

Black's Alleys Won Maritime Bowling Tournament

Only Lost One Game in Twelve — Fredericton Pinmen Finish in Fourth Position— Ellsworth Second

SAINT JOHN, N.B., May 9—Successfully hurdling their last opposition, Lucky Strikes of Saint John, in the 1936 Maritime Provinces-Eastern Maine pin classic last night Black's pinmen retained the Brunswick-Balke-Clendarr trophy and the title they have held the last six years.

Ellsworth placed second with ten victories and two defeats winning their two final games yesterday.

Himmelman of Conn and Martel, Halifax, shattered two of the individual marks for this year's classic when he toppled 157 pins in the third string of his team's rout with Central Alleys to take the high single and established the high three-string mark in the same game with 294.

Black's rolled their steady, consistent game yesterday to dispose of Fredericton and wound up their schedule with a practically one-sided victory over the Lucky Strikes by a margin of 106 pieces of maple.

Their only hope had been a tie, provided that Black's were beaten either by Fredericton or Lucky Strikes. But Black's proved too good for both teams. Ellsworth's hope went glimmering when Black's trimmed Fredericton and the flame died

as the flashy locals sent the Lucky Strikes back.

Black's retained the lead in the tournament after the two o'clock games. A big third string gave them victory over the Palace Alleys, Fredericton. Both teams were tied going into the third. The first two strings for each totalled 976 but from the leadoff to anchor-man Black's rolled up a nice third, coming through with a fighting finish to triumph by an 80-pin margin.

CLEVELAND WANTS A TEAM IN THE N.H.L.

DETROIT, May 8—Possibility that Cleveland may have a club in the National Hockey League in 1937 arose tonight, as the league's board of governor's assembled here for their annual spring meeting tomorrow. Al Sutphin, head of the Cleveland Falcons, of the International Hockey League announced he had acquired property on Euclid avenue today on which he plans to construct an arena seating 9,300 spectators.

The structure, he said, would be modelled after the Forum, at Montreal. Sutphin indicated he would seek approval of the National League moguls for Cleveland's entry in the major circuit.

Representatives of all National and International League clubs were here tonight. Little trade talk was heard.

Film Stars to Have Their Own Race Tracks

LOS ANGELES, May 8—Bing Crosby and other Hollywood enthusiasts soon will own their own race tracks if plans announced by Hollywood and Los Angeles associates are carried out.

Formal articles of incorporation for the Del Mar Turf Club were filed with the Secretary of State, with capital stock of \$250,000.

Directors named are Harry L. "Bing" Crosby, jr., his brother, Everett N. Crosby, Pat O'Brien, Oliver Hardy, and Lloyd Bacon, film director.

BRITAIN HOPES FOR BIG YEAR IN POLO FIELD

Meet United States With High Hopes Next Month — Shakeup in Team.

WESTONBIRT, Gloucestershire, May 8—Great Britain's hopes of capturing the International Westchester Polo Cup from the United States next month soared when Gerald Balding, the second highest ranking player in the world, joined the home forces in a sudden shakeup.

Balding, rated at nine goals and second only to Tommy Hitchcock, jr., of the United States at 10 goals, is British-born, but learned polo in the United States. He will replace Captain H. P. Guinness, a seven handicap player.

Balding played at No. 1 for Britain in the 1930 matches, which saw the United States retain the cup with two straight victories, 10-5, 14-9.

Britain thus can field a strong combination aggregating 20 goals, including E. H. Tyrell-Martin, eight; H. Hesketh Hughes, seven; and Captain M. P. Ansell, six.

The shake-up followed the 14-3 defeat of the British Cup team by the Beaufort Club quartet yesterday, whereafter Guinness resigned from the squad.

SPORTS ARENA IS BEING BUILT IN SMALL TOWN

Hershey, Pa., Arena to Be Used for Roller-Skating, Boxing, Tennis, Wrestling, Hockey, etc.

HERSHEY, Pa., May 8—Two hundred and fifty men are now engaged in erecting the new sports arena that will be in the winter months the home of the Hershey Hockey Club, and in summer the palace of sport will be devoted to roller skating, bicycling, boxing, wrestling, indoor tennis and other sports. The building will be completed November 1.

The new sportland auditorium will be built of reinforced concrete, a monolithic concrete structure, having a 200-foot span, the height of the building from the ice being 100 feet. It will be rectangular in shape, 245 feet in width by 385 feet in depth, and will have a seating capacity for hockey of 7,000. For other events where the floor can be used for seats it will seat 9,000 people. This is three times the population of Hershey.

The hockey rink will be of the regulation size, 200 by 85 feet. The seating will be in a bowl shape and there will be no columns to obstruct the view. There will be no balcony. The floor of the building will be large enough to have a three-ring circus performance.

There will be two main entrances and 46 exits. The building can be vacated by an audience of 7,000 people in one and a half minutes. The structure will be flood lighted from the ceiling. Outside lighting will be by bracket lights. The structure will be insulated, making it cooler in summer and warmer in winter.

The floor, will be of concrete with special wood floors for sports that require it. The grounds surrounding sportland will be landscaped, and it may be necessary to widen Derry Road, or else, in order to preserve the trees lining the highway, to erect a road inside the trees.

For the making of ice, ten miles of piping will be imbedded in the concrete. The present ice equipment will be used and a new unit added, all to be relocated in the engine room of the new building.

GRIMES ALWAYS REGRETTED CRACK AT COCHRANE!

Fighting Cardinal of Few Years Ago May Be Back as Manager.

LOUISVILLE, May 8—The American association is sometimes called the graveyard of big time managers, but this is not the case at all. Marse Joe McCarthy, Buffalo resident and present New York Yankees' manager, came loping out of Louisville to grab off the fattest, pluriest managerial job in the racket. Casey Stengel emerged from exile in Toledo to become famous, if careworn, at the head of Brooklyn's Daffy Dodgers.

Burligh Grimes can make the leap, too, if he prospers in Louisville. So can shrewd gentlemen like Mr. Donie Bush of Minneapolis, Mr. Burt Shotton of Columbus and Mr. Gabby Street of St. Paul.

"I've had no first-hand view of Mr. Grimes as a manager of this city's team, but it seems to me that old Burligh might do all right in the job. He thinks, talks, breathes and chews baseball. He's seen a lot of it, and when Mr. Burligh lost a ball game in his playing days it was never the fault of his headwork — except once or twice.

The most notable of Burligh's lapses from complete intelligence occurred in the World Series of 1930, when he picked the wrong guy to josh, or jockey. The guy in question was Mickey Cochrane then catching for Connie Mack's Athletics.

"Hello, jug-ears," said Mr. Grimes. "Why don't you pin those things back when you hit?"

If you know Mr. Cochrane you know that the back of his neck got redder and redder until he slugged a home run off Mr. Grimes and broke up the ball game. It was at this point that Mr. Grimes realized he had made a tactical mistake. But he doesn't make many.

SPORT IN BRIEF

GOLF PRO'S LONG SERVICE
NOTTINGHAM, England—Tom Williamson, Nottinghamshire Golf Club professional has just completed 40 years' service which is a record for the country. Williamson, 56 years old, has taken part in every British Open Championship since 1897 and is again among the entries this year. The club celebrates its golden jubilee next year.

CRISP GOES TO ENGLAND
CAPE TOWN—South African cricket has lost one of its best bowlers in the departure for England of R. J. Crisp. The Springbok newspaperman and international player is joining the staff of the Nottingham Guardian for six months, and may play some games for Sir Jaffer Cahn's team at West Bridgeford. Later it is expected he will join the staff of the London Daily Mail.

In the erection of the new sports arena, it was necessary to excavate 25,000 cubic yards of limestone and clay.

In the basement will be installed rooms for the visiting ice hockey teams, the Hershey Hockey Club, the Junior Hockey Club, and the Hershey Figure Skating Club, and there will be showers attached to each room.

The new sports arena is being erected close to the present Ice Palace in Hershey Park. There will be parking space for 5,000 automobiles.

Those Player Deals!

NEW YORK, May 8—Baseball being an unpredictable game and ball players a daffy lot, the trades and purchases made so hopefully last winter look strangely different around the fourth of May.

Since misfortune starts and ends in flatbush, you must first consider the case of the Brooklyn Dodgers. They traded Al Lopez, Ray Benge, Al Cucinello, and Bob Reis to the Boston Bees for Ed Brandt and Randy Moore.

Today, Ray Benge had won four games and lost none. Al Lopez was playing his usual good game back of the bat even if he was hitting only .233. Cucinello was hitting .293, and Reis, .300. While in Brooklyn, to be brief, Brandt had lost every game he pitched and Moore was disconsolate with a broken leg.

Perhaps the most important trade of the off season was between the Cards and the Giants, Roy Parmelee going to the Cards and Burgess Whitehead coming over to the Giants. Then Bill Terry, manager of the Giants, told Frankie Frisch, the Cards' manager during the course of a little banter that Parmelee would not finish a ball game for Mr. Frisch.

CANZONERI BEAT M'LARNIN IN HECTIC FIGHT

Italian Had 'Baby Face' Dynamiter Almost Out in Ninth

NEW YORK, May 8—Surviving a first round blast that had him battered and bleeding, apparently on the verge of a knockout, Tony Canzoneri came back tonight to give Jimmy McLarnin a sound trimming in one of the most spectacular fights little fellows have waged here in many a moon.

At the end of ten furious rounds, witnessed by a sweltering, near-capacity crowd in Madison Square Garden, Canzoneri carried off the unanimous decision of two judges and the referee, Arthur Donovan.

The lightweight champion, who looks like a miniature Babe Ruth and hits with the same abandon when the mood strikes him, won off by himself with as dazzling a rally as the fight faithful have ever seen.

Won Seven Rounds
Canzoneri won seven rounds, dropped McLarnin to one knee with a terrific right hander in the second round and had the one-time 'baby-faced' dynamiter from Vancouver at the mercy of a two-fisted fire at the finish.

Once the terror of all the little men or fistiana, McLarnin started off with so sudden and furious an attack that

Whereupon, Frisch started Parmelee in the first game of the season against the Giants and he finished 17 innings beating the Giants 2-1. Whitehead had done little for the Giants.

The purchase of Tommy Thevenow by the Reds from the Pirates did not rate much more than a half a stick of type in last year's papers. But Tommy was put into a couple of ball games in desperation and each time he came up with a winning hit. Now Thevenow plays second base for the Reds.

In an American League trade the Tigers bought Al Simmons for \$75,000. Simmons, at this writing, was hitting .264.

Joe Cronin made a deal with his old club the Senators whereby the Red Sox would get Heinie Manush for Roy Johnson and Carl Reynolds. Manush, at present, is hitting .284; Johnson, who went subsequently to New York in another deal, .306, and Carl Reynolds, .333.

But other deals made by Cronin, Yawkey, Collins and Co., turned out somewhat better. Jimmy Foxx is leading the American League in home runs and batting .313; Eric McNair, and Roger Cramer are doing very well, thank you.

It looked as though Canzoneri would quickly be added to Jimmy's long list of victims. Only his remarkable stamina saved Tony from going down and possibly out in that hectic first round. Blood streamed from his nose. His legs acted like a pair of stilts. His eyes were glassy.

The 'wise money' that had made Jimmy a 9 to 5 favorite at the ringside was all ready to be spent.

ONTARIO RETIRES \$12,000,000 LOAN

TORONTO, May 9—Out of cash on hand the Ontario Government has been able to retire a \$12,000,000 loan which fell due several days ago, Premier Hepburn announced yesterday. Of this nearly \$7,000,000 was provided by the hydro-electric system as its part of the debt.
