SOCIAL HAPPENINGS

Comment by Social Editor

Those who took the trouble to walk to St. Andrew's Presbyterian church last evening to hear local talent carry a programme of Christmas music were well repaid for their effort. Every number was well executed and enjoyable. Holy Night rendered by the Cecilia Singers under the direction of R. C. Bayley in their first public appearance was sweetly sung in a manner that surpassed any previous presentation of this carol in the city by local talent. The entire programme was deserving of special comment for the splendid training and quality of execution.

The Archbishop and Mrs. J. A. Richardson entertained last evening in honor of some of the members of their family who are in the city for the holiday season. Those present included Mr. and Mrs. B. E. Claridge of Matane, Quebec; Miss Edith Richardson of New York; Miss Mary Richardson of Toronto, and Olaf Solensen of Toronto, who is also a guest at Bishop's Court.

Entertains in Vancouver

One of the delightful affairs of the holiday season in Vancouver was the reception given by Captain George Black and Mrs. Black, M.P., recently at the Georgian Club in that city. Reseda green velvet fashioned the graceful imported model worn by Mrs. Black, whose corsage bouquet was in the form of a small cluster of berried holly. A glittering snow scene with small silver reindeer prancing over a frozen mirrored lake formed the attractive centerpiece of the hors d'oeuvres table which was lighted with red and white Christmas candles. Mrs. Black leaves the Pacific Coast on January 4 for Ottawa, where she will attend the opening of the House on January 14, and the following day she will be present at the Drawing-Room which His Excellency the Governor-General and the Lady Tweedsmuir will hold. Mr. Black will remain in Vancouver for the balance of the winter.

Now is the Time For This Help in Preventing Colds

Formula Especially Designed
to Aid Nature's Defenses
in Nose and Upper Throat,
Where Most Colds Start.

PART OF COLDS-CONTROL PLAN

Don't wait for a cold to develop—or get you down. After any unusual exposure, heed that first warning nasal irritation or sneeze—apply a few drops of Vicks Vapo-rin up each nostril. Used in time, Vapo-rin helps to avoid many colds.

Vapo-rin is especially designed to aid and gently stimulate the functions provided by Nature—in the nose—to prevent colds, and to throw off head colds in the early stages.

Where irritation has led to a clogged-up nose (a stuffy head cold or nasal catarrh) Vapo-rin spreads through the nasal passages—reduces swollen membranes—clears clogging mucus—brings comforting relief.

For Fewer and Shorter Colds
Note for your family: Vicks has developed, especially for home use, a practical Plan for Better Control of Colds. This commonsense guide to fewer and shorter colds has been clinically tested by practicing physicians and further proved in everyday home use by millions. Full details of Vicks Plan come in each Vapo-rin package.

WARSAW, Dec. 29.—Being made marshal of Poland wasn't enough to make Edward Rydz-Smigly change his unpretentious habits. When sending out cards, according to custom, on his elevation to marshal's rank, he had no new ones printed. He used his old ones, merely crossing out "general" and writing "marshal" in ink above it.
