## Japan Taking Stones From Wall

PEIPING, China, May 15 — The Chinese press charged yesterday that bricks from China's Great Wall, one of the wonders of the world and long regarded as the mightiest achievement of human manual labor, are going into Japanese military barracks.

Because Japanese soldiers are taking the bricks from the wall to build army barracks at Kupeikow, the reports said, the ancient structure seems in danger of at least partial disintegration.

Half a century and the labor of nearly 1,000,000 men is said to have been required to create the massive wall which, with its branches, worms across the mountains for almost three thousand miles.

A workman, removing bricks from the wall yesterday, found one inscribed with four Chinese characters meaning: "Quick Repairs, Early Departure".

## SCOUT NEWS

(Up to May 15th, 1936)  
The U. N. B. college year having been unofficially closed with artillery honours in the early hours of May 15, Provincial Field Worker, R. B. Pugh, left for the first of his summer scout extension activities, the conducting of a Gilwell course in French in the neighborhood of Bathurst.

On Thursday, the 7th, the St. Dunstan's Girl Guide Company entertained the 4th Fredericton (St. Dunstan's) Rover Scout Crew, additional guests being District Guide Commissioner Martha O'Neill, Rev. Father Milligan, Provincial Field Worker Pugh and District Scout Commissioner Good. A delicious banquet was followed by a sing-song led by Mr. Pugh.

On Friday night Commissioner Pugh, Good and Doherty went to Nashwaak Village where Mr. Pugh attended a meeting of the Nashwaak Village-Durham Community Boy Scout Troop, 7 scouts attending. Good and Doherty went on to Nashwaak Bridge where an enthusiastic meeting of 13 scouts under S/M Wm. Bradbury was followed by a tasty supper prepared and served by the scout themselves.

On Tuesday, the 12th, Commissioner Good accidentally had the opportunity of attending a conference in Saint John of 54 Scout and Cub leaders, which was found a most inspiring occasion.

On Wednesday evening the three Commissioners visited Stanley where it was found possible to organize a Wolf Cub Pack as a further move towards the Stanley Scout Group, the Troop having been organized last fall with Herbert Sansom as Scoutmaster. Following an enthusiastic scout meeting, the Troop Committee held a meeting and elected officers:—  
Dr. Folkins, president;  
Rev. Ralph Barker, vice-president;  
Mr. Harrington, Secretary-Treasurer;

Additional members are Rev. Mr. Belyea; S/M, Herbert Sansom; Mr. E. J. Malone.

On Thursday, 14th, Commissioners Good and Doherty went to Gagetown where they visited a very keen Troop under Assistant Scoutmaster Eddie Flewelling. The attendance was limited by several of the keenest being ill with measles. Ten were present and a very satisfactory meeting was held. It is quite confidently expected that extension to points further down river will take place in the near future.

The Scout Historian can now add a few further items to the local story of this movement.

The 1st Marysville, started in 1920, lasted five or six years under very able leadership of Scoutmaster Hallett but seems to have lapsed.

The 1st Devon Troop was organized by Scoutmaster Alderman Dobie in 1924, was an enthusiastic community troop till quite recently.

The 3rd Devon (Baptist) Troop was organized late in the summer of 1935 under Scoutmaster Hazen Perry.

Further information to add to this record will be gladly welcomed as will revival of dormant or partially dormant troops and advance on the part of active troops. There is great cause for encouragement in the steady forging ahead of the troops so energetically functioning.
