice. After seven more minutes McCabe scored on a high wing shot from the blue line after Livingston had passed to him.

Bus McLennan, right winger for the Yorks, he nearly scored when he carried the puck in close to the Saint John net. But Lynch saved when he leaped from the goal and smothered the shot. Following this the Yorks were again fooled by the agile Beavers' goalie when he held the puck on the ice with the Yorks forwards trying to push him and the puck into the net.

Two minutes before the period ended the Yorks scored their first goal when a face-off was called at one side of the Beaver goal. Steen, who faced off, passed to Lifford, the latter banging it in.

In the second period the only player to score was Walker who notched up one two minutes after the period he started and another two minutes before it ended. On the first one he took a pass from Raper after a face-off and shot from the blue line. Minue, defenceman for the Yorks obstructed the view of Young, the goalie. In this period the sizzling pace began to tell the less conditioned All Stars and Saint John were forcing the play hard and clicking well on their combination plays. Walker scored the prettiest goal of the game when he skated the length of the ice, went in close to the side of the net drawing Young to the side, and then flipped it up in the corner after swinging out in front.

In the period Gulliver scored the first of a series of three for the Beavers when he received a pass out from Livingston and shot from close range. Young had no chance to save. Walker was in the penalty box at the time. During most of the period the Yorks had four forwards on the ice and sometimes five. They were caught up the ice on several occasions when the

fast-breaking Bill Walker scored two goals in quick succession. At the eleven minute mark he carried the puck down alone with no one to beat except Young, scoring from his own rebound. On the second trip he faked a shot and then sagged the mesh at one side of the net.

The All Stars were all over the ice and inside the Beavers' blue line, and one minute after Walker scored his last goal the Yorks' efforts brought results when Cameron, Keenan and Lifford combined on a fast passing spree inside the Beavers' blue line, Lifford banging in the goal. Many of the players from both teams took trips to the penalty box in this period, seven in all being handed out by the referee. Pickard and Giggy were in the box when the whistle blew ending the game.

The lineups—
Beavers:—Goal, Lynch; defencemen, Walker, Murphy; left wing, McCabe, Keoughan; centre, Livingston, Raper, Giggy; right wing, Gulliver, Patterson.

HARNESS TURF STAKES RUN TO \$40,000

38 Crack Three - Year Olds Entered On Jan. 1

GOSHEN, New York, Jan. 10—The Hambletonian Stakes, the annual trotting horse classic, will be worth approximately \$40,000 this year, it became apparent yesterday. The stakes are to be run on or about August 12 at the Good Time track here.

A marked gain of entries, and therefore in value, was shown when payments as of January 1 on eligible three-year-olds to the great classic were tabulated by the Hambletonian Society.

On New Year's Day, 38 crack two-year-olds became three years of age and, simultaneously, due to a payment of \$250 on each one, remain candidates for the Hambletonian.

The 1936 stake will be worth nearly \$5,000 more than last year's. The winner probably will get in the neighborhood of \$30,000.

Candidates kept eligible to the Hambletonian have climbed steadily in volume during the last several years. Thirty-eight were paid on the first of this year. On January 1, 1935, only 33 were eligible compared to 23 the previous year.

Rosalind, leading money winning two-year-old of 1935, owner by Gibson White, of Kentucky, is the favorite to win this year's stake.

New German Rules For Olympic Games

BERLIN, Jan. 10—Reich officials moved today for further control of Olympic arrangements.

Dr. Hjalmar Schacht, Minister of Economics, in an agreement with Propaganda Minister Paul Joseph Goebbels and Transportation Minister Kuno Eitz-Reubenach, banned the formation of new German travel bureaus until September 30, 1936.

N. Y. BOXING COMMISSION TO ENQUIRE

Will Summon Joe Louis and Jacobs to Explain Cuban Affair

NEW YORK, N. Y., Jan. 10—The New York State Athletic Commission may decide next week whether it will fine or suspend Mike Jacobs, head of the 20th Century Sporting Club, for calling off the Joe Louis-Isidor Gastagan fight, scheduled December 29 in Havana.

When Jacobs cancelled the fight several weeks ago, he was fined \$500 and suspended by the Cuban Boxing Commission, which announced it would expect similar action by the New York Commission under a working agreement.

Chairman John J. Phelan, despite previous statements to the contrary, said yesterday the New York Commission does have an agreement with the Cuban Commission. Phelan said Jacobs and the Negro's managers, John Roxborough and Julian Black, would be summoned for a hearing.

Yale Coach Views Mermen 'From Below'

NEW HAVEN, Conn., Jan. 10—Bob Kipthuth, Yale swimming coach, is going in for the "fish's eye view" in his search for natorial perfection.

Kipthuth, chairman of the United States Olympic Swimming Committee, donned a diving helmet and weighted vest yesterday, descended to the bottom of the Yale pool and "looked up" at his squad as it engaged in a workout.

Commenting on his trip "down under," the dark-haired mentor said: "It's the only way to get a true image and to study accurately the pupil's balance, stroke and actual technique. 'It's so good, I'm going to continue it for the rest of the season.'"

ST. STEPHEN WIN GAME FROM THE ROTHESAY OAKS

ST. STEPHEN, N.B., Jan. 9—St. Stephen-St. Croix hockey team playing at home to Rothesay Oaks tonight in a regular scheduled contest of the Southern N. B. Hockey League had little trouble in defeating the visitors and chalking up a 9-4 victory.

Starting off in the opening 20 minutes of play the local boys rapped home four goals to gain a good margin and in the second verse added another but while doing so allowed the Oaks to break through for their first goal. The third period was a wild scoring spree with the border town players re-enacting their first period exhibition to bang home four more goals and the Rothesay outfit collected three.

The wide open tactics employed by both teams met with the approval of the spectators. Throughout action was in order and at times the players checked hard and freely but towards the close of the game bitter feeling broke out between Kennedy and Armstrong. The mild fistcuffing affair was short lived and the players were sent off the ice for three minutes.

C.A.H.A. TAKES ANOTHER CRACK AT HALIFAX

HALIFAX, N. S., Jan. 10—With an official investigation of the unprecedented dismissal of four members of the Canadian Olympic hockey team close at hand, a drama of amateur sport reached its climax today in the refusal of the Canadian Amateur Hockey Association officers to allow their team to meet an all-star aggregation here January 16, 2r the four they dismissed appeared on its roster.

El. Frank Lordy, Nova Scotia vice-president of the Maritime Amateur Hockey Association, said here last night he expected affidavits of "Daddy" Bubar of New Glasgow, Ernie Mosher, Chummie Lawlor and Vince Ferguson of Halifax, the dismissed players, would be in the hands of President James Wry of Amherst before today.

The M. A. H. A. investigation into the truth of C. A. H. A. charges that the former Wolverines had sought money from the organization to support their families while they repre-

GERMANS SEEK HIGH PLACE IN ICE SPORTS

Realize Canadian And American Teams are Ones to Beat

GARMISCH - PARTENKIRCHEN, Germany, Jan. 10—The United States Olympic hockey team, which is rated by its supporters as a serious challenge to Canadian supremacy, on the ice, will compete with 16 other nations at the winter Olympic games here in February.

The nations entered are: United States, Canada, Germany, Czechoslovakia, Italy, England, France, Japan, Sweden, Switzerland, Austria, Poland, Hungary, Finland, Yugoslavia, Latvia and Belgium.

The Canadian team includes seven men from the Port Arthur Bearcats, four from Halifax and three from Montreal. The U. S. players are figured in Germany to battle the Canadians in the final match.

Germany, which has well-founded hopes to survive eliminations, together with Czechoslovakia, Sweden and either Switzerland or Poland, lost its best players and Rudi and Gerhardt Ball emigrated after the Nazi's anti-Semite drive. Both joined the Club Stade Francais in Paris.

The German national team defeated an Oxford team, 5 to 1 and 3 to 0 in its international test, but lost to a Czech team, 5 to 1, and 8 to 1. As the majority of the Czech team were Canadians the last matches do not demonstrate the Olympic power of the Czechs.

JIMMY BOYNE INVITED TO FIGHT IN BARRE

There is someone 'way down in Barre, Vermont, who would like to see one of the local aspirants to pugilist fame disillusioned. In fact he is so determined to shatter this local blade's hopes of becoming a champion, that he has written a letter to Vincent Boyne, brother of Jimmy Boyne, the well known Fredericton leather pusher, to go down to Barre and knock the can off the local champion.

"I know Jimmy can lick him and I want to see this guy get a good licking," says the author of the letter about the local champ.

At present Boyne is with Al McCoy in Lynn, Mass., and it is not known whether he will accept the offer to floor the "local champ" or not, but in the event that he does there is no telling where he will go from there. According to Al McCoy, Jimmy is one of the best in his weight and has a brilliant future.

sented Canada at the Olympic games in Germany, would begin as soon as Wry knew both sides of the argument, Mr. Lordy believed.

The Yorks took an awful trimming last night—but the trimming was no worse than they looked. While the Beavers played one of the best games of their season, the Yorks played their worst—at least, we hope it was their worst, now that it is over.

Bill Walker, aggressive defenceman for the Beavers, was the outstanding performer of the evening. Besides playing an airtight defence game, he scored five of the Beavers' goals and was only off the ice once, for a doubtful offence. Vince Livingstone and Bill Gulliver did not keep up their usual fast pace after they met up with the Yorks' defence a few times.

Bill Lifford was the pick of the Yorks—not because he scored the two goals, but because he was always in scoring position when the play was inside the Beavers' blue line.

Jimmy Boyne, that hard-hitting young man from here, who has been knocking them all for a row in New England, has received an invitation to fight in Barre, Vt. At present the local walloper is travelling with Al McCoy's stable and is in Lynn, Mass. He is a great friend of McCoy's and they had Christmas dinner together. McCoy says Jim is going places, but unless the Fredericton lad puts on some more weight it is not likely he will ever meet his host in the "squared circle."

Since early last summer the hamlet of Minto has been harboring one of the finest baseball pitchers in the Province, just because they have enough coal to shovel to keep a man's arm worked well between seasons. The pitcher in question is Charlie Nichols, who went to Minto last year to take a job just because no job could be found for him in his own home town. It is too bad the local sport enthusiasts are not wide awake to the fact that examples such as these are reasons for Fredericton not having championship teams. Nichols is the best pitcher that ever stepped on a mound, with the possible exception of Ed Dinsmore, and it was a mistake on the part of Fredericton in letting him go. Surely Fredericton can provide a job for such athletes that will bring the city much more in publicity than any job is worth. Devon is doing it and in so doing is making herself known better than Fredericton in the baseball world.

MAROONS AND CANADIENS TIE, HAWKS WIN 4-1

MONTREAL, Jan. 10—Montreal Maroons and Canadian fought through 70 minutes of hockey to a 1-1 tie last night in a National Hockey League fixture that saw Canadiens outplay the Stanley Cup holders for a large part of the game as they fired shots at Billy Beveridge against 17 snapped at Wilfr Cude.

hoisted his team into the thick of the battle for second place in the United States division of the National Hockey League by scoring four goals as the Chicagoans defeated New York Americans 4-1.
