## SHUFFLIN' JOE LOUIS TO SHIFT TRAINING CAMP

Louis Getting Fidgety Over 4 Months' Layoff Meets Schmeling Soon.

LAFAYETTE, New York, May 9—There is apt to be a slight change in Joe Louis' training plans. Shufflin' Joe may not remain here in his mountain "hideaway" another week.

Instead, he and his retinue are considering shoving off this week-end, and, moving on to Lakewood, New Jersey, a few days ahead of programme.

"Joe is becoming a bit restless", Co-manager John Roxborough explained to Mike Jacobs when the Twentieth Century Sporting Club promoter visited the little log cabin where Louis and his "cabinet" have installed temporary headquarters.

"Joe hasn't had the gloves on since he flattened Charley Retzlaff in Chicago four months ago", continued Roxborough. "That's a long layoff for him, you know. He likes it here all right—gets a lot of kick out of this 'roughing' business. But he's begin-

## Is Reinstated

CINCINNATI, Ohio, May 10—Paul Derringer, big right-handed pitcher, won reinstatement to active duty with Cincinnati Reds yesterday.

General Manager Larry S. MacPhail said Derringer, who was suspended by Manager Chuck Dressen for "failing" to slide into home plate with what might have been the winning run in a game with the Giants, would accompany the Reds to Pittsburgh.

ning to get a little fidgety. He wants to box, but we didn't bring any gloves with us, and we have no sparring partners here. So we've been thinking it over, and it may be better for us to move on to Lakewood a few days ahead of schedule.

"We're figuring on breaking camp here maybe Sunday evening or early Monday morning. We'll go on to New York first. Joe still is a great boxing fan, and wants to see the Catholic Youth Association tournament in Madison Square Garden on Monday night. Then, first thing Tuesday morning, we'll probably shove off for Lakewood."

There was unwonted activity in this usually quiet, peaceful community yesterday. Along with the visit of Promoter Jacobs, who headed a delegation of sports writers, Louis and his staff were kept hustling by an army of newsreel photographers, who put the Bomber through one of the busiest days he has experienced since he was training for the massacre of Max Baer last September.

The photographers had Shufflin' Joe climbing hills, chopping lumber, sawing logs, wrestling with Trainer Jack Blackburn, hauling water from the well and indulging in the various other features that have been included in his "roughing" campaign here.

## A SCHOOL FOR REFEREES IN THE N.H.L.

In This Way New Arbiters as Well as Old Ones Will Become More Efficient.

DETROIT, Michigan, May 11—The National Hockey League is likely to establish a referee's training school, at which not only those who have been tooting the whistle last season, but probably half a dozen new arbiters will be trained in the handling of games in the major league schedule. The President of the National Hockey League, Frank Calder, told the press yesterday after the meeting, that the question had been discussed by the governors, and approved in principle, and that it would be definitely decided at the mid-summer meeting of the board which will be held in New York some time in July.

Another interesting item disclosed by the President was that the agreement made between the members of the League in 1926 although for a period of 15 years, is going to be revised. The present agreement has five years to run, but the Governors yesterday agreed to the principle of the extension of the agreement for ten years from the present, but it will be revised to cover certain contingencies that experience has developed in the past ten years. What these were was not disclosed.

A couple of player disputes in which Toronto, Detroit, and New York Rangers were concerned were talked over but nothing was settled and the president stated that in accordance with the by-laws, he would endeavor to bring about an amicable settlement before the next meeting.

The schedule for next season was announced as comprising twenty-four home games for each of the eight active clubs in the League. There were no applications for new franchises made.

OTTAWA, Ont., May 10—With the possibility that five teams will compete for honors, the Ottawa City Senior Baseball League will hold their organization meeting Monday night at the Y. M. C. A., at 8:30 o'clock. Eastview, Burghs and Frankie Boucher's pros are certain to enter, while St. Gerard's and a team from Hull are also expected to join the new circuit.

Keen interest is being shown in this new league and it is expected that the games will attract large crowds. Burghs are wasting no time and will be ready to get into action whenever the schedule opens. Jack Stewart has called a practice of the Rideau Ward team tonight on the Burgh diamond at 6:30 o'clock.

## DOESN'T THINK SOX WILL LAST

Life Sentence For Player  
DETROIT, Michigan, May 9—The board of governors of the International Hockey League appointed a committee last night to confer with the president and governors of the Canadian-American Hockey League on a proposal to arrange an interlocking schedule next fall.

The International League board also voted life suspension from organized hockey for Bernie Brophy, left wing of Windsor Bulldogs, for refusing to play in the Teddy Oke Cup playoffs when his demand for a bonus was refused.

The league officials said Brophy delivered his ultimatum half an hour before the first game of the Oke Cup series and refused to don his uniform when it was rejected. Windsor lost the game 8-1 and Detroit Olympics went on to win the cup.

### Split Davis Cup Series

ATHENS, Greece, May 10—Argentina and Greece split the opening singles matches in their second series in the European zone of Davis cup play yesterday.

After Lazaros Stalios of Greece defeated Adriano Zappa 6-4, 6-3, 6-4, Lucilio Delcastillo of Argentina halted George Nicolaides, of Greece, 5-7, 6-4, 6-0, 6-1.

## WINDSOR GIRLS TO REPRESENT DOM. OF CANADA

WINNIPEG, MAN., May 10—Windsor Alumnae became women's basketball champions of Canada through default of Winnipeg Olympians.

Elmer Sutton, secretary of the Manitoba Amateur Basketball Association, announced that Olympians, Western Canada titlists, defaulted the Dominion series to the Eastern Canada champions.

Olympians became western titlists by defeating Saskatoon Grads after Edmonton Grads, perennial champions, withdrew from competition to enable the whole team to obtain leave of absence from employment; to make a European tour this summer.

Sutton's announcement said withdrawal of the Olympians was made after officials were unable to raise sufficient funds to guarantee the expenses of the Windsor quintettes coming to Winnipeg.

## FOREST WARDENS WORK TOGETHER

Maine and Canadian Officials to Co-operate Again This Year

AUGUSTA, Maine, May 11—Maine and Canadian forestry officials reported yesterday an agreement permitting Maine forest wardens to co-operate with Canadian wardens in burning slash and brush in Canada, adjacent to the International border.

Commissioner Waldo Seavey and Supervisor George Gruhn, of Maine said the agreement was made at Lac de la Frontiere with Deputy Commissioner Method and Supervisors Fourtilmier and Bouteaux of the Province of Quebec.

Until last year, when a similar agreement was made, much Maine timberland near the border was burned each year by flames which reportedly spread from slash and brush fires started by Canadian farmers to clear their lands.

Last year's programme was "very successful", Seavey said, adding that he appreciated "the fine spirit of co-operation shown by Canadian officials again this year".

Ferrell and Grove Only Throwers — Picks Yanks and Tigers for Finish.

NEW YORK, N.Y., May 10—Despite the temporary loss of big Hank Greenberg, to Mickey Cochrane the American League is still a two-team race. "Not at all," says Mickey firmly, "Yanks and Tigers".

How does he read the Red Sox out of the party so quickly, especially after his own team just received two shutouts in a row from the Hub entry?

"Well," answers Mickey, "I don't think they're going to win a pennant with two pitchers, and as I see it that's all they have—Grove and Ferrell, the rest are just throwers. The Indians look about the same as they did last year."

"How there's a ball club! they've got pitching and about everything else they need. And the addition of this young Do Maggio didn't hurt them any. Somebody whispered to me he wasn't yet ready to hit curve balls, but those first two hits he got yesterday were off curves, and good curves at that. He'll do."

And his own Tigers? "There's no use trying to kid anybody. Greenberg won't be back for four or five weeks, and we'll sure miss him. He was going great when he got hurt, too. But I think Burns will turn in a good job at first for me."

"Goslin's powdering the ball and Gehring's still the best player in baseball. Pete Fox hasn't started to hit yet. He's the worst spring hitter I ever saw but through the last half of the season he'll be poison to pitchers."

"My pitchers haven't clicked as they will later on. Don't forget we were in last place at this time a year ago. We've had only three games at home. Rest have been on the road, and, everything considered, we haven't done so badly."

## New Goaler For Red Wings is Walter Broda

DETROIT, May 19—In announcing sale of Walter Broda, Detroit Olympic goaltender, to Toronto Maple Leafs today for \$8,000, Manager Jack Adams of the Detroit club made known he had signed Jimmy Franks, amateur goaler from Prince Albert, Sask., to take Broda's place with the International Hockey League champions. Franks starred for Regina Pats juniors before moving into Northern Saskatchewan to continue his senior career. He is 22 years old.

The \$8,000 price on Broda, 23-year-old Winnipeg youth, was said the highest ever to be paid for a minor league player. Broda has only had one professional season behind him, helping Olympians win the International League title in his first season.

He came east in the fall of 1934, and played in the Michigan-Ontario League, where he attracted Adams' attention.

## AUTHORITY ON AMATEUR SPORT WILL RETIRE

Dr. J. Howard Crocker Resigns From Canadian Olympic Committee.

LONDON, Ontario, May 11—From authoritative quarters it was learned J. Howard Crocker, director of athletics at the University of Western Ontario and considered one of the most able men in the Dominion's sporting affairs, had sent in his resignation as a member of the Canadian Olympic Committee.

Dr. Crocker, who is out of town and will not return until the end of the month, is known to have been in indifferent health for some time and it is believed because of his he had advised P. J. Mulqueen, chairman of the committee, of his desire to retire. Dr. Crocker for years has been one of the most hard-working and cleverest authorities of Canadian amateur sport.

He is well known in this district, and has many friends here, although in the almost perennial struggle for supremacy in amateur sport between the provinces of Quebec and Ontario, his sympathies were mostly with the latter.

He is one of the few survivors of that great combination which dominated Canadian amateur sport affairs when the late Norton S. Crow was for many years secretary of the Amateur Athletic Union, and James G. Merrick, Olympic representative.

## Yankees Jump to Top of American Loop — Di Maggio Stars — Cards Lead National.

NEW YORK, N. Y., May 11—New York Yankees defeated Philadelphia Athletics 7-2 here yesterday before the second largest crowd of the season, 32,034, with Joe Di Maggio and Bill Dickey each belting a homer. Yankees went into first place.

Johnny Murphy, making his first start for the Yankees, failed to go the route. He gave only four hits in the 2-3 innings he worked, but he passed seven and had to be relieved by Pat Malone.

The Yankees took advantage of George Thuberville's wildness, mixing opportune base hits with passes and a hit batsman to roll up their run total.

Lefty Grove got a taste of his own medicine as Washington Senators playing at home knocked him off the mound, ended his five-game winning streak and shut out Boston 4-0. About 25,000 fans saw the Red Sox pushed out of first place in the American League.

Grove, who pitched three shut-outs in winning his five games, was banged heavily from the start. The Senators nicked him for seven hits and four runs in 3 1-3 innings.

### NATIONAL LEAGUE GAMES

NEW YORK, N. Y., May 11—St. Louis Cardinals defeated the Cubs, 5-1 yesterday in a five-inning game at Chicago curtailed by rain, and more firmly entrenched themselves in first place.

Avenge a defeat in the season's opening series. Paul Dean held the Cubs to three hits.

After Woody English singled with one out in the second, the younger of the Deans, retired the remaining 11 Cubs in order, fanning two. Paul Derringer, hurling his first game since his suspension for failing to slide home in a game against the Giants, held the Pirates to three scattered hits at Pittsburgh to give Cincinnati Reds a 6-0 victory.

Babe Herman had a perfect day at the plate, pounding out a home run, double and two singles. Billy Myers, also of the Reds, hit for the circuit in the seventh with two mates on base.
